Monday is to be official indoor sports day at Happy Hollow club. In the morning, golf holds the boards, but following luncheon the bridge devotees gather for a game. Reservations for 50 tables are expected for the formal opening of the bridge summer season on Monday. The club will furnish prizes for each eightsome.

Mrs. J. H. Beaton is in charge of these affairs for the season and will be assisted by Mrs. W. C. Fraser. There will be a small charge for each person.

These bridge afternoons were inaugurated last year for the golfers who had taken part in ladies' day on the links in the morning. Gradually they became so popular that non-athletic friends joined.

Among the prominent golfers of the club who will probably take tables are Mesdames Walter G. Silver, Karl Lininger, Howard Goodrich, Earl Beardsley, Floyd Clark, L. M. Clancy, W. W. Watts, Charles Askeloff, E. A. Knapp, L. M. Holliday, A. L. Nabstett, H. E. Noyes, J. K. Shafer, Al Gordon, L. M. Loomis and Carl Jones.

### Ailing Children Get Well on Syrup Pepsin

A small dose at bedtime brings relief and laughter by morning

ANY FAMILY MAY TRY IT FREE

HOSPITAL and doctor's records prove that 75 per cent of human illness has its origin in the intestinal canal, complicated with what is commonly called constipation. Realizing what that figure means, mothers should contrive methods of handling their children while they still control them that will prevent these future dangers. Teach children regularity of bowel movement, and be especially watchful of young girls. Insist on two passages a day until the age of 13, when one is usually sufficient. Give plenty of oranges and apples, plenty of butter because it lubricates the intestines, and encourage the drinking of water.

If you detect restlessness, belching, gas or wind on the stomach, sleeplessness, or lack of appetite, examine the tongue and you will find it coated, accompanied by unpleasant breath. The child is bilious, constipated. According to age, give from one-half to a teaspoonful of Dr. Caldwell's

Thousands of parents are asking themselves, "Where can I find a trustworthy laxative that anyone in the family can use when constipated?" I will gladly provide a liberal free sample bottle, sufficient for an adequate test. Write me where to send it. Address Dr. W. B. Caldwell, 575 Washington St., Mendocino, Illinois. Do it now!

Syrup Pepsin, which children never object to taking as they like the taste. By morning the youngster will be well again. Likewise if the nostrils are stuffed up or there is persistent sneezing, a dose of Syrup Pepsin will break up the fever and cold.

Mrs. Geo. N. Colson of Bernard, Mo., keeps her family well in that way, and Mrs. Ida A. Burkett of Carroll, La., who has been using Syrup Pepsin for a dozen years, has raised her three children on it. Dr. Caldwell's Syrup Pepsin is a vegetable compound of Egyptian senna and pepsin with agreeable aromatics. The formula, however, is on every package. Druggists have sold it with satisfaction to their customers for over 30 years, and it is now the largest selling family laxative in the world. Buy a bottle today. It will last you for months, and the cost is only about a cent a dose.
