One of the striking scenes of the Biblical prologue of the new production, "The Ten Commandments." It shows the children of Israel constructing the city of Rameses II. More than 2,500 persons participated in the making of the prologue of this production.

She is No Longer Fat

She found a way to reduce her fat. It was a way far more pleasant than dieting, exercising or the application of absurd greases and salves would have been. This new way allowed her to eat foods without danger of becoming fat again.

She found Marmola Prescription Tablets. They aid the digestive system to obtain the full nutriment of food. They help Nature to burn food into muscle, bone and sinew instead of fat.

Marmola Prescription Tablets are made from the famous Marmola prescription. Thousands have found that these handy tablets give complete relief from obesity. And when the accumulation of fat is checked, reduction to normal, healthy weight soon follows.

All good drug stores the world over sell Marmola Prescription Tablets at one dollar a box. Ask your druggist for them, or order direct and they will be sent in plain wrapper, postpaid.
