Superintendent Beveridge Will Ask \$50,000 for Modern Books-2,000 Out-of-Date Geographies in Use.

.The close of school next week will see the end of the "ancient" texts which have been in use in the Omaha public schools this year, according to Superintendent J. H. Beveridge and Dr. J. H. Walker, chairman of the school board committee on teachers and course of study.

The superintendent admits the sit uation merits correction, and announced Wednesday that necessary action will be begun immediately. \$50,000 For Text Books.

"I will ask the teachers and course of study committee for an appropriation of \$50,000 for text books," last appropriation was for \$42,000.

"GRAND TO HAVE YOUR HEALTH"

The use of Dr. Pierce's Favorite

says Mrs. Jenny Evans, of Detroft, Mich. Few of us appreciate our health until we lose it. Mrs. Evans worked in a factory, but owing to a weakness, and pains in her back, she was forced to give up work. She says: "A friend recommended Lydia E. Pinkham's Vegetable Compound and it made me well. It is grand to have your health, to feel well all the time and to go around like other women without that awful torture of female troubles." Women who are suffering from such troubles should remember that Lydia E. Pinkham's Vegetable Compound is the tried and true medicine, now recognized everywhere as the standard remedy for femals ills.
