not too late Women who have lost their complexions need not despair. See what proper care will do. The best way known to keep complexions is the best way to restore them. That way is utter cleanliness, plus paim and olive oils. Countless women everywhere now follow that way to beauty. How to apply The best way to apply those factors is in Palmolive Soap. The test of time has proved that. This has become, hrough unique results, the leading toilet wap of the world. It was perfected by experts who had spent a lifetime in the study of facial soaps. And nothing else known has done so much to foster woman's beauty.

Does two things

Palmolive Soap is penetrating. It goes to the depths of the pores. That is essential, for clogging matter ruins skins.

Then it applies, in a modern form, the two supreme cosmetics. Those are palm and olive oils. Those soften and preserve the bloom and texture as nothing else will do.

This soap has won a world-wide fame by doing what you want done. A lesser soap, used on the skin, does you an
