## **Clara** Lived in **Dungeon** Month

Tiger Woman' Hidden Under Ground After Being Kidnaped From Jail-Hoped Officers Would End Strain.

### BY CLARA PHILLIPS.

Universal Service I had been kidnaped by Carsen ou

the county jail. It was my secon kidnaping experience. I was so nervous over the whole affair that I did not know where we were going or what was in store for me.

what was in store for me. What were this man's intentions? and of all the untrue things being said about me by those who did not Why was he doing it? He got no ney from me or anyone I was connected with. He did not know me a "queen" of the underworld; at other times I was supposed to be in Mexiview as I was going to court. Per-haps it was his desire to use me in his revolutionary plots against the Honduras government that caused nim to take me

I have been asked repeatedly whe-ther anyone in the jail or connected get back and fight for my appeal. It with the sheriff's office had anything was bad enough to be convicted of a to do with the escape. I have even been told that if they did and I help to reveal these facts, it will mean much to me in the future. In On Christmas day I was permitted spite of this, I must truthfully say of this, I must truthfully say to come out of my place of confine so far as I know, no one con- ment for a Christmas dinner that Cartime. Full Knowledge of Buildings It is true that Carsen was very that for a christmas dinner that Car-sen obtained for me. I begged to be permitted to go back to jail. I said I would be far happier in jail than in a hole in the ground. He then told me if I remained there a few

It is true that Carsen was very well acquainted with a woman philan hropist with whom he commu lcate requently and who learned later that Twas in Mexico City, and that Carsen was with me. But I cannot say, of my own knowledge, that anyone paid Carsen money to take me from the jail with a view to injuring Sheriff memory or any of the new jail of-memory of the new jail of-

to blondine it.

One thing is certain; Carsen had a very thorough knowledge of the jail and jail conditions. He later told me he had studied them from the International Bank building and the courthouse lawn.

To return to our trip after I was idnaped. I was spirited away to house outside Los Angeles. I'll were in had a collision. Police offi-cers surrounded the machine to find out about the accident. mit, though, that after I was taken out the free air seemed good to me. I was so nervous and excited over what was in store for me that I really railway station. It seemed as though can't say just where we went.

#### Lived Underground.

nber passing through Poand then a short distance from proved, than I was in any foreign I was led into a house and country. through a trap door . in the to a hole in the ground, six feet by five in size. A bed was there naped me from jall, appointed himand also a place to eat. This was my self my bodyguard and "protector"

medical help of any kind. I had to derful family, came to see me suffer in silence. and brought their children. During the first nights of my stay course, they had no conception

In that hole, I found something crawling that hole, I found something that hole, I Market and took pictures with people we had met aboard. The next day we went to Mexico City. We went to the Hotel St. Francis to live, recountered them. In lighting match-es I always enclosed them in a newsbaper to conceal the light. By a strange coincidence, two men

naining there a week. We visited got into a quarrel near my new home the interesting spots around the capi-tal, went to the picture shows, to the cafes and the theaters. No one over he first night I was there. One of hem struck the other and ran. Officers pursued him as he ran across the yard of the house where I was hiding. The police shot at him and were all around this house. I knew nothing about the cause of the shooting until some time later. ecognized me anywhere, Every morning about 9 Carsen

would go to the postoffice, and in the afternoon about 4:30. Sometin went with him. I also went to the ofice of the Western Union Brooded Over Case.

Carsen was arranging to get me citizenship papers in Mexico, so that All the time I was under this floor I brooded and brooded. I kept think-ing and wondering why I had to be I would be safer there. He went to see an attorney, who said he could there, how I could get out of there, fix it up for me to become a Mexican citizen. I was to get the papers under my true name, Clara Philknow the facts. At one time I was lips.

#### Afraid of Reporters;

I would have done so, but this attorney stated that the newspaper re-porters examined the list of new citporters examined the list of new cit-izens every day, and with my name on the list of applicants it would be a tipoff and I would be hunted. Then I would have to go into the memory and bide until I was a wondering what effect it would have mountains and hide until I was a naturalized Mexican. That would take five days. I did not crave to be a

Mexican citizen by going through all that trouble, so the idea was aban-Carsen was intoxicated most of th

ime we were in Mexico. It was imply awful. Several times I deided to get up and go. He threaten ed me constantly. Carsen coached me considerably

Ie told me always to act naturally days longer he would take me away nd never appear to be afraid. to Mexico safely. He directed me to that is the way I always tried to dye my hair and I immediately began be. I'll admit I was glad to get out of the United States, and I knew I

vould be safe in Mexico. We rented an auto and traveled all Mexico. But the most imporover tant thing that Carsen and I did was quarrel. He threatened to kill me the train enroute to St. Louis an of- several times, and said that if I ever ficer got aboard. I knew the minute left him he would certainly kill me, that he would never give me up. (Copyright, 1923. All rights reserved Reproduction in whole or in part pro-hibited.)

did not recognize me. At St. Louis it was raining and the taxicab we **Daughter Is Attendant**

# Beddeos Credit Talks

## A Genuine Credit Service Which Serves You!

A retail business built exclusively on service is the bulwark of The Beddeo Organization, and upon this the business has had continuous growth. The service has not been limited, however, to credit accommodation. The store service is continuous from the original selection of merchandise in the wholesale markets to its display to you when you visit this store.

The extension of credit to you is founded on the highest principles of business dealing. It is the backbone of every substantial undertaking whether it be clothing, banking, building or any other line of honest endeavor, not to overlook the business of this nation itself.

#### The Beddeo credit policy extends to you the
