Two weeks later the entire thumb was removed. Infection set in recently and he has gone to President Is Told Rochester, Minn., to have his arm amputated, which, according to physicians, is necessary to save his life.

Milwaukee Will Show Big Electric Engine

One of the new, high-powered, bi-olar, gearless, electric, passenger ocomotives now in use on its west ern lines will be exhibited in Omaha by the Milwaukee railroad on a track at Tenth and Jackson streets September 25, 26 and 27.

This locomotive, the most powerful type in the passenger service, is 76 feet long, weighs 452,800 pounds, has a total tractive effort of 48,500 pounds and a tractive effort available at starting of 123,500 pounds. The bipolar giant is driven by 12 motors. with a total power rating of 3,200 horsepower.

Attendants will be in charge of the locomotive while it is on display here to explain its features. When traveling down hill the motors are converted into generators and feed power

Still getting encores

Jimmla Cooper, who heads his own show, 'Jimmie Cooper's Revue,' at the Gayety theater this week, is not only the youngest actor, manager, producer on the Columbia circuit, but is a graduate lawyer as well. His engagement opened last Saturday and so tremendous has been the attendance than an extra performance will be given, starting at 11:30 Thursday night, in an effort to provide seats for the throngs turned away at every performance. The daily matinee begins at 2:15, but seats should be procured in advance.
