

### Omahans Thanked for Relief Funds

#### Red Cross Director Explains Purpose of Drive to Triangle Club.

David Tilley of Chicago, director of war service work for the American Red Cross, spoke to members of the Triangle club yesterday noon at Hotel Fontenelle, on the Japanese relief work.

He complimented Omaha on raising the quota assigned with little personal solicitation and stated his belief that the national minimum will exceed \$5,000,000, which was the objective set when the drive was started.

Mr. Tilley said that not one cent of money received for Japanese relief will be used for administration; every cent will be expended for actual relief. The American Red Cross headquarters, he explained, will work with representatives in Japan in disbursing the money according to the needs of the situation.

**Not Bankrupt.**  
Walter Sorenson Tuesday filed an application in Council Bluffs federal district court for permission to withdraw a voluntary bankruptcy petition filed August 21. His petition to the court says that his creditors have agreed to permit him to do this, without forcing him into involuntary bankruptcy.

#### County Official and Youth Hurt in Motor Car Plunge

Scott Millard, deputy county treasurer of Hartington, Neb., and Edward Cahow, 17, son of Mrs. Gertrude Cahow, Forty-ninth street and Military avenue, Omaha, are in Mercy hospital, Council Bluffs, as the result of an automobile accident early yesterday on the Lincoln highway about a mile north of Council Bluffs.

Both men were riding in a Ford coupe, which Millard was driving. In turning out for another machine, the car plunged into a bank of earth and was demolished.

Millard suffered a broken shoulder. Cahow was injured internally.

#### Former Bank Clerk Held Here for Frisco Robberies

Earl Wilson, 1906 Jones street, former clerk in the federal reserve bank here, who was reported several months ago to have confessed to participation in apartment house robberies in San Francisco totaling \$10,000, was arrested by Omaha police Monday.

He is being held for investigation while local police check up with San Francisco authorities to see if the charge against him there has been cleared up.

### AT THE THEATERS

BOYD SENTER, well-known Omaha musician, is scoring a success in his vaudeville debut at the World theater this week. Senter is a kinsman upon the saxophone and clarinet and for good measure plays the cornet, trombone and violin.

Walter Johnson, who plays in Barney Gerard's "Vanities," this week's attraction at the Gayety theater, is a well known producer of musical revues of international repute. He is as well known in this work in England and Australia as he is in America. Several of his productions are playing in London at present. As an extra feature Thursday night there will be a musical paper content, serious, each prize being awarded the Omaha girls with the most unique paper costumes. The audience will serve as judge and jury.

The management of the Brandels theater announce the coming of George M. Cohan's international success, "So This is London," which will open the fall season on next Thursday evening. The local engagement is for three nights with a Saturday matinee. This cleverly contrived comedy has contributed materially to the gaiety and good-feeling of Great Britain and America. Beautiful Homes  
TO HAVE a beautiful home is the ambition of every woman who has the least home-making instinct.  
That does not mean that the home has to be a mansion or a house, for even a small apartment may be beautiful and homey.

Even if your present decorations are tasteful and home-like there comes a time for a change—a change of scenery, a change of season, a change of viewpoint—all these things are possible within the same four walls.

Often the change may be produced by introducing new colors into your rooms, by adding a new piece of furniture or so, or perhaps a complete change of the entire furnishings.
