Take Hood's for fifty years a spring tonic

Demands of modern life often bring about a weakened or debilitated condition of the blood generally resulting in defective nutrition and in a run-down condition of the whole system.

Hood's Sarsaparilla is needed to sustain the system, give vigor and tone to the blood and keep the digestive and assimilative functions healthy and active. There is nothing so good as Hood's Sarsaparilla for this purpose.

It restores normal appetites, brings restful nights, and tones up the entire system.

Ask your druggist.

TODAY'S BEAUTY HINT

Too many men have been unpleasantly surprised to find that their wife's hair which they had so greatly admired was only a switch or transformation. We know now that poor hair is a confession of either laziness or lack of knowledge and that fair care with sensible means will insure scalp health and hair beauty. In washing the hair it is not advisable to use a makeshift, but always use a preparation made for shampooing only. You can enjoy the best that is known for about three cents a shampoo by getting a package of cantibro from your druggist; dissolve a teaspoonful in a cup of hot water and your shampoo is ready. After its use the hair dries rapidly with uniform color. Dandruff, excess oil and dirt are dissolved and entirely disappear. Your hair will also be so fluffy that it will look much heavier than it is. Its luster and softness will also delight you, while the stimulated scalp gains the health which insures hair growth.—Advertisement.

Child-birth

Here is a wonderful message to all expectant mothers!

When the Little One arrives, you can have that moment more free from suffering than you have perhaps imagined.

An eminent physician, expert in this science, has shown the way to safe child-birth as he who first produced the great remedy, "Mother's Friend," says:

"With my first two children I had a doctor and a nurse, and then they had to use instruments, but with my last two, I used only Mother's Friend and had only a nurse; we had no time to get a doctor because I wasn't very sick—only about ten or fifteen minutes." Use "Mother's Friend" as our mothers and grandmothers did. Don't wait, start today, and make it a habit to use it. Write to the Regulator Co., B.A. 46, Atlanta, Ga., for a free illustrated book containing information every expectant mother should have. "Mother's Friend" is sold by all drug stores—everywhere.

Women Tell Each Other How They Have Been Helped by Lydia E. Pinkham's Vegetable Compound

Perrysburg, O.—"I took Lydia E. Pinkham's Vegetable Compound because I suffered with pains in my sides all the time. I can't remember just how long I suffered, but it was for some time. One day I was talking with a lady I met on a car, and I told her how I was feeling and she said she had been just like I was with pains and nervous troubles, and she took the Vegetable Compound, and it cured her. So then I went and got some, and I certainly recommend it for it is good. Whenever I see any woman who is sick I try to get her to take Lydia E. Pinkham's Vegetable Compound."—Mrs. ANA FRICK, Route 3, Perrysburg, Ohio.

In nearly every neighborhood in every town and city in this country there are women who have been helped by Lydia E. Pinkham's Vegetable Compound in the treatment of ailments peculiar to their sex, and they take pleasure in passing the good word along to other women. Therefore, if you are troubled in this way, why not give Lydia E. Pinkham's Vegetable Compound a fair trial.

NEW GERMAN OIL FORMULA RUBS OUT RHEUMATIC PAIN

Remarkable Discovery Promises Relief to Rheumatic Sufferers.

German chemistry that has given to the world the boon of Aspirin for the relief of headache, has now come forward with another scientific discovery that promises to make rheumatic pain a thing of the past for thousands who have suffered terrible tortures.

A new combination of certain oils has been discovered which produces a clear amber liquid that affords immediate relief from pain in many instances. It is so penetrating that it disappears within a few seconds, so that it does not get absorbed by the body tissue. Even in the most advanced rheumatism, the use of this remarkable oil has shown astonishingly prompt relief in many cases. Rheumatic muscles regain life in many joints with the pain gone, become supple, and the suffering is lessened.

No astonishing claims have been made for this oil. It is not a cure, but a relief. It is distributed by the following local distributors in this city with a positive written guarantee: The following is a list of the full package price of the first bottle if the rheumatic pain are not wonderfully relieved. All who suffer from rheumatic pain should take advantage of this liberal offer. Write for your free trial bottle. Your druggist will return your money, but if called, neither oil will be had at most drug druggists. Write to: Sherman-McConnell Drug Co., 4 Sherman-McConnell, Mechanicsburg, Pa.
