

Former Omahan's Letter Tells of Panama Canal

Washington, D. C., describing a recent trip through the Panama canal, was received by Philip Johnson, 3125 Mason street, his nephew.

"Because of the crookedness of the isthmus the Atlantic entrance to the canal is actually west of the Pacific entrance," the letter states.

The letter also declares that the locks are operated by observing a model ship in the control room which indicates exactly the actions and position of the big ship in the real canal.

Mrs. Yeats Tells of Case for Benefit of Others

Mrs. Earl Yeats, 4615 S. Benton St., Kansas City, Mo., is another who has found the Tanlac treatment a safe and sure road back to health, strength and happiness. She says: "I've gained ten pounds by taking Tanlac and have the energy of a school girl. At the time I got Tanlac my appetite was so poor even the finest home cooked meal did not appeal to be, and indigestion hurt me so bad at times I could hardly endure it. What little I did eat seemed to do me no good, and I lost weight steadily. I had awful headaches, dizzy spells, and severe pains in my back. "Well, that's all over now, and all my friends are commenting on the great change in my health. I'm so happy over my recovery I'm always glad to tell my friends about Tanlac." "Tanlac is for sale by all good druggists. Accept no substitute. Over 37 million bottles sold. Tanlac Vegetable Pills are Nature's own remedy for constipation. For sale everywhere.—Advertisement.

Child-birth

Here is a wonderful message to all expectant mothers! When the Little One arrives, you can have that moment more free from suffering than you have perhaps imagined. An eminent physician, expert in this science, has shown the way. It was he who first produced the great remedy "Mother's Friend." Mrs. C. J. Hartman, Scranton, Pa., says: "With my first two children I had a doctor and a nurse, and then they had to use instruments, but with my last two children I used Mother's Friend and had only a nurse; we had no time to get a doctor because I wasn't very sick—only about ten or fifteen minutes." Use "Mother's Friend" as our mothers and grandmothers did. Don't wait, start today, and meanwhile write to Bradford Regulator Co., B.A. 46, Atlanta, Ga., for a free illustrated book containing information every expectant mother should have. "Mother's Friend" is sold by all drug stores everywhere.
