Nuptials in Des Moines. Of great interest to Council Bluffs people was the wedding in Des Moines last Wednesday evening which united in marriage Miss Geraldine Hughes, daughter of Mr. and Mrs. John J. Hughes, who formerly lived here, and John Franklin Wilcox, Jr., son of Mrs. J. F. Wilcox of this city.

The wedding was marked with much beauty, the floral embellishments enhancing the home where the ceremony was performed by Rev. John Noonan and immediately followed by a reception on the lawn.

Mrs. Wilcox made a lovely picture in her bridal gown of white crepe, made very long and heavily beaded in crystals. She wore a smart little evening hat of white tulle and carried a shower of lilies of the valley.

Attending her as maid of honor was Miss Mary Mee of Oklahoma City who wore pale green taffeta, and the bridesmaids included Misses Louise Knott and Florence Ames of Des Moines, Katherine Dean of Oklahoma City and Frances Ouren of Council Bluffs. They were all gowned alike in pink taffeta with picture hats and carried old fashioned bouquets.

Eugene Cole of this city was best man and Lyman Hughes, small brother of the bride attended as ring bearer.

Forrest Bronson, Lloyd Murphy, and Charles Saunders of Council Bluffs and James Anshpan of Des Moines served as ushers.

Mr. Wilcox and his bride are now on their honeymoon and on their return will reside here.

Howard Cox. Announcements were received in the city during the past week of the marriage of Dr. Lloyd G. Howard of Council Bluffs and Miss Lucy A. Cox, daughter of Mrs. James Cox of Denver in which city the ceremony was performed Saturday, September 1.

Maurers Complimented. Mr. and Mrs. W. A. Maurer, who departed for Lake Okoboji after their marriage the middle of June, are being welcomed home by their hosts of friends here, and in their honor a supper is being given this evening by Mrs. Drayton W. Bushnell.

For Miss Allis. Honoring Miss Viola Allis, who is to be an autumn bride, Miss Mary Louise Finley entertained at a bridge on Monday afternoon. About a dozen guests were present and Miss Rodna Hughes had high score.

At the conclusion of the game Miss Allis was presented with a miscellaneous shower of gifts, after which tea was served.

Evening Bridge. En route from his home in Buffalo, N. Y., to Boulder, Colo., where he will enter college, Harvey Eschelmann spent a few days here last week with Mr. and Mrs. W. S. Stillman, whose son, Hugh Stillman, was a classmate of Mr. Eschelmann at Ann Harbor, Mich.

The Stillmans entertained very informally at bridge for their guest last Monday evening, and another out-of-town man at this affair was Edward Farmer of Alhambra, Cal., who is visiting Wilson Douglas.

Clarks Have Guests. Mr. and Mrs. J. A. Clark have as their guests Mr. Clark's brother and his wife, Mr. and Mrs. John C. Clark of Cornwall-on-the-Hudson, N. Y.

Friday these visitors and their host and hostess motored to Waterloo and are expected home from there today.

Several people are planning to entertain for the Clarks this week, among whom are Mr. and Mrs. Frank Garrett, Mr. and Mrs. Fred Hurd and Mr. and Mrs. Frank Binder.

Success in the East. Success in a large measure has come to Reynolds Gates, son of Mr. and Mrs. D. J. Gates of this city, who is associated with Joseph E. Howard and Ethelyn Clark in their pretentious vaudeville spectacle, "Etchings."

Federation Endorses Anti-Narcotic Film.

"Human Wreckage," photoplay fostered by Mrs. Wallace Reid in her national campaign against the drug traffic, has been reviewed and approved by Mrs. Thomas G. Winter, president of the General Federation of Women's Clubs, by Mrs. Anna J. H. Pennybacker, chairman of the Department of American Citizenship, and by Mrs. Harry Lilly, chairman of the division of motion pictures, according to the last named.

In a letter to Mrs. Carolyn Wagner, eastern representative of the Los Angeles Anti-Narcotic league, Mrs. Lilly writes:

"Human Wreckage" as a picture was as impressive at my third view of it as at my first, and did not lose its dramatic appeal by repetition. As a portrayal of the physical and moral degeneration of men and women in all walks of life consequent upon the acquirement of the drug habit, it rouses one from a passive acknowledgment of the existence of the evil to a determination to combat it.

"I commend the picture to the attention of all thoughtful people in the hope of informing itself as to the extent of the traffic in habit-forming drugs and impel it to support the efforts of organizations which are intelligently trying to control their sales without inflicting hardships upon the unfortunate victims of a degrading disease."—General Federation News.

Care of Ham. With the proper care, a whole ham will keep for some time. Keep cold and dry and leave in the original wrapping. It is not wise to serve any food too frequently, as some members of the family will tire of foods too frequently served. In planning the use of the whole ham, first use the slices for broiling, baked slice of ham, creamed ham, etc. Use the last half of the ham for baking in the piece. To prevent the ham from drying out after the first slices have been cut off, the cut portion may be covered with a thin layer of lard or vegetable fat, to keep soft.

Wild Duck. Before putting the wild duck in the oven to roast, squeeze lemon juice over it, rubbing it into the flesh. This will remove that fishy taste that so often spoils it for many people.

Household Hints. A pin cushion of brocade or damask will be found very useful as part of a desk equipment.

When using chintz in decoration don't overdo it. Curtains, one chair and possibly a stool covered with cretonne will adequately brighten a room.

Light color chintz is rarely appropriate for living rooms. Chintzes with mauve, blue, gray or black backgrounds are better.

Egg stains on spoons are removable with dry salt.

Lamp wicks which have been dipped in vinegar and thoroughly dried will not smoke.

Where the Working Girl Owns Her Own Clubhouse.

There is a business club in New York city bought, managed and maintained by girls. It is the Girls' Community Club Marshall, now 4 years old, located on East Thirtieth street, run in co-operation with the Association to Promote Proper Housing for Girls. The club occupies three houses "with a hopeful look toward a fourth" on one side of the street and four houses directly opposite. Its resident membership is 120 girls and many more who enjoy its privileges by paying a very nominal yearly dues. It is self-governing and self-supporting and offers what young business women in a big city should have—good, safe sleeping quarters, food, and sociability, at nominal cost. The members are paying \$50,000 for the buildings and will have it paid out in 10 years, principal and interest, from the income derived from the club.—General Federation News.

FLEISCHMANN'S YEAST FOR HEALTH CONTEST

Prize winning reports soon to be announced—number of contestants greatly exceeds expectations

Every mail brought entries by the thousand to the Fleischmann Health Contest . . . . Judges swamped with work ask postponement of announcement for two or three weeks

REPORTS on "What Fleischmann's Yeast has done for me" have been received from every state in the Union, thus assuring a nation-wide participation in the Contest.

And these reports have come from schoolgirls of fifteen and grandfathers of seventy—from farmers, lawyers, teachers, firemen, housewives, business girls—from people of almost every age and in almost every walk of life.

The Contest closed August 15. The judges have been steadily at work ever since—reading, comparing, deciding the merits of each report. But so immense has been the amount of work involved that it will be necessary to postpone for a short time the final announcement of the prize winners.

We are sorry for the judges! But we are much pleased over the results of the Fleischmann Health Contest, which have been astonishing, far exceeding our expectations.

We knew, of course, that the use of Fleischmann's Yeast for health was nation-wide. The report of our field force from every part of the country, as well as our sales figures, told us that, and many letters in the past have come to us to tell us the same story.

But it is a most gratifying and impressive experience to have thousands upon thousands of men and women send in personal reports to tell us how their lives have been brightened by

the use of this simple fresh food, Fleischmann's Yeast; how they have been relieved from constipation and all of its attendant evils—from skin and stomach troubles, from depressing lack of strength and vitality.

"My friends actually stop me on the street and ask me what wonderful thing has happened!"

"It accomplished in six months what I had failed to overcome in six years!"

"I was skeptical when I first heard of it, but today I would not take ten thousand dollars for what Fleischmann's Yeast has done for me!"

Such phrases by the hundreds from people far and wide reflect the new importance of Fleischmann's Yeast in correcting many common disorders and in restoring many of their victims to buoyant health.

The 153 prize-winners will be announced in this publication the latter part of this month. Meantime we want to thank each of the thousands of participants in this great Contest, and to assure them that each report is receiving most careful consideration.

If you have never eaten Fleischmann's Yeast, send for a free copy of our latest booklet, "The New Found Value of Fleischmann's Yeast in Building Health". THE FLEISCHMANN COMPANY, 701 Washington Street, New York.
