

Congregational Meet a Success

Rev. W. A. Tyler Named Conference Superintendent to Succeed Rev. S. J. Hanford.

Plainview, Neb., Oct. 4.—With a program considered one of the best it has had in its history of 67 years, the Nebraska Congregational conference was to close here Thursday evening with an address on "World Friendship," by Dr. Nehemiah Boynton, ex-moderator of the national council.

Probably the most outstanding feature of the conference was the stirring addresses delivered by Prof. Charles Foster Kent of Yale university. Pastors and delegates from all parts of the state will return to their fields inspired by the two addresses he gave, "Jesus' Definition of the Basis of Happiness," and "The Foundation of a Working Religion."

Dr. Frank G. Smith, pastor of the Central Congregational church, Omaha, said that the conference was one of the best he had ever attended.

After 18 years of service as state superintendent of the conference Rev. S. J. Hanford resigned, and Rev. W. A. Tyler was elected to take his place. The ministers and delegates passed a resolution of appreciation of the long and faithful service of Rev. Mr. Hanford.

Rev. E. J. Frickey of Albion was elected moderator of the association.

Fremont Fails in Effort to Get Lower Fire Rates

Fremont, Neb., Oct. 4.—Attempts to secure a reduction in rates for fire insurance in Fremont have proved futile thus far, according to an announcement made by Fire Chief Harry Morse. The state fire inspector, in ruling on a petition for a reduction, declares Fremont must still remain in class 6 of the state requirements.

The chief reason for the denial of a reduction was the present water system and the lack of sufficient pressure. Several hydrants must be replaced and additional paid firemen must be kept on the job at all times, the inspector ruled.

Recent improvements in the water system, including the addition of new loops and an extension, induced the fire chief to seek a reduction in the rates.

Man Held for Theft From Express Co. at Orella, Neb.

Quincy, Ill., Oct. 4.—An express company detective from Cincinnati, O., was here seeking to identify S. O. Pindexter, arrested here for thefts from the company at Orella, Neb., as the "E. E. Paisly" who left Stinesville, Ind., in 1920 with \$200 in express funds. Pindexter, it is alleged, used the name of E. E. Paisly while with the company as a relief man in Nebraska.

Pindexter was taken to Dawes county, Nebraska, by the sheriff from there. He has given further information regarding the location of jewelry stolen there, officers said.

Methodists at Madison Bid Farewell to Pastor

Madison, Neb., Oct. 4.—A large number of friends of Rev. Allan Chamberlain, pastor of the Methodist church at Madison for the last five years, gathered at the church to extend to him and his family their best wishes, as he goes to Loup City to enter upon the work at that place. After a program and the presentation of an elegant chair as a token from his friends in and about Madison, refreshments were served in the parlors of the church.

Alfalfa Seed Worth \$7.500

Is Produced on 100 Acres Lemmon, S. D., Oct. 4.—F. Umbach, a farmer of this district, this season raised \$7,500 worth of alfalfa seed on 100 acres, this being an unusually good return. In addition to the seed, he has harvested several hundred tons of alfalfa hay, which is worth about \$10 a ton.

Umbach estimates his alfalfa seed crop at 15,000 pounds. Besides being a heavy grower of alfalfa, Umbach is a breeder of pure bred hogs and cattle.

Admiral Wiolds Scrapping Torch

As a preliminary to scrapping of surplus U. S. navy ships in Brooklyn navy yard, Admiral Charles Plunkett, with torch, showed bidders how to do it.

Danish Lutherans to Meet in Fremont, 1924

Fremont, Neb., Oct. 4.—The United Danish Evangelical Lutheran church of America will hold its 1924 annual national convention in Fremont, according to word received here by Rev. James C. Peterson, pastor of the local Danish church.

The national body, with nearly 1,000 delegates, will assemble in Fremont in June. A special tabernacle to house the convention is the plan of the local congregation. Committees are already being appointed to make preparations for the convention.

The central committee is composed of C. H. Christensen, chairman; Roy Lang, E. E. Bertelsen and John Brandt.

Fremont was chosen as the site of the convention in response to an invitation from the local church, its central location and railroad facilities. In addition to the delegates to the sessions from all parts of the country, plans are being made to receive 2,000 more visitors and laymen.

Nuckolls County Woman's Clubs Meet at Superior

Nelson, Neb., Oct. 4.—A delegation of 20 women went to Superior to attend the third annual convention of Woman's clubs in Nuckolls county, the Superior club members being hostesses. The meetings were held in the Methodist church and presided over by the local president, Mrs. J. R. Parsons, with Mrs. Ina Lionberger of Superior, district president, and Mrs. H. F. Hoie of Fairbury as guests of honor.

Outstanding features in entertainment were the one act playlet, "Art Clubs in Art Clubs," put on by the Hardy club, and a physical culture drill by Superior club.

Aurora Pastor Weds.

Aurora, Neb., Oct. 4.—The wedding of Rev. M. P. Mulvaney, pastor of the Methodist church, and Miss Blanche McKee, took place at the residence of Mr. and Mrs. Charles H. McKee, parents of the bride. Rev. Mr. Mulvaney was formerly principal of the schools at Hampton and filled the Methodist church pulpit on Sundays. His bride was a teacher in the Hampton high school last year.

Five at Albion Fined for Stripping Autos

Albion, Neb., Oct. 4.—A charge of petty larceny was filed against William Meisback, Quenton Clark, Archie Dahlsted and Roy Wurtzel, young men of Albion, and they all pleaded guilty after being run down and the stolen property found in their possession.

They admitted having overturned a car belonging to S. V. Parrott, smashing it up pretty badly, and then stripping it of tires, tubes and battery. The court ordered that they make restitution to Mr. Parrott in the sum of \$68, pay the costs amounting to \$14 and each pay a fine of \$20.

A similar charge was filed against Edward Roberts, who admitted the theft of cushions and side curtains from a new car. He was fined \$20 and costs.

There has been considerable of this kind of pilfering going on here for some time, and the officers have been on the trail of the offenders.

Former Lead (S. D.) Publisher Quits Consular Service

Lead, S. D., Oct. 4.—Friends here have been advised that T. D. Edwards, former publisher of the Lead Daily Call, who during the last 18 years has been in the consular service of the United States government, has tendered his resignation as United States consul at Cornwall, Ont.

Colonel Edwards was United States consul in Mexico during the various revolutions in that country and had a strenuous time protecting American and their rights. Upon retirement from the consular service, he and his wife will visit the central states for a time, and then will again take up their residence in Lead.

Wyoming Stock Is to Be Shipped Soon

James P. Jensen of Big Piney, Wyo., a visitor at the stockyards, said the grass in his section was fine this season and cattle in excellent shape.

"There will be a large number of cattle around Big Piney shipped to market soon," said Mr. Jensen. Some of the raisers will clean up all they have. Most of the cattle will be shipped east and Omaha will get its full share.

"The cattle have started moving out of the mountains and shipment to market will start about the middle of this month. Hay is plentiful and cheap as the wet weather insured a big hay crop."

Hired Man Shoots Farmer and Is Shot by Neighbor

Sidney, Neb., Oct. 4.—Joe Pokorney, farmer living southeast of Sidney, was shot at his farm home by a hired man who had been living at the Pokorney home. The hired man, named Shipley, was in turn shot by a neighbor, Mr. Hall. Pokorney was shot through the groin and Shipley was shot through the right hand. Both were brought to Sidney for medical attention. Shipley was lodged in jail. Both are expected to recover. No cause was assigned for the shooting.

Outstanding features in entertainment were the one act playlet, "Art Clubs in Art Clubs," put on by the Hardy club, and a physical culture drill by Superior club.

THE BRANDEIS STORE

Our 1923 Progress Sale Begins Monday, October 8th

Someone has written: "Success can't be inherited—if you've been handed power or wealth and can't reproduce it of your own accord, you're worse off than the man who had to build both for himself. He can repeat his fortune because he has the tools of experience with which to re-create."

In the remarkable progress of The Brandeis Store the "tools of experience" have played an important part. Built upon a substantial foundation, the cornerstone of which is comprised of integrity and fair dealing, this institution has grown with the passing years. Today it is recognized as one of the mercantile marvels of the country. This may appear like a boast, but inquiry in the commercial circles of the world will demonstrate its justification. With agents in every section of our own country and offices in every market of the world, its reputation is worldwide and its affairs touch every commercial center. So broad and extensive is its sphere of activity that The Brandeis Store figured conspicuously in the news reports of the earthquake in Japan. One cablegram announced the complete destruction of The Brandeis Store office in Yokohama. This was followed by another in a few days to the effect that the office had been opened in another town in Japan and was already in operation.

The facts concerning the growth of this institution are admittedly remarkable, and we feel that we may, with propriety, refer to them for, in a larger sense, they constitute a tribute to the growth and development of Omaha and the surrounding territory whose resources and progress have made possible the remarkable growth and progress of this institution.

For these reasons, therefore, we have chosen for our great selling event which will begin Monday, October 8, the significant name:

Our 1923 Progress Sale

Inspired by the generous support given us by the buying public of Omaha and vicinity, we are determined to make this sale one of the high marks in our history of value giving. J. L. BRANDEIS & SONS.
