Women's New Fall Footwear

Fine Oxfords, Pumps and Slippers
 From I. Miller and other High-Grade Makers

Fashioned in patent leather, black or brown satin, light weight calfskin, brown calfskin. All for dress, semi-dress or street wear.

Special 4.95 Pair

The finest of leathers and fabrics are found in this lot of straight shoes. These shoes represent a value not to be associated with that of shoes usually found in a big sale. They have been designed and made for women who know and demand the best and who are willing to pay for the best. They are the best. I. Miller is the foremost maker of novelty shoes in America. His shoes are worn by women high in society and by a majority of famous stage and motion picture stars.
