

School Attendance Increases

schools, today quoted figures in answer to a question which developed during a recent tax hearing with

members of the city council concerning the city's growth. When schools closed in June, a

year ago, he said, there were 6,641 pupils enrolled in the high schools. In June this year there were 7,194.

In the grade schools a year ago last June there were 29,360. This year there were 29,871.

No Services Today

On account of the condition of the

building, due to construction, it will be impossible to hold services at the manual Baptist church today. The
