

## Omaha Friend of Poor Dies in New Jersey

### Morris Levy, 80, Wealthy Philanthropist, Dies at Summer Home—Latest Gift for Community Center.

Morris Levy, wealthy Omaha philanthropist, died Sunday at Aubrey Park, N. J., where he was spending the summer. He was nearly 80 years old.

He was born in Germany, but came to United States in 1866, and obtained work in a small retail clothing store in Olean, N. Y. In five years, he bought an interest in the store.

Later he established a chain of retail stores in the east, and about 1876 established another chain in Colorado and New Mexico. In 1888 he organized the Nebraska Clothing company, and opened a store at Fourteenth and Douglas streets. Twenty-five years ago the company erected its present building. He retired from the Nebraska Clothing company in 1912.

During his later years, Mr. Levy made extensive contributions to charity. He did not confine himself to any particular race or creed, but was generous to all of them. His most recent donation was a contribution of \$50,000 to establish a community center in Omaha. His orphan asylum and kindred institutions all have benefited by his contributions.

He was at one time a member of the board of education and the executive committee of the Chamber of Commerce.

He is survived by his widow and three daughters, Mrs. William L. Holzman of Omaha; Mrs. Daniel L. Korn and Mrs. Ralph M. Holzman of New York City.

Funeral services will be held Wednesday afternoon at 2 at the Universal chapel, Second street and Lexington avenue, New York City.

The store of the Nebraska Clothing company will close Wednesday afternoon at 1 for the remainder of the day.

Measures to prohibit the importation of newspapers in Canada devoted exclusively to race track betting were recently introduced in the legislature in Ottawa.

## Beautiful Hair

### Fascinates All

The hair fetishist, technically, is a criminal who cannot resist the temptation to steal hair; who cannot see a beautiful woman without being uncontrollably seized with a desire to snip a lock of her hair and carry it away.

Yet the hair fetishist, criminologists say, is only abnormally afflicted with the same fascination for beautiful hair which all of us possess in milder form.

Features are unchangeable. Size and figure are more or less unalterable. But beautiful hair is within the power of every woman.

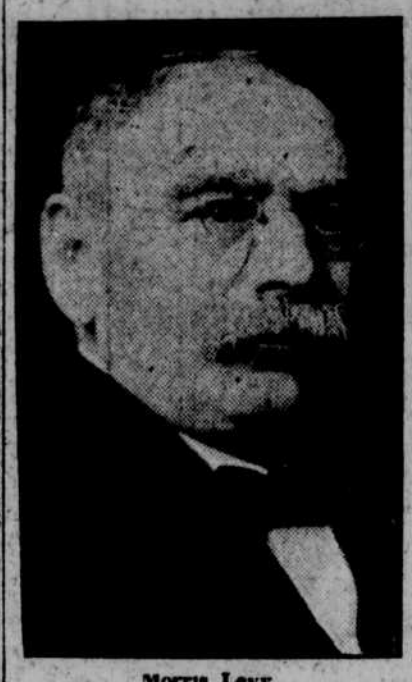

Regular and thorough cleansing with FITCH SHAMPOO is the first requisite of a clean, dandruff-free scalp, and beautiful, healthy, glossy, wavy hair.

Without proper care and attention your hair is bound to be dull, thin and scraggly. Use FITCH SHAMPOO and your hair will be clean, colorful, and altogether charming.

The FITCH SHAMPOO is on sale at first class toilet goods counters. In two sizes, 75 cents, \$1.50 for family package. Complete directions in package. Applications at leading barber shops.

Our fine 16-page illustrated booklet, "The Secret of Beautiful Hair," mailed free to anyone on request. Address F. W. Fitch Co., Des Moines, Ia.

## Securities Co. Insolvent, Claim

### Subsidiary of Home Builders Corporation Must Answer Bankrupt Petition.

An involuntary petition in bankruptcy was filed yesterday morning in federal court against the American Securities company, subsidiary real estate and financial agent of the Home Builders, Inc., by Crofoot, Frazer, Connolly and Stryker, attorneys.

The petition alleges that the same men who are officers of The Home Builders, Inc., against which bankruptcy proceedings also are pending, are also officers of the American Securities company, and that the company is taking steps to delay and practice fraud upon certain creditors in the transfer of certain property.

Petitioning creditors are G. A. Stohelmer company, which holds a \$625 note; Harry A. Koch company, with a claim of \$114.85; and Frank Morris, with a claim of \$146.58 for plumbing work.

The law provides that bankrupt petitions must be brought by at least three creditors, whose claims total \$500. The petitioners declare the company is insolvent and unable to meet its overhead expenses. They estimate liabilities in the neighborhood of \$500,000 and assets at around \$100,000.

The petition alleges that recently the American Securities company paid \$234 to the Columbia Fire Underwriters and \$300 to another insurance company, contrary to law.

## Former Banker of Omaha Dies

### Thomas B. McPherson, Once Stockyards Bank Cashier, Succumbs in East.

Thomas B. McPherson, for half a century prominent throughout the middle west in banking and livestock industries, died Sunday at Thurmont, Md., as a result of an operation performed last April at the Johns Hopkins hospital in Baltimore.

He was born near Thurmont, Md., March 21, 1853, where he spent his boyhood days. He came west in the early days where he soon engaged in the banking and livestock business.

In the days of the open range he owned and operated large ranches in Nebraska, Wyoming and Arizona. He first located in Arapahoe, Neb., in the banking and cattle business.

In 1891 Mr. McPherson was made cashier of the Union Stockyards National bank at South Omaha at which time he moved his family to Omaha. He remained an officer of the bank until 1906.

He was a Knight Templar, a Shriner and a life member of the Elks.

He is survived by his widow and four children. Two sons, William S. McPherson and T. B. McPherson, Jr., of Masters, Colo.; Miss Louise McPherson of Thurmont, Md., and Mrs. Charles E. Gardner, New York City. Burial will take place at the family cemetery grounds at Frederick, Md.

### Harding Speech on Omaha WOA W

### Frisco Address to Be Broadcast by Telephone Wire to Radio Station Here.

San Francisco, July 23.—Although the words of President Harding, when he speaks in the Civic auditorium here July 31, will be heard as far away as New York and Washington, within one-fifteenth of a second after they are spoken, according to telegraph engineers, it will be the following day and month when they are heard in New York.

The president is to begin speaking here at 8 o'clock, July 31, which is midnight in New York (daylight saving time) and consequently he will be heard there August 1.

Arrangements have been completed to transmit the president's speech over telephone wires to radio broadcasting stations in San Francisco, Omaha, Chicago, New York, Washington, D. C., and Round Hills, Mass. This is said to be the first time six broadcasting stations ever have been connected by a wire line to operate simultaneously. The circuit necessary to connect the broadcasting stations will be 3,400 miles long.

The WOA station in Omaha will be connected with the telephone wire carrying President Harding's San Francisco speech, through arrangement made by the Northwestern Bell Telephone company.
