Bobby Wolfast begins to look more and more like flyweight champion timber. He recently defeated Frankie Genaro in an eight-round bout at Philadelphia, and the other way he will have a decision over Pancho Villa at the Quaker City. Danny Kramer won from George Cherry on a foul in the second round of another bout on the card.

From Chicago comes the news that Jack Malone of St. Paul will confine his time efforts to meeting middleweights and let the welterweight class run for the shirt. Malone claims he has weakened himself in his last two starts by trying to stick to the welterweight division and therefore decided to jump one notch.

Tommy Walsh and Nate Lewis are on the trail of Champion Joe Lynch and Johnny Wilson for scraps for their prizes. The combine will include the title-holding Joe Burrows, the bantam title-holder and Jack Malone against the middleweight box.

Eddie Collins Continues to Reel Off Good Baseball for the White Hose

HICAGO, June 2.—Harold "Muddy" Ruel, catcher for the Washington Senators, is challenging Harry Hellman, the Detroit veteran, for batting honors of the American league. Ruel gained 46 points during the week and is runner-up to the Tiger slugger with an average of .402. Hellman suffered a slight batting slump, but still tops the players who have participated in 25 or more games with a mark of .425. Dick Reiche of the Red Sox is third with .382.

The figures include games of last Wednesday.

Eddie Collins of the White Sox continues to play brilliantly. From present figures it would appear that Collins is going to have one of his best years. He is leading all major league players in stolen bases, with 15 thefts. Only four less than he pilfered last season. He also is hitting hard with the leading batters.

Numerous fans and critics predict that "Babe" Ruth will pass the veteran Philadelphia, "Cy" Williams, in home run hitting before Independence day. Williams has made 18 four baggers and Ruth 11. Ruth is leading in total bases with 95, his hits besides the circuit drives including 10 doubles and four triples. Ruth also leads as a run getter, with 37.

Johnny Mokon of the Phillies and Clyde Barnhart of the Pirates are making rapid strides toward the top among the batters of the National league. Far down in the list a week ago, they are smashing out base hits regularly. Mokon got 19 blows in his last 10 games and Barnhart poled 10 hits in six games. Mokon's mark went from .333 to .372 and Barnhart's from .311 to .353.

Zack Wheat, Dodger outfielder, increased his lead among the regulars from .417 to .424. He obtained 13 hits in his last six games. His nearest rival is Carley Grimm of the Pirates, who has .400.

Frankie Frisch of the Giants leads the run-getters with 38, and Sammy Bohne of Cincinnati is showing the way to the base stealers with 11.

"Cy" Williams of the Phillies is in front among the major league home run hitters with 18. Williams, besides leading in four baggers, has made nine doubles and three triples.

Favorites Win in Saturday Amateur Loop

Kirschbrauns Continue Their Winning Streak, Defeating Hardings, 17 to 6.

REVEALING weather conditions greatly added to the amateur baseball contest yesterday afternoon and real hot weather diamond exhibitions witnessed by local followers in the four Saturday afternoon leagues. Several close clashes materialized while many proved to be sluggering bees. No upsets were handed down by the winners and the league grabbed stronger holds on the top positions.

In the Creamery league the Kirschbrauns continued their winning streak by trouncing the Hardings, 17 to 6, at Thirty-second and Dewey in a heavy hitting test. Smeltzer carried off the willow honors of the contest with three safeties including a homer with one man on. The David Coles kept the runner-up position by defeating the Roberts Dairy, 27 to 10. The Fairmonts trounced the cellar artists, the Kennedy Parsons' nine, 9 to 3, in the other millman's conflict. Although he received poor support and lost, Lynch on the mound for the Parsons, whiffed 11 batsmen.

Retain League Lead.
Cudahy's drew a bye and kept top hold on the first group in the Industrial league while the Guarantee Fund Life were forced to extend themselves against the Overland Tires to keep their slate from stain. The insurance artists won a close, 2 to 1 decision. The Swifts hit hard the offerings of three U. S. Rubber pitchers and white-washed the rubbermen, 17 to 0.

Perhaps the best contest of the afternoon was that between the North Presbyterian leaders of the Southern Church league and the M. E. Wops. The northerners won, 7 to 1, after playing eight innings of shutout ball. Cross on the hill for the leaders, whiffed nine Wops and allowed but four hits. Not until the seventh did the losers have a man left on the bags. Three double plays were made by the Presbyterians and Nestlebusch stole five bases including home.

The Wheelers were again handed roses when they received their second straight forfeit. These two teams are still tied for the leadership of the Southern group.

Win From Hirsts.
Clifton Hill remained high above the rest in the North division by grabbing an easy 13 to 5 victory over the

Hirsts. The Pearl Memorials won their third game in an attempted comeback by closing nine frames with a 5-to-1 lead over the Plymouth Congregational.

The Florence Presbyterian Sunday School team stepped into first place in the Northern division while remaining idle when the Walnut Hill Sunday school jads handed the Pearls their first defeat of the season. The Wildcats cling tight to the supremacy in the Southern league after breaking the ties with the Wheeler Greeks after a close battle ended, 5 to 4, in favor of the Cats. Cox on the twirling end for the winners fanned 12 at the rubber while Porcoda made three of the five runs for the leaders in clever style.

Player Dies From Injuries Received From Pitched Ball

Morgantown, W. Va., June 2.—Cassell W. Mowery, first baseman of the West Virginia university baseball team, died today from injuries received Wednesday when hit by a pitched ball during the game with the University of Pittsburgh.

Dust From Amateur Diamonds

In the first Clifton Hill church league contest yesterday afternoon, D. Hatcher connected for a four-base riot with the bases loaded in the seventh and put the contest on ice for the Clifton Hill north division leaders.

In the Creamery league Moscrop, of the David Coles batted perfect during Saturday's contest against the Roberts Dairy when he hit the ball four times out of as many trips to the platter, two doubles and two singles.

The Guarantee Fund Life ball club is full of brilliant amateur artists. Matt Skomal pulled off two circus catches in the seventh and eighth innings of a contest yesterday, while Al Tolver handled seven chances at short, four of them being in the spectacular class, without a single error.

The sandlotters are something out nicely according to the box score keepers. Double plays are becoming common there were double plays on nearly every diamond yesterday afternoon. Three were seen at the hands of the North Presbyterians at Christy Heights and three at many beach by the Guarantee insurance nine.

Don Munroe, Tech high athlete, was refused a place on the school nine at last Sunday Coach Drummond witnessed the 1st M. E. Barker contest in which Don started at third, making several neat catches and knocking his second home run with one man on the bags. Coach

Drummond now expects to make Don a big factor in the Tech-Central title conflict. Munroe leaves for Purdue college and will not be able to play with the DeMolays all season.

"Lefty" West of Tech high is slung up with two amateur nines as well as playing with the Maroons in the high school league. His regular post is covering the initial sack but he took the mound for four frames in the Pearl Plymouth Congregational conflict yesterday and did well.

Forfeits are becoming common for the Wheelers. Two in a row have been shamed out. The league leaders are liable to feel the need of practice before long.

Cross, who has been doing the mound work for the North Presbyterians, has a total of 42 strikeouts in four games this season and is one of the leading pitchers in the Church league.

Many new faces will be seen in amateur circles during the remainder of the season on account of many local sandlotters returning from school during the next few weeks. You will greatly strengthen the Wops lineup as will Beardsley, Sauter and North Presbyterians.

Dave Shade will swing into action again on June 7, when he faces Johnny Herman of Brooklyn in a 18-round action at the Town Hall A. C. at Scranton. Shade has not boxed in two months, due to an injured right hand.

Restoring health to thousands—this simple fresh food!

The buoyant health and vigor which are every man's birthright—The sparkle and animation which every woman craves—

Today we realize that they are impossible without one thing: a body kept free from poisons! You must get rid regularly of the poisonous waste that accumulates in the intestines.

Drugs and cathartics are worse than useless, for they have to be taken in larger and larger doses, and at last the weakened intestinal muscles refuse to respond at all.

That is why so many physicians and hospitals are prescribing Fleischmann's Yeast.

It is not a medicine, but a fresh corrective food. Every cake of Fleischmann's Yeast consists of millions of tiny living plants which help to increase the bulk of our concentrated modern diet, and

gently encourage the intestinal muscles to act for themselves.

Regular daily eating of Fleischmann's Yeast is helping thousands of men and women to regain the splendid vigor of normal health. Like any other natural food, it must be eaten regularly to achieve results.

Be sure you get Fleischmann's Yeast—yeast in its natural fresh form. Recent experiments have shown that yeast corrects constipation only when its cells are alive and active—that it loses its laxative effect when these cells are "killed" and dried.

Eat two or three cakes a day—plain or dissolved in water, milk or fruit juices—preferably half an hour before a meal or the last thing at night. If you eat it plain, follow with a glass of water. Get several cakes at a time—they will keep several days in a cool, dry place. Be sure you get Fleischmann's Yeast! All grocers have it.

Send for free booklet. "The New Found Value of Fleischmann's Yeast in Building Health." The Fleischmann Company, 701 Washington Street, New York City.

Back to normal health!
A New York woman was badly run down. "In a serious state of lowered vitality I became afflicted with a series of boils," she writes, "and constipation soon became a contributing factor to my continued ill health. My doctor prescribed Fleischmann's Yeast. In a short time the boils cleared up, and intestinal action was restored to normal."
