

Iowa Furnishes Chicago Butter  
Waterloo, Ia., Sept. 22.—Iowa sup-

plied the Chicago market with 16.2 per cent of all the butter received in the windy city last month. A total

of 2,590,212 pounds of Iowa butter was shipped to Chicago in June, ac-

cording to the records of the Iowa Creamery Secretaries and Managers' association.

In 1922 the state's creameries brought \$48,482,805 into the state from the sale of butter in markets outside Iowa. New York City re-

ceived 43,459,000 pounds of Iowa but- ter last year and Chicago 40,735,000 pounds.

Shoppers in the more crowded de- partments of the big stores in Paris now have to procure numbered tickets from the floor-walker and wait their turn till the clerk is free to serve them.
