

Carl Gray Says Big Farm Crop Traffic Is Due

Western Carriers to Handle Greatest Business in Their History, U. P. President Predicts.

By International News Service. New York, Aug. 2.—Western carriers will handle the heaviest farm produce traffic in their history during coming months, Carl Gray, president of the Union Pacific railway system, said today upon his arrival following a tour over his company's far western lines.

The potato crop, while not as large as last year, will be of better quality, he predicted. The corn crop, apples and fruit generally, is the best in several years, he said.

By Associated Press. New York, Aug. 2.—American railroads are today the most prosperous in their history, according to a statement by Julius Kruttschnitt, chairman of the Southern Pacific company, made public today.

He said his own company was in the middle of its best year. The net ton mileage for June and the first half of the year was 28 per cent higher than last year. The June net ton mileage was the highest in the system's history, substantially equalling the previous record made in 1922.

Revenues from carrying lumber increased from \$2,260,000 last year to \$8,920,000 in the first six months along the Pacific coast and from \$264,000 to \$2,331,000 on Texas lumber. Fruit shipments are expected to increase over 1922 about 50 per cent.

Second Wife of Civil War Veteran Dies Suddenly

Special Dispatch to The Omaha Bee. Tecumseh, Neb., Aug. 2.—Tabitha, 56, wife of A. D. Flanagan, resident of this city for the last 35 years, died suddenly Tuesday night at her home here from heart disease. She was the second wife of Flanagan, who is a civil war veteran and in feeble health. There are three sons, Earl of Littleton, Colo.; Frank of Topeka, Kan., and E. M. of Wymore.

Traces of Bacteria Are Found in Beatrice Water

Special Dispatch to The Omaha Bee. Beatrice, Neb., Aug. 2.—Because traces of bacteria have been found in water from the city wells, many consumers have begun to boil the water as a precautionary measure. Others are securing their supply from tested wells in the city, including the main well at the feeble-minded institute.

Man Buys Gage County Land for Low Price of \$80

Special Dispatch to The Omaha Bee. Beatrice, Neb., Aug. 2.—What is believed to be a very low price for land in Gage county was paid today by Charles Svoboda when he purchased the old Svoboda homestead northeast of Liberty at referee's sale for \$80 per acre. The farm, which consists of 150 acres, is well improved.

Showers Aid Corn Crop

Special Dispatch to The Omaha Bee. Beatrice, Neb., Aug. 2.—Showers fell in parts of Gage county today, giving relief to some fields in need of moisture. A general rain is badly needed at the present time for the corn crop.

Man Who Wounded Mother Held Insane

Board Declares Robert Thompson Irresponsible—Will Be Moved to Hospital.

Special Dispatch to The Omaha Bee. Fremont, Neb., Aug. 5.—Robert H. Thompson, 55, who recently shot his aged mother and brother following a quarrel over an alleged board bill played on the pavement. The Geneva and Tobias bands will furnish music and George R. Boomer of Lincoln will speak.

Black Bass in Lake Andes Are Killed by Epidemic

Special Dispatch to The Omaha Bee. Canton, S. D., Aug. 2.—Fishermen returning here from Lake Andes, which is the greatest black bass fishing resort in the state, tell of an epidemic among the fish which has caused the death of thousands. The nature of the malady is a mystery.

The fishermen report that the surface of the lake, which is one of the largest in South Dakota, was spotted with bodies of dead fish and that trucks were employed to haul them away.

Dairy Barn Burns

Special Dispatch to The Omaha Bee. Geneva, Neb., Aug. 2.—The dairy barn built by Dr. H. L. Smith at a cost of \$8,000 was entirely destroyed by fire, believed to have started by spontaneous combustion in the hay mow, where about 30 tons of alfalfa hay was stored. No stock was in the barn. Clarence Wilson, owner of the barn, carried between \$5,000 and \$8,000 insurance.

Antelope Trail Improvement Discussed With Engineer

Special Dispatch to The Omaha Bee. Randolph, Neb., Aug. 2.—At a meeting of representatives from towns in Cedar, Dixon, Knox, Wayne, Boyd and Pierce counties, held at Pierce, L. V. Devore of this place was elected president and William Eike, also of Randolph, secretary of the Antelope

Samardick Named in \$25,000 Suit

Wife of Sarpy County Farmer Charges False Arrest and Mental Anguish.

Robert Samardick, general mobile federal prohibition officer, was named defendant in a \$25,000 lawsuit filed by Eleanor Noersgaard, wife of a Sarpy county farmer, who charges him with false arrest.

Mrs. Noersgaard, in her petition, charges that Samardick and other officers unlawfully invaded and searched her home for liquor.

The officers, she says, chopped holes in her floor and wall and opened the gates to her farm and permitted the stock to run free.

Mrs. Noersgaard further charges that she had just returned home from a hospital from a lingering illness and terrorizing by the officers has caused her mental anguish.

Baptist Church Meeting Is in Session in Kearney

Special Dispatch to The Omaha Bee. Kearney, Neb., Aug. 2.—The Grand Island district meeting of the Baptist church is being held in Kearney. More than 100 out-of-town delegates are in attendance. Rev. J. L. Barton of Omaha is to conclude the sessions with his "Evening in Dramatics."

Fire Insurance Companies Will Protest Bryan's Plans

Lincoln, Aug. 2.—George Marsh, state auditor, has been advised that fire insurance companies of the state intend to file injunction proceedings to prevent Governor Bryan from paying part of the salary of L. B. Frye, state labor com-

Wife of Lincoln Chauffeur Tells Court of Conspiracy

Lincoln, Aug. 2.—Mrs. Fay Holmes, wife of a Lincoln taxi driver, who, with Dr. Clarence C. Herbert, a chiropractor, is charged with entering into a conspiracy to perform an illegal operation on a Lincoln girl, took the stand in the preliminary hearing and asserted she paid the doctor in order to get her husband out of trouble.

She asserted her husband confessed to his wrongdoing and gave her \$25 to pay the doctor. Mrs. Holmes testified she met the doctor on the street and gave him \$25, the price charged for the alleged operation.

Odell Farmer's Son, Who Ran Away, Is Being Sought

Beatrice, Neb., Aug. 2.—Officers here are looking for Bud Finch, 16, son of Charles Finch, Odell farmer, who disappeared from home Wednesday. The lad said he was going away because he had to go too far for the

Missioner, from mite assessments made on fire insurance companies in order to maintain a state fire marshal's office. Frye poses as the head of the fire insurance department, but according to Auditor Marsh, has spent but three hours since his appointment to this position in attending to the fire marshal's duties.

Milford Home Mothers Strive to Keep Babies

Special Dispatch to The Omaha Bee. Lincoln, Aug. 2.—Fully one-half of the mothers of illegitimate children, cared for at the State home at Milford are willing to face a cold world penniless in order to keep their children, according to a report filed with the board of control by M. Evelyn Meyer, superintendent. To do this, the mothers usually are forced to seek new surroundings in order to protect children from disgrace.

In the last year 160 have been state wards, and since the institution was established, a total of 1,373 girls have gone to this refuge, where they are obliged to remain a year in order to get training in some sort of work. In the last two years, the largest number received are domestics, numbering 29; school girls, 22; office girls, 22; girls living at home, 22.

Rural Mail Carriers Will Hold Meeting at Beatrice

Special Dispatch to The Omaha Bee. Wymore, Neb., Aug. 2.—Nebraska state convention of rural mail car-

riers will be held at Beatrice August 13 and 14 for the purpose of electing a delegate to the national convention to be held at Louisville, Ky., in September.

The New Hupmobile

We feel sure that every Hupmobile owner, or even observer, will agree with us that in order to dominate its field, the Hupmobile has only to improve upon its own past.

In this new Hupmobile, that triumph has been accomplished in every important essential—with results in performance so brilliant that they validate more strongly than ever its legitimate right to be called the best car of its class in the world.

We direct the attention of Hupmobile owners in particular to these results, which they can absolutely count upon in the new Hupmobile:—

Noted as the Hupmobile has always been for settling down instantly to smooth, steady straight-ahead going, this new Hupmobile has a coasting, skimming quality that surpasses any Hupmobile which has preceded it.

Prized as the Hupmobile has always been for smooth operation, this new Hupmobile is even more free from noticeable vibration.

Celebrated as the Hupmobile has always been for snapping away in the

flash of a second, this new Hupmobile is even quicker on the trigger than any Hupmobile before it.

Easy-riding as the Hupmobile has always been, this new Hupmobile—in front and rear alike—outdoes all of its predecessors in bump-absorbent spring action and restful riding.

Comfortable as the Hupmobile has always been, this new Hupmobile is more roomy and affords greater convenience to driver and passengers alike.

These magnificently improved performance qualities are produced by the engineering and other changes detailed below

The new Series R-12 Hupmobile embodies improvements in motor, clutch, and transmission, in addition to a longer chassis; and new body models throughout.

The net results of the engineering improvements are longer life, still smoother operation, better engine operating balance, an increase of power, and pronounced increase in acceleration and economy.

Heavier crankshaft, counter-balanced, with bearing areas 20 per cent greater. Light-weight alloy pistons and connecting rods.

Maximum increase in power, about 10 per cent.

New two-plate clutch affords silent gear changes at all speeds.

Transmission gears high carbon alloy steel, oil-treated and tempered—larger, heavier, longer-lived.

Wheelbase lengthened to 115 inches. Length of front springs increased to 37 1/2 inches; the rear springs are increased 5 inches, to 56 1/2 inches.

Frame now 6 inches deep. Five heavy cross members.

Spring shackle bolts increased 50 per cent in bearing surface.

Radiator 2 1/2 inches higher, improving both appearance and cooling efficiency.

Newest style full crown fenders.

Drum headlights on all models—nickel-plated on the special types.

Touring Car—Finish, new Hupmobile blue, striped in lighter blue. Top clear vision type, with no rear upright bow. Each storm curtain has rigid metal frame which prevents the curtain light becoming scratched or cracked, makes curtains

fit even more closely, and their installation much easier and quicker.

Roadster—Body entirely new. A fast, smart, rakish runabout.

Special Touring and Roadster—Steel wheels, nickel-plated radiator, headlights and cowl lights; scuff plates.

Sedan—A graceful sweeping curve marks the line where body and cowl meet; rear body corners gently rounded, windows reduced in height, and made wider. Upholstery very durable gray cloth, body hardware bright nickel. Equipment includes rear view mirror.

Coupe—Four Passenger—Gracefully rounded curves instead of bevels and corners. Upholstery, body hardware and equipment same as Sedan.

Coupe—Two Passenger—Roof slightly lower, space under rear deck increased.
