

**Federal Jurist,
Enemy of Booze,
Guest in Omaha**

**Judge Morris, Foe of Min-
nesota Bootleggers, Visiting
M. C. Peters—Favors
Jail Terms.**

"The Bootleggers' Terror" is visit-
ing in Omaha.
He is Federal Judge Page Morris
of the Minnesota federal district, who
is a guest of M. C. Peters of the
Peters Milling company.
Judge Morris, who retired from the
bench this week, was called "The
Bootleggers' Terror" by a writer in
the Literary Digest because of his
attitude toward bootleggers brought
before him.
"I believe every man convicted of
bootlegging should be given a jail
sentence," said Judge Morris. "Fines
don't bother them. They make too
much money."
It is said of Judge Morris that
when trying bootlegging cases he
would listen to the testimony without
a word and if the evidence pointed
toward guilt would merely say "120
days," and sometimes more and some-
times less.
Judge Morris, whose home was in
Duluth, Minn., has been a resident
of that state for more than 37 years
and has been a federal judge for 20
years.
He is moving to California because
of his wife's health.

**But Rose White's Brown Eyes
Wins Stay of Sentence
From Judge.**

"You can't arrest me. I'm in a
hurry. I want to get some ice cream
for my father," declared Rose White,
2427 Mary street, when motorcycle
officers ran down her Packard twin-
six, which they declared was going
43 miles an hour between Miller park
and Ames avenue.
Moreover, she refused to drive to
the station.
Police Captain Wheeler came by
during the dispute.
"You get in that car and drive to
the station or you'll go in the patrol
wagon," he threatened.
Rose at first refused, but reluctant-
ly complied after repeated threats.
She was released on bond to her
father, Harry White, proprietor of the
Aetna hotel.
In court yesterday morning she
drew a two-day sentence in jail.
"Oh, judge, I just can't go to jail,"
she pleaded. "My sweetheart is com-
ing in from San Francisco and I've
got to see him."
Judge Dineen melted at the pathos
in her brown eyes and granted a
stay of sentence until this morning.

**HEALTH FOR
WORKING WOMEN**

Let Lydia E. Pinkham's Vegetable Compound Help You to Become Well.

Thousands of girls have to work in homes, offices, stores, mills or factories who are physically unfit for work, with often an aged or invalid father or mother dependent upon them for support. Standing all day week in and week out, or sitting in cramped positions a girl often contracts some deranged condition of her organic system which calls a halt to her progress and demands restoration to health before she can be of use to herself or anyone else.
For these distressing weaknesses and derangements these girls have found health to do their work in Lydia E. Pinkham's Vegetable Compound.
Brooklyn, N. Y.—"Like many girls, I had troubles every month," says Carolyn Mangels, "and they interfered with my work as I could never be sure of my time. My mother often suggested that I take Lydia E. Pinkham's Vegetable Compound, but I never did until lately. I have had very good results, and am now a private secretary and do my work without missing a day. I recommend your medicine to every girl who speaks of having troubles like I have had."—CAROLYN MANGELS, 407 14th St., Brooklyn, N. Y.
Office Worker Helped
Milwaukee, Wis.—"I have taken Lydia E. Pinkham's Vegetable Compound and Lydia E. Pinkham's Blood Medicine for three and a half years, and they have improved my health wonderfully. My mother also has taken the Vegetable Compound and we recommend it to our friends. I am working in an office now and can always do my work as I do not have the troubles I had at first. I read of your Vegetable Compound in the newspaper and you may use my letter in that way if you wish to do so."—ELEANOR SHEBLAK, 637 36th St., Milwaukee, Wis.
Pains and Headache
Webster, Mass.—"I was all run-down, had a bad complexion, and suffered with pains and backache, and was dizzy at times and felt weak. I worked in a mill and my girl chum told me about your wonderful medicine, Lydia E. Pinkham's Vegetable Compound. I am feeling much better since taking it."—MARY PLAZA, 13 West Street, Webster, Mass.
Lydia E. Pinkham's Private Text-Book upon "Afflicts Peculiar to Women" will be sent you free upon request. Write to the Lydia E. Pinkham Medicine Co., Lynn, Massachusetts. This book contains valuable information.

Omaha, Neb.,
Gentlemen,
June 12th./23
Do not know of anything that thrills me more than to have a customer call up and tell me how well pleased she was with the work, we always hear the bad news but seldom the good.
Have no doubt but what you like to know what one can accomplish with Petroleum Coke and it is a pleasure for me to recite my findings.
Previous to 1922 I had always burned 12 tons of hard coal, had an idea that I could not use anything else and was particularly afraid of the coke for fear that I could not hold a fire.
On your recommendation I put in Petroleum Coke last winter, kept my house dandy and warm, did not bank my fire once during the winter and only burned eight tons of the coke against twelve of the hard coal.
You must know that I was well pleased, as you have already filled up my bin for next winter.

Very truly,
M. A. Cleaveland

12 tons Hard Coal @ \$20.00 = \$240.
8 tons Petroleum Carbon @ \$15.50 = \$124.
