

Beatrice Fairfax PROBLEMS THAT PERPLEX.

Farm Woman Desires Work. Dear Miss Fairfax: I have a prob-

lem which I suppose many farm women have and, having been unable to solve it, am asking your help. I want some work to do at home in my spare time to make a little money. Perhaps some of your readers can suggest something practical. I have

thought of the auto knitter, but cannot be sure of them. Will some one who has one be so kind as to correspond with me. I can sew and do fancy work or most anything. Oh, I would be so thankful if I can find something to do to bring in a little in-

come. Would be glad to keep and give a mother's care to some one's children. I do hope I'll hear from some one. THANKFUL. Perhaps you could sell some of your fancy work through the Omaha Woman's Club Exchange. Write to Mrs.

Edward Johnson, care of the Woman's Exchange, 1517 Douglas street, Omaha. If any one desires to correspond with "Thankful" I can give her name and address. You might send the letter to me and let me forward it.

Pat and Mike: It seems to me that having deliberately let the first man go, you can hardly expect to get him back. You shouldn't have changed your mind so easily. I think you need to know whom you really do love and not to vacillate in such a silly man-

ner. You'll have to develop a little more conscience if you're going to quit flirting. Black Eyes: You are a very conceited young person. I think it is practically hopeless to think of joining the Polles. There are a great number of "very beautiful" girls who are "beautiful" dancers and who are much closer to New York than you are. Besides, the Polles isn't the most heavenly of existences. You are entirely too young to think of marrying. If you love all three boys equally then you don't really love any of them.

What a Bolt of Bright Ribbon Will Do for Your Sitting Room.

If your sitting room has a foundation color of blue or tan or gray or yellow, you may make a few simple articles of honeydew ribbon that will work wonders in the appearance of the room. Buy a bolt of eight-inch satin ribbon of the foundation color of honeydew, but having motifs in blue and green and clover. Use two yards of this ribbon to make a shade for the lamp, covering a plain wire frame, putting a little fullness in the ribbon as it is being sewed on.

Household Suggestions

Dandelion Leaves. Do not use the leaves of blooming dandelions for table greens. They are too old and will prove bitter.

Light and Fluffy. One chef says that he will insure the omelet to be light that is made with one-quarter teaspoonful of baking powder to every three eggs.

For Painted Walls. A splendid cleanser for painted walls is made of two ounces of borax in two quarts of water, one teaspoonful of ammonia. About half of this quantity should be used to each pall of water. No soap will be required.

Saves Your Disposition. If the paper sticks to the package of raisins, place them in the oven for a few minutes and you will be able to pull the paper off easily. It will also cause the raisins to separate and fall apart.

SAVED FROM AN OPERATION

Now Recommends Lydia E. Pinkham's Vegetable Compound

Washington, D.C.—"Lydia E. Pinkham's Vegetable Compound saved me from an operation which a physician said I would have to have for a very bad case of female trouble. My system was all run down for two years after my little girl was born. Then I read your wonderful medicine and decided to try it. I could hardly drag one foot after the other, and after taking six bottles of the Vegetable Compound I felt like a new woman. I now do all my housework, also washing and ironing, and do not know what real trouble is. My health is fine, and I weigh 140 pounds. When I started taking it I weighed 97 pounds. I gladly recommend Lydia E. Pinkham's Vegetable Compound to any one who is suffering from female trouble or is run down. You may use this testimonial for I am only too glad to let suffering women know what the Vegetable Compound did for me."—Mrs. Ina Hewitt, 1529 Penna. Ave. S.E., Washington, D.C.

Such letters from women in every section of this country prove beyond question the merit of Lydia E. Pinkham's Vegetable Compound.

Beautiful Hair Fascinates All

The hair fetishist, technically, is a criminal who cannot resist the temptation to steal hair; who cannot see a beautiful woman without being uncontrollably seized with a desire to snip a lock of her hair and carry it away. Yet the hair fetishist, criminologists say, is only abnormally afflicted with the same fascination for beautiful hair which all of us possess in milder form.

Features are unchangeable. Size and figure are more or less unalterable. But beautiful hair is within the power of every woman. Regular and thorough cleansing with FITCH SHAMPOO is the first requisite of a clean, dandruff-free scalp, and beautiful, healthy, glossy, lustrous hair. Without proper care and attention your hair is bound to be dull, thin and scraggly. Use FITCH SHAMPOO and your hair will be clean, colorful and altogether charming. The FITCH SHAMPOO is on sale at first-class toilet goods counters. In two sizes, 75 cents, \$1.50 for family package. Complete directions in package. Applications at leading barber shops. Our fine 16-page illustrated booklet, "The Secret of Beautiful Hair," mailed free to anyone on request. Address F. W. Fitch Co., Des Moines, Ia.
