

Envoys to Settle Corfu icense plates from his car parked at Fifteenth and Davenport streets last Dispute Is Held

ested

Without any undue deliberation Judge Lamson of Buffalo fined Mr. Schultz of Millard \$10 for smoking paper sack in the cupboard that con-tained powdered arsenate of lead, and which stood near the sack of flour ulated nation which has heretofore

night. The first three figures of his license, 1-24977, correspond with the first three figures of the license or the bandit car, as reported to police by Steve Andrews, a witness of the holdup.

Benolken and Rosborough, occupants of the pay car, were unable to council as "blunderers who rushe identify Emerson and Matsen as the in where angels feared to tread," J two men who held them up. Constant L. Garvin, in the Sunday Observed grilling by detectives failed to elicit charges that the foreign minister and any damaging admission from either man.

Boast Discredited.

"I didn't do it, but I could tell who did," Emerson is reported to have told his interlocutors. Police, however, discredit his statement.

The two men maintain that they the league dared to stand up agains went to Sixteenth and Nicholas France's late outrages in the Ruhr, says Garvin. "Furthermore, if there streets, from where they called the had never been a Ruhr invasion there taxi in which they later were arrested by Patrolman Ben Danbaum at ment of Corfu. the point of a gun, in connection with a "business deal" involving the pur

Willis Barger, assistant general dors at Paris has taken the Graeco manager of the Metropolitan Utilities Italian dispute out of the hands of district, said following the holdup that the league, and until the latter body the pay roll frequently was taken to is supported by a majority of the the filter plant without a police white race it cannot function effect tively and insure general peace. guard.

The money usually was in charge of Mike Mangold, an employe of the league, in submitting to the overdistrict, he said, but Mangold was off riding of its authority by the ambas luty Saturday. The United States Fidelity and ture which will lead to a peacefu

Buaranty Insurance company carried settlement, and therefore claims a policies on about \$8,000 of the amount stolen, it was learned, and the insur ince company has detectives at work n conjunction with police.

Police Commissioner Dan Butler de clared that detectives working on the case are virtually certain of the dentity of the men responsible, and that unless they have left Omaha they will be under arrest before morn

Senator R. B. Howell, general man iger of the Metropolitan Utilities disirict, stated that the money stolen vesterday from the paycar of his department is fully covered by insurance.

To Cash Checks.

Rosborough, assistant purchasing agent of the Metropolitan Utilities district, stated that the money was intended to be used in cashing checks of about 300 workmen.

"We take the money out to the men as a matter of convenience and cash the checks already issued to them," Mr. Rosborough explained. There was something more than \$9,500 of loot. We were unable to take the money out again to the men.

The men at Florence whose checks were to have been cashed are work ing at the filter plant, at the new pumps being installed and on the new roof being placed over the boller

William Baxter Goes

East to Attend Meeting William F. Baxter, president and eneral manager of the Thomas Kilatrick company, left Saturday to atend the national conference of the Unitarian organization.

Mr. Baxter is a member of the na tional council. He plans on spending three days in New York and four days in New Hampshire. While in New rk he expects to make some purses of new fall goods.
