

Mighty Chorus Sings "America" to End Conclave

Shriners Start Trek Home— Gorgeous Spectacles and Dance Final Night's Entertainment.

By Universal Service.
Washington, June 7.—As the hands of the illuminated clock in the tower of the Postoffice department turned to the midnight hour tonight, a mighty mile-long chorus, the breadth of brilliantly lighted Pennsylvania avenue, from the capitol to the White House, sang "America," the closing anthem, and the 1923 convention of the Ancient Arabic Order Nobles of the Mystic Shrine officially came to an end.

Many special trains already had begun the return trip over hot rails, while others were scheduled to move out at frequent intervals, and at the first streak of dawn the motor caravans will begin the long trek back home, after a week of strenuous hilarity, to wait another year before beginning the next pilgrimage to Mecca.

Night of Hilarity.

But for every faithful one that had turned the nose of his camel homeward, there were many more lingering behind amid the tinsel and glare and keeping high the joyous carnival spirit until the sun comes out of the east and drives them to their tents.

The last night's festivities began at 8 with a gorgeous historical pageant eclipsing in beauty and spectacle, although not so long, the two previous day and night parades of the uniformed bodies. The floats, marvelously colorful and picturesque, depicted the history of America and the soul of free masonry. Every branch of the nation's fighting arm, some of them wearing the uniforms of the earliest American soldiers, sailors and marines, also participated.

Big Fireworks Display.

As the last of the eight divisions passed in review before President Harding in the Garden of Allah, 2,000 aerial bombs crashed out against the heavens, raining fire upon the capitol.

city, as the opening of a fireworks display, asserted to be the greatest ever seen in the United States.

While the \$10,000 worth of fireworks still burst and flamed about the Washington monument, the "dance of the states" got under way on the "road to Mecca," the golden-arched route from the capitol to the White House. More than 50,000 couples were estimated to have danced up and down the length of Pennsylvania avenue to music from great amplifiers on specially erected poles. The dancers halted on the stroke of midnight, only long enough to join in the singing of "America," and immediately started again.

Massed Bands Play.

Earlier in the day, a massed band of 10,000 pieces, comprising the bands brought to the convention by more than 100 temples, gave a concert in the American league baseball park, led by Noble John Philip Sousa.

At the last session of the imperial shrine, Noble Warren G. Harding of the Aladdin temple, Columbus, O., was made an honorary member for life. Noble James J. Davis, secretary of labor, delivered the chief address on his proposed bill to Americanize aliens in the United States. His demand, that "we must Americanize the alien in America" was received with tumultuous acclaim.

The imperial council rejected all applications for new dispensations. They were from All Gaba temple, Cumberland, Md.; Tadmer temple, Akron, O.; Kebra temple, Kansas City, Kan.; Makalla temple, Council Bluffs, Ia.; Hazah temple, Ottumwa, Ia.; Sinbad temple, Danville, Ill.; Jericho temple, Johnstown, Pa.; Zib Laban temple, Fort Dodge, Ia.

Special Dispatch to The Omaha Bee.
Fremont, Neb., June 7.—An attempt to win dismissal of the charges against Andrew Johnson, 65, held for the murder of William Jurging at North Bend last October as a result of a liquor party, failed in district court on the third day of the trial today.

The alleged "dying statement" given by Jurging at the home of Roy Weidener, where the wounded man was first taken, was ordered stricken from the testimony however, upon motion of the defense. The statement charged Johnson with the deliberate shooting when Jurging failed to obey his command to leave the Johnson home.

New Angle.

A new phase was admitted into the case when Dr. A. E. Hoff, North Bend testified Jurging told him the shooting was the result of an accident. Dr. Hoff was the first physician called to attend the wounded man after he had been transferred to the Herman Haasch residence.

Get Back Your Old-Time Vigor Here Is the Way—Says Science

**Strength, Vim, Vitality Restored by Lyko,
the Great General Tonic.**
Proved in Thousands of Cases

Mr. W. L. Lawler, a well known citizen of Northern Alabama, reports an experience which will interest everyone who is in an ailing, weak or generally run-down condition. Mr. Lawler writes:

"After using the wonderful tonic Lyko, I have received more benefit from it than any other remedy I ever used. I say that this is one of the greatest tonics for vitality, digestion and the liver; a general body builder for run-down persons. It has made me an entirely new man at the age of 56. I feel like 30 today."

The power of Lyko to keep a man fit is also well proved by the experience of Mr. H. Jenkins, of Chicago, who says: "My business keeps me closely confined to the office and at a desk all day long. As a result, my system became all clogged up, I was always tired, rested poorly at night and grew nervous and irritable. I began using Lyko and now I am in fine shape again, feel cheerful, and am able to do much more work without fatigue or nervous strain."

An Oklahoma man, Mr. Gallion, also tells about the help Lyko gave his wife after other remedies had failed. His letter says: "The wonderful relief Lyko has given my wife. She has been laid up for months with indigestion. I saw Lyko advertised and got it and it is doing her lots of good."

Mrs. Dennis, of Mississippi, writes: "I have been taking Lyko and have found it the best medicine in the world for indigestion."

Lyko gives its beneficial effects through the action of its pure medicine.

Lyko is for sale by all leading druggists. Always in stock at Beaton Drug Company.
