

Beatrice Fairfax PROBLEMS THAT PERPLEX.

Marrying in Haste.
Dear Miss Fairfax: Some time ago

I met a young man and introduced him to my parents. My mother does not seem to like him. But he is asking me to marry him and go away with him and I love this young man, but do not know whether to tell my parents for fear they may not like the attitude I have taken.

I am 22 and this young man is 23 and comes from out of town.
M.A.E. W. Get a little more perspective on this matter. Perhaps your mother's protective instinct is right and time will justify it. Perhaps the man can win her over. Get to know him better, and put yourself on a basis of friendly honesty with your people. Tell your mother how fond you are of the man, and that you want her to study him fairly and see if her prejudice is not wrong. Your people will respect your attitude, and it will protect you from blundering rashly and stubbornly into what might prove a great unhappiness.

M. H. P.: You could wear brown and yellow well, probably, and blue. Certain shades of pink or green would be becoming. I wouldn't wear much red. Your skirts should be about nine

or 10 inches from the ground. The bob is still in vogue and if your parents don't object you might bob your hair. You have plenty of time yet to let it grow out again.
Bonnie: Some people remove the hair from under the arms by shaving. Other remedies for removing the hair may be obtained at the toilet department in any store.

Fifteen: To bring up your weight you should drink a quart of milk a day and eat starches and sugars, such as white bread, potatoes, candy and ice cream. The best thing to do about a broken-out skin is to consult a doctor, for what may help one will not help another. Your dresses should be from eight to 10 inches from the floor.

Evidence Proves That His Mother Was Right

"Tanlac has fixed me up from A to Z and I can't help thinking how fine my mother's judgment was in buying this medicine for me," said J. F. Morrison, 2412 Hartman Ave., Omaha, Neb., recently.
"When mother got Tanlac for me, I was in a terribly rundown condition from stomach trouble. I felt dragged out and depressed and didn't seem to have a spark of energy. My appetite was so poor that a small piece of toast and a few swallows of coffee would satisfy me, and even then I suffered from indigestion and heartburn. My sleep was restless. I had

headaches and other pains, and felt tired and worn out all the time.
"But it didn't take Tanlac long to fix me up, and besides doing away with my troubles the medicine built me up fifteen pounds. I'm in such vigorous health now I finish the day happy and smiling, and I'm glad to tell everybody about Tanlac."

WOMEN OF MIDDLE AGE

Relieved of Nervousness and Other Distressing Ailments by Lydia E. Pinkham's Vegetable Compound

Brooklyn, N. Y. — "I first took Lydia E. Pinkham's Vegetable Compound four years ago, and am taking it now for the Change of Life and other troubles and I receive great benefit from it. I am willing to let you use my letter as a testimonial because it is the truth. I found your booklet in my letter box and read it carefully, and that is how I came to take the Vegetable Compound myself. It has given me quiet nerves so that I sleep all night, and a better appetite. I have recommended it already to all my friends and relatives." — Mrs. ENGLEMAN, 2922 Palmetto St., Ridgewood, Brooklyn, N. Y.
For the woman suffering from nervous troubles causing sleeplessness, headache, hysteria, "the blues," Lydia E. Pinkham's Vegetable Compound will be found a splendid medicine. For the woman of middle age who is passing through the trials of that period, it can be depended upon to relieve the troubles common at that time.
You should give it a fair trial now.

Beautiful Hair Fascinates All

"The hair fetishist, technically, is a criminal who cannot resist the temptation to steal hair; who cannot see a beautiful woman without being uncontrollably seized with a desire to snip a lock of her hair and carry it away."
Yet the hair fetishist, criminologists say, is only abnormally afflicted with the same fascination for beautiful hair which all of us possess in milder form.
Features are unchangeable. Size and figure are more or less unalterable. But beautiful hair is within the power of every woman.
Regular and thorough cleansing with FITCH SHAMPOO is the first requisite of a clean, dandruff-free scalp, and beautiful, healthy, glossy, lustrous hair.
Without proper care and attention your hair is bound to be dull, thin and scraggly. Use FITCH SHAMPOO and your hair will be clean, colorful and altogether charming.
The FITCH SHAMPOO is on sale at first class toilet goods counters. In two sizes, 75¢ and \$1.50 for family package. Complete directions in package. Applications at leading barber shops.
Our fine 16-page illustrated booklet, "The Secret of Beautiful Hair," mailed free to anyone on request. Address F. W. Fitch Co., Des Moines, Ia.

My Rheumatism is gone —

"THERE are thousands of you men and women, just like I once was—slaves to rheumatism, muscle pains, joint pains, and horrible stiffness. I had the wrong idea about rheumatism for years. I didn't realize that increasing blood cells had the effect of completely knocking out rheumatic impurities from the system. That is why I began using S. S. S. Today I have the strength I used to have years ago! I don't use my crutches any more." S. S. S. makes people talk about themselves the way it builds up their strength. Start S. S. S. today for that rheumatism. You'll feel the difference shortly.
S. S. S. is sold at all good drug stores in two sizes. The larger size is more economical.
