Presidency May be Aim of Walton

Opponents of Oklahoma Governor Say He Aspires to Fill Chair in White House.

May Appeal to Coolidge

Oklahoma City, Okl., Sept. 23 .-Presidential intervention to "preserve a republican form of government in Oklahoma" will be sought as the last recourse of the legislative quorum of the house of representa-tives now seeking to assemble itself for the purpose of impeaching Gov.

J. C. Walton. That, tonight, was the avowed intention of a group of leaders of the movement to depose the governor in event his orders to the military are carried out and the legislators are dispersed without being able to con-

I dedure through the courts will still be resorted to, but by the more impatient wing of the house it was urged that President Coolidge be appealed to direct for intervention and designation of a federal military court of inquiry to sift evidence for the 'real facts in the case."

The Walton-called "lawless legislators" deny the real issue is rooted in the invisible empire. The issue is Walton's mad dream of despotism. autocracy, of ambition to ride like a man on horseback to a seat in the United States senate.

Would Be President, Claim. an abundance of them in the Ku Klux aspires to the presidency itself.

They put that out to show that the klan is not the real issue, but that political covetry is the actual inspiration of the "war."

object, no desire but that of destroy ing the power of the Ku Klux Klan in Oklahoma. And insofar as moder ate survey of the present situation is able to indicate, he is in the saddle

C. D. McBee, leader of the legislative quorum, said tonight that his or. Progressive Grocers and Butchers' asganization would try in every way to sociation, according to J. J. Cameron, meet peaceably and quietly and reit- secretary of the association, last erated the assertion that force would night. not be met by force either in offensive or defensive tactics.

McBee charged that every form of coercion and duress and threat was being thrown in the way of legislators to prevent their coming here for the

assembly Wednesday. Soldiers Are Active.

Descent of Man Story to Please

Biblical Account of Downfall young people were killed. Merely Simple Way to Reveal Truth, Says Dr. Kuhn.

"Our 20th century conscience has nothing to add toward the deep rid-dle of life," declared Rev. Albert Kuhn, pastor of the Bethany Presbyterian church, during his Sunday norning sermon.

Rev. Mr. Kuhn was preaching the "The story of the tree, the forbid-

the world," said the pastor.

"We should not forget, however, that the story is the expression of primitive faith; it is a symbol of "From the enshrouding sadness of

of God in simple stories of the sower and the shepherd and the merchant and the landlord, even so the first book of the Bible talks of the beginning of trings like a picture book ficers will have the necessary time addressed to the minds of children. to chase fleeing bootleggers there-

meaning that is hidden behind these closing night will be next Saturday. simple symbols, not to dispute and to quarrel about the question whether spared in the attempt to make this there was an 'honest-to-goodness' appure food show the greatest in Oma pic tree and a snake that could talk, ha's history," Mr. Cameron said. ha's history," Mr. Cameron said Such disputes are like a quarrel "The members of the Progressive about the kind of in Shakespeare wrote 'Hamlet' with: it is not the material symbols that matter, but the spiritual things which are symbol-

"The story of the fall of man voices the conviction in the hearts of ancient peoples, that the evil which we meet in the world is not the expression of God's law of nature, but the result of the disregard of that law through human beings who have been given by the Creator the option of obedience or disobedience.

"They stood before the riddle of in as we are standing before it. They had the alternative of believing that what we feel to be evil was it was an infraction of the law of nature. They listened to the voice of conscience and decided that evil was something which did not issue from the will of the Creator but in some way entered life to thwart that

"Has our modern mind, our 20th entury conscience, anything new to add toward the solution of this deep riddle of life, the existence of evil in the face of the goodness and omni potence of God? I think not."

25,000 Are Attracted

Albion, Neb., Sept. 23 .- There was a ecord-breaking attendance at the Soone county fair, the crowd being between St. Edward and Scotia re sulted in a victory of St. Edward, 7 to 4. A snappy football game was played by the high school teams of Schuyler and Albion, which was won by Albion, 26 to 7.

The 2:28 trotting race was won by Packer Ritts. Best time, 2:26 2-5. The 2:17 pace was won by Tramptrue. Best time, 2:21. Author of Pageant Prologue

Mrs. Miller's Prologue to Memorial Pageant

Colorado Springs, Colo., Sept. 23.—A notable contribution to the Woman's party pageant celebration has been made by Mrs. L. A. Miller, poet laureate of the state of Colorado. Mrs. Miller has written a prologue, which will be given in the Garden of the Gods, in the shadow of Pike's Peak, west of this city. This verse expresses the attitude of the Woman's party toward the great women of the past who led in the struggle for equality for their sex, and the confidence with which the Women's party looks to the future for the realization of the "equal rights" program Rev. Mr. Kuhn was preaching the second of a series of sermons on the first book of the bode. It is entitled, if they could.

"The First Sin."

"Her subject was, "Go Slow: Dan-

Fire Hose Is Used to Quell Riot

> Police Are Called to County Jail to Quiet Prisoners Who Demolished Furniture in Outbreak.

Long Termers Leaders

The threat of firearms failing, deectives and patrolmen who answered a riot call to the county jail at 11:30 Sunday morning, when a tier of mutinous prisoners instigated a riot that was feared might develop into a fail break, finally restored order by playing streams of cold water from fire hoses upon the rebels.

Among the revolting prisoners wa William Mattsen, recently held in connection with the Metropolitan Utilities district payroll robbery, and who was sentenced to six years in the state penitentiary on pleading guilty to breaking and entering the I. Berkowitz Fur store over a year ago. The rebellious tier demolished benches. tollets, lights and everything they ould lay hand upon.

The disturbance began at about 11, according to Jailor Joseph F. Sherry. Sherry, assised by his two turnkeys, attempted in every possible way to restore order, but was finally forced o send a riot call into central sta-

Police Pick Up Squad. At the time the call was received at the station there were only three officers on hand to answer it. The police emergency car made a quick circuit through the downtown district, picking up every patrolman or detective in evidence. About 10 policemen, armed with sawed-off shotguns and led by Detective Aughe,

finally reached the jail. Prisoners only jeered at the threats of the officers to open fire with their guns. As another solution, officers turned the fire hoses upon them,

finally obtaining order.

Joseph F. Sherry, jailor, declared tonight that the affair was nothing. He said that minor outbreaks of the sort were not infrequent among the prisoners. No great amount of dam-

age was done.

"Most of the men in the tier whiche caused the disorder today," he stated, "are men with long sentences in the tiary, who are boarded here because there is no oom at Lincoln for them. merely a demonstration to show their impatience and disstrisfaction.
