The Correct Corset

The Foundation of the New Wardrobe

Fashion has designed beautiful apparel, but successful grooming consists of more than beautiful, stylish clothes. It demands the charm and poise which can be achieved only through correct corsetry. Here expert corsetiers analyze your individual needs in the seclusion of private fitting rooms and determine the type of corset best suited to your figure. Our wide assortment included such well known makes as

Gossard, Roberta, Lily of France, Binner, Rengo Belt, Memo, Francettes

Second Floor

Smart Shoes

The well dressed woman is of necessity well shod. Shoes with a high instep formed by closely interwoven straps are Fashion's favorite for fall. Important footnotes are the rounded toe, higher heel and new wood tones. We feature

Dresses for Every Occasion

Street frocks, afternoon costumes and formal and informal evening gowns — each beautiful in its own particular fashion. Women will be enthusiastic to see and to know that the circular trend, whether revealed in tiers or apron effects or in a rippling cavalier's cuff, together with lengthened sleeves, is fall's outstanding feature. Among new and favored fabrics we mention:

Chassinette, Charmeen, French Twill, Satin Crepe, Brocaded Crepe, Saloma

Coats

Very straight and slim, or flared in circular effect, are novel in design, featuring the slender silhouette. Massive collars and deep cuffs, and oftentimes trimmings of—

Black Fox, Kit Fox, Mole, Beaver, Gray Squirrel, Pearl Fox, Fitch, Viatka Squirrel

add immeasurable beauty to finest pile fabrics:

Oriona, Cordova, Marvella, Fashona, Ormanda, Lustrose

Third Floor

Suits

An entrancing mode of silky soft fabrics which partake of slim lines and show an abundance of fur. The skirt, saving made a dress of itself, is worn with ease and distinction when one's jacket has been removed. Or
