-The Omaha Bee: Saturday, July 7, 1923-

By Associated Press. New York, July 6.-There was plenty of evidence of sabotage when was taken over by the Amreican government, former Secretary of the Navy Josephus Daniels informed the New York Times today in a telegram from La Junta, Colo.

Contradicting statements made re cently by Representative M. B. Madden of Illinois and F. H. Gibbs of Gibbs Brothers, engineers, who reconditioned the vessel, the former abinet officer declared that there had been less evidence of sabotage on the Vaterland than on the other interned German ships, but that there had been plenty there, too. Mr. Gibbs recently declared damages had been the result of an accident.

Mr. Daniels declared his first im oulse on being questioned on the sub ject was to ask: "When is the propaganda endeavoring to make angels out of Germans guilty of murder on U-boats and saints of the commanders in charge of interned German ships

Sabotage on the Leviathan, he said. ncluded boring holes in outboard tial electric lines and removing pro peller shafts. Even after two months work of repairing the damage, Mr. iniels said the Navy department did not risk the lives of American sol diers on the ship until after a long trial cruise had been made.
