Cornhuskers Fall Before Rush of Illinois Team; Are Outplayed From First

Illini Outplay Huskers in the Opening Game

Nebraskans Finally Go Down to Defeat by 24 to 7 Score, but Only After Putting Up a Stiff Battle.

Urbana, Ill., Oct. 6.—Nebraska was outplayed from any angle that is considered in the game which opened the season for both Illinois and the Cornhuskers here this afternoon but Coach Dawsons machine got just what it needed to carry it through the rest of the season victorious—an excellent lesson in football.

The final score indicates the present superiority of Bob Zuppkes Illinois and the statics bear out the score in this respect. There's no use painting the lily. But withal Coaches Dawson, Schulte and Frank got just what they wanted—a chance to see their charges under fire against a strong team early. After the game Coach Schulte said, "Those linemen are all right, they are green now but they'll come."

The first quarter was as pretty a battle as you could find in a day's walk; Nebraska was within striking distance once, when, after being forced to punt, Llewellen booted the oval 40 yards, Grange fumbling and Nebraska recovering on Illini's 40-yard line.

Noble gained 13 yards in two successive tries at the Illini line but he fumbled on the third play and Illinois recovered on its 21-yard line. After carrying a sustained attack to Nebraska's 38-yard line Britton dropped back and tried for a place kick, but it was wide. From then until the quarter ended neither goal was seriously menaced and the period closed with the ball in Illinois possession on its 45-yard line.

To start the second quarter, Britton punted and H. Dewitz was downed in his tracks on Nebraska's 4-yard line. Llewellen punted 40 yards to Grange, the fleet Illinois sophomore back who was the sensation of the game, and

Good Games Mark First Day of Big 10

Upsets and near upsets, the thrill factors in football as well as in other sports, marked the opening of the Big Ten conference grid season today.

The brilliant victory of the University of Illinois eleven over the Nebraska Cornhuskers by a score of 24 to 7, was regarded as prophetic of Coach Zuppke's strong bid for the conference title.

Of all the victories by the Big Ten schools, Illinois' decisive reversal of the dope was perhaps the most surprising. Harold Grange and Earl Britton were the Illinois heroes of the contest. Three times Grange crossed the Nebraska line for touchdowns. Once he made a beautiful broken field run for 55 yards and touchdown and repeated with a 35-yard dash for another. The other touchdown resulted from a 28-yard forward pass from Britton.

Chicago won its second start of the season from the Colorado Aggies, 10 to 0. The Maroons had the Aggies constantly on the defensive but failed to get one "earned" score. Their only touchdown came in the first quarter as a result of a blocked kick

Northwestern Uses Passes.

Northwestern was forced to resort to forward passing to defeat Beloit college, 21 to 6, in a game that was just one penalty after another. It was only in the last quarter that the Northwestern offensive really got

Americans Are Polo Champs

Westbury, N. Y., Oct. 6.—The open polo championship of the United States came home today.

Undefended by the "four horsemen of the Argentine," who were unable to come here to defend the title they won last year, the championship was contested for by the British army team, which went down to a glorious defeat before the Meadowbrook club, 12 goals to 9.

The teams went into the last period tied at eight goals each and as the lead wavered, first to the British, then to the Americans, spectators stood up in their boxes and cheered wildly.

In that last period, Melville, of the British army, first scored a leading goal, but in less than a minute Hitchcock had tied the score. Then Milburn, with one of his typical long drives, sent Meadowbrook into the lead. Hitchcock and Belmont then co-operated in [illegible] the American score 12.

Lieut. Col. T. P. Melville, the 120-pound number one of the British team, made the noted Devereux Milburn appear helpless at times. Melville rode through and around the bulwark of the American defense for seven goals, while his riding opponent made only one.

R. E. Strawbridge, jr., was Meadowbrook's feature.

Colorado Wins Over Rivals.

Boulder, Colo., Oct. 6.—The University of Colorado smothered the Western State Normal College of Gunnison, Colo., here today, 51 to 0, in the opening game of the season. Colorado began to substitute early and not a regular remained in the lineup at the end of the first quarter

Denver's Drop Kick Wins.

Denver, Colo., Oct. 6.—A drop kick by O'Connell in the third quarter gave Denver University a 10 to 7 victory over the University of New Mexico eleven here today.

A series of passes, Williams to Boyd, took the ball to New Mexico's five-yard line in the first period and Williams plunged over a touchdown. He kicked goal.

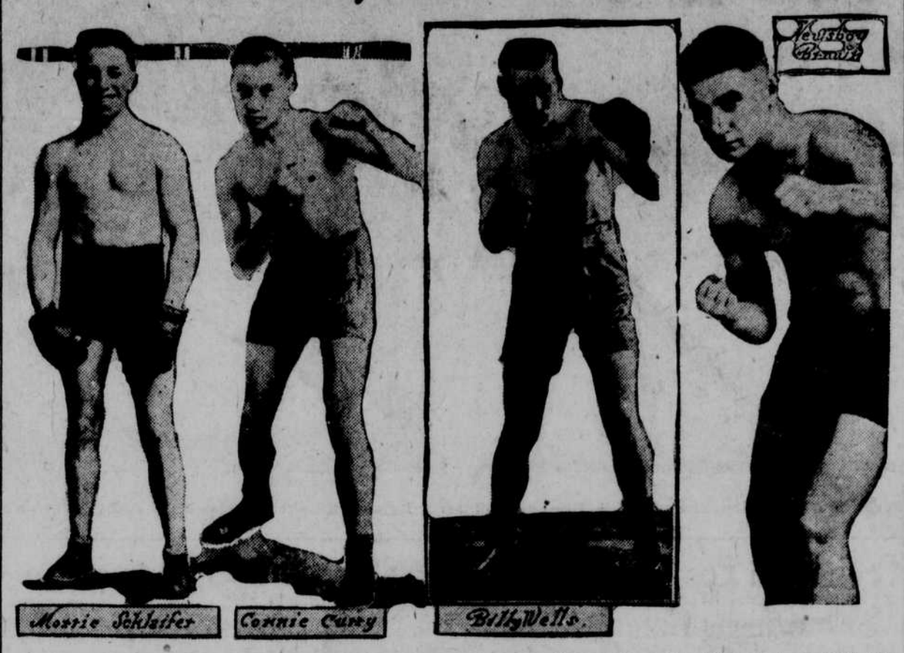
Captain Jones and Popejoy of New Mexico took the ball down the field in the second period on a series of line plans and Jones plunged through for the tally, and kicked goal.

O'Donnell's drop kick from the 28-yard line in the third period gave Denver a three points lead that it held until the final whistle.

Hastings Wins, 9 to 7.

Kearney, Oct. 6.—Hastings college defeated the Kearney State Teachers' college here this afternoon in a close, well played game by the score of 9 to 7. In the first quarter Hastings scored their touchdown, but were unable to kick goal. The second quarter was scoreless and in the third quarter Kearney pushed over a touchdown, the result of some sensational forward passes and end runs. In the next few minutes of play a punt by Kearney went bad, being blocked by a Kearney player, the ball going to Hastings on Kearney's 20-yard line. Hastings kicked a final goal immediately.

Fists Will Fly When These Lads Clash



Here are the principals in the two big bouts which will be held at the Auditorium Monday night.

Morrie Schlaifer of Omaha fights Billy Wells of England in the main event and Newsboy Brown of Sioux City tackles his home-town rival, Connie Curry, in the semi-windup.

Aggies Lose Great Game to Maroons

Play Even Game Despite Defeat at Hands of Chicagoans.

Chicago, Oct. 6.—Although defeated 10 to 0, the Colorado Aggies football team played the University of Chicago a nearly even game at Stagg field today. A blocked punt recovered by Henderson gave Chicago its touchdown and Rohrke added three points with a drop kick from the 28-yard line.

Two Chicago players, King at centroons in the shadow of their goal posts and in the third period Colorado made five straight first downs to Chicago's 18-yard line but there the Maroons stopped them when Aggie passes failed.

Reid and Houser carried the chief part of Colorado's offensive and Houser's punting played a large part in protecting Colorado's goal line.

Chicago opened a characteristic plunging attack in the fourth period but Colorado stopped it on the Aggies' four-yard line.

Two Chicago players, King at center and Dickson at end, were injured and it was said that they might not be able to play again for weeks.

Peru Wins Again.

Peru, Neb., Oct. 6.—Peru sent another Missouri team back home defeated when Graf's Bob Cats won the annual game from Tarkio by a score of 21 to 7. Coach Graf tried out many of his candidates in the last quarter. Tarkio never was dangerous until the Missourians opened up a passing game in the last quarter. Four straight passes carried the ball 80 yards. The last pass, from Kyle to Wood, was completed over the goal line for a touchdown. Captain Kyle kcked goal.

Peru was in striking distance in the final period when four successful passes and a penalty gave the game Missourians a touchdown. Captain Kyle played a sensational game for Tarkio. The Peru line deserves high praise. Only one first down was made through the line. Buising showed up well in his first game at quarter. Forrest Bell played a stellar game on both offense and defense.

Damon Runyon, David J. Walsh, John P. Medbury, Waite Hoyt and John J. Evers.

The above are five great writers who will "cover" the coming world's series for the readers of The Omaha Bee.

Runyon and Walsh need no introduction. All sport fans know this pair. They are experts in their line, and their line is writing sport news.

John P. Medbury, internationally famous humorist, creator of the "Mutter and Mumble" series, will furnish daily yarns on the games that promises to be better than anything in this line that has ever been published.

White Hoyt, star pitcher of the Yankees, and John J. Evers, formerly a famous player with the Chicago Cubs, will furnish special stories after each game.

Added to this staff of experts is the Associated Press accounts of the games. Sidelights on the games, interviews with the players, managers and prominent persons and little out-of-the-way stories will appear in The Omaha Bee.

The Omaha Bee is doing everything it can to give the readers of Omaha a complete report of this great sporting event—the red-letter event in sportdom.

Same Prices to Prevail at World Series Games

New York, Oct. 6.—One of our leading sport writers says that the baseball world series directors have met and most important to the fans, they have decided on the prices of admission to the games which will begin October 10.

The same old high prices, ranging from $1 for admission, $3 for unreserved seats, $5 for reserved seats and $6 for box seats, will prevail. They are truly gouging prices in these days of the vast stadiums, and rightly call for criticism from those who pay the way.

Burns Defeats Holland.

Robert T. Burns defeated Yale Holland yesterday, 3 and 2, in the final match play for the Omaha Country club trophy. The finals of the 36-hole match will be played today between John W. Rediek and Francis Gaines.

Omaha U Ties Score in Final Quarter

Play Brilliant Game to Overcome Handicap of First Score.

With the score 7 to 0 against them, and one minute and 45 seconds to play, the University of Omaha won a moral victory from Tabor yesterday when a forward pass, Chalfont to Prestley, netted a much needed touchdown, and goal kicked by Chalfont tied the score.

The game started with Captain Porter of Omaha losing the toss and elected to defend the south goal. Omaha kicked off and Tabor marched triumphautly down the field to a touchdown, their only one of the day. Mann kicked a goal following the touchdown made by Bell. Steadying, the Omaha U put up a stiff resistance and checked Tabor's charging backs, and often when the ball was in the shadow of their goal posts. Omaha U was forced to play a defensive game and it was not until the last moments of play, when they released a brilliant passing attack, that ended in a touchdown, were they able to come within striking distance of the goal.

Considering that Tabor had 17 letter men in the lineup, nine of whom were three-year men, and that Omaha was without a single man from last year, Omaha university football stock took a decided jump for the better following the reports from Tabor.

The playing of Bosendaugh, Chalfont, Danahey and Porter were big factors for Omaha, while Bell, Mann and Captain Schenin were the shining lights for Tabor.

Miss Edith Cummings Takes the Woman's National Golf Crown

Rye, N. Y., Oct. 6.—The national women's golf championship, so long the property of the east and south, went west today when Miss Edith Cummings, plucky Chicagoan, triumphed over Miss Alexa Stirling of New York, a native Georgian, who had held the title three times. The western girl won by a margin of 3 up and 2 to play, after a tense and brilliant struggle in the 36-hole final round match at the Westchester-Biltmore Country club.

It was a fine display of grit along with brilliant golf that carried the Chicago girl, a member of the Onwentsia Country club, to victory over Miss Stirling, who has been known as America's most consistent woman player. In the morning round, when play was alternately ragged and perfect, it seemed that the greater experience of the three-time champion would play its part. After losing the first hole of the day, Miss Stirling settled down and soon took the lead. She was one or two up much of the way until the middle of the afternoon, having finished the first 18 2 up.

Miss Cummings appeared a bit nervous [illegible] they went to the 18th hole in the morning round, but her green in the [illegible] were well made. shots up to the gr[illegible] win this hole She had a chance to [illegible] but she by sinking a short [illegible] adjourned couldn't make it and the [illegible]mings 2 for lunch with Miss Cu[illegible] hole in down. They halved the first hole in the afternoon with par fours; then came the great effort that resulted in the crowning of a new champion.

Miss Cummings, with par golf, won five holes in a row and became 3 up. They halved the seventh and Miss Cummings lost the eighth. The ninth was halved.

The 10th and 11th were wretchedly played. Both took fives. Both missed short putts for wins at the 11th and it was halved. Likewise the 12th.

The 13th went to Miss Stirling with a well-played par four and she was but one down. Miss Cummings overpitching.

Par figures won the 14th and 15th for Miss Cummings. On both holes Miss Stirling dubbed iron shots. When they halved the 16th with fives the shouts of the gallery in applauding the new champion were carried by the wind to the clubhouse where, too, a shout went up.

Miss Cummings has entered five national championship tournaments. In one she was eliminated in the first round; in another she was defeated in the second round; in her third she failed to qualify. Last year she went as far as the semi-finals at White Sulphur Springs, but was eliminated by Miss Glenna Collett of Providence, who won the title.

The new national champion's golf is considered unusually great because of the handicap of a broken right arm, which has been locked at the elbow since she was an infant.

Central Tramps on Bluffs High

Red and Blue Boys Were Helpless to Stop Attack of Locals.

Central High ushered in the 1923 football season Saturday afternoon in an auspicious manner, defeating Council Bluffs High, 13 to 0.

The final score of the game does not tend to show the strength of the Purple lads. Carelessness in the fore part of the game deprived them of at least two touchdowns.

While the two teams were of about the same weight, Omaha's backfield gained at will through the Bluffsmen line. Again and again the Central lads would plow through the line of their opponents.

The Red and Blue boys seemed unable to make any noticeable gains by plunging the line or via the air route.

Egan, Robertson, Muxen and Howell starred for the locals, while Shepherd, Patrick and Helwig were the ground gainers for the visitors.

Council Bluffs won the toss and chose to kick off. Robertson returned the ball 10 yards. First down was made by Powell on plays through center and around right end. Egan went through center for five yards. On the next play Howell went over the goal line for the first touchdown of the game. Howell failed at goal.

The next play Omaha kicked off and the Iowans returned the ball 10 yards. Heiwig fumbled, but the ball was recovered by his teammates. Council Bluffs then punted to Howell, who was downed in his tracks. A forward pass, Marrow to Howell, netted the locals 10 yards. Marrow gained five more yards through tackle. On the next two plays Muxen gained 10 yards. Council Bluffs gained possession of the ball on a fumble by Thomas. Council Bluffs punted to Egan, who was downed when he caught the ball. An incompleted pass ended the quarter.

Omaha opened the second quarter punting, Council Bluffs receiving the ball on the 45-yard line. Pierce made five yards through center. Council Bluffs punted and on a series of line plunges Omaha made first down. Muxen got away around right end for a 10-yard gain. Marrow failed to gain ground on the next play. Howell punted, the Iowa boys receiving the ball on the 30-yard line. McKane went through center for eight yards. Helwig made a gain of 10 yards through center. Pierce smashed through center for a gain of five yards. A forward pass netted the Bluffsmen five more yards. The Iowans were held and lost the ball on downs. Omaha attempted a forward pass, but failed. On the next play Clarke, center, made a poor pass to Howell and Council Bluffs gained possession of the ball. Oliver replaced Clarke at center.

During the third quarter the teams played on even terms, neither gaining much ground. Thomas recovered a fumble and ran 60 yards for a touchdown which the referee did not count due to the fact both teams were off side when the ball was put in motion.

In the fourth quarter Central's backfield got to working again and the local boys marched down the field for their second touchdown, Thomas kicking goal. Shortly afterward the referee's whistle blew, ending the game.

The games, between Omaha Kickers and the Walter Camps will start at 2 this afternoon and the game scheduled for Miller park, between the Horak Furnitures and the All Americans, will be played at the close of the first game.

Gregory, S. D., Oct. 6.—With all but four men inexperienced Gregory held the fast Platte team to 3 touchdowns on the visitors grounds Friday losing the game, 21 to 0. It was a fast game and Coach Hoy will have a team selected from his 30 huskies before the season is over that will deserve mention. There was no spectacular playing in the game but a good clean game worth seeing. Referee: Fry Lakeandes

Billy Uvick, trainer for Morrie Schlaifer, believes Schlaifer has a chance to knock out Billy Wells at the Auditorium tomorrow night.

Uvick heard that bets of 8 to 1 had been offered that Schlaifer would not knock out Wells. Uvick dug down into his jeans and started out.

With "Boston" Leach, Uvick has covered several bets at those odds.

"Believe me, on those kinds of odds I've got all the best of it," said Uvick. "I've been training Schlaifer. I know what he will be able to do Monday night. I know what kind of a punch he'll carry into the ring. At 1 to 8 I'll get up all I can that Schlaifer wins by a knockout."

Batting Averages Good at Season End

Sluggers Had to Hit Hard and Often in Order to Lead.

Chicago, Oct. 6.—Harry Heilmann of the Detroit Tigers will be crowned 1923 batting champion of the American league, with Rogers Hornsby, of St. Louis succeeding himself as the premier swatter of the National league.

With the season closing tomorrow, Heilmann, who won the title in 1921 with an average of .394, has an average of .401 including games of last Wednesday. If this .400 average is maintained in the final games of the race, it will be the sixth time in the history of the American league that a player has batted above .400 for the season.

A year ago, George Sisler, star first baseman with St. Louis, who was unable to play a large part of this season because of eye ailment led the race with an average of .419.

One of the notable achievements of the 1923 race was the performance of Eddie Collins of the White Sox, who answered the challenge that he was "slipping" by climbing from 20th last season to fourth this year, with an average above .350. Collins also is far in the lead in stolen bases.

"Babe" Ruth, star of the Yankees, is 14 points behind Heilmann. Ruth managed to collect two four baggers during the past week, bringing his total up to 39. He still leads in total bases with 378, but has been passed as a run-getter by Heilmann and Speaker and Jamieson of Cleveland. Creighton Loses Kansas Game by 6 to 0 Score

Wet Grounds and Drizzling Rain Handicap Blue and White Players to Considerable Extent.

By RALPH WAGNER.

Stadium Field, Lawrence, Kan., Oct. 6.—The Blue and White of Creighton university slipped down to a 6-to-0 defeat here this afternoon when the University of Kansas won the first game of its season for the Jayhawkers.

A steady downpour of rain that made the field as slippery as glass and the ball hard to handle handicapped the players on both teams. Only straight football sandwiched with punts was staged by 22 mud smeared grid warriors as they battled two hours in the rain. A small-sized crowd braved the rain to see the Jayhawkers flap their wings as they clawed down victory from Creighton.

Creighton fought like all Creighton athletic teams fight, but the breaks went against them at the wrong time. It happened in the third quarter. This period of the game was still young when Gerald Smith, the Jayhawk star, kicked 45 yards to Mahoney who caught the ball on his own 10-yard line. Ike dropped back to boot the leather out of danger as he had previously done when his team was in a tight place. Center Nolan passed the slippery ball and Mahoney's hands, wet and cold, and nimble slipped the oval. The ball fell on the ground only to be pounced upon by this same Gerald Smith, who a minute before booted the pigskin that led to Creighton's defeat. This Jayhawker recovered the oval on what looked from the press stand to be the two-foot line. Here, in the very shadows of the Creighton goal, eleven Kansas football men lined up to put over a touchdown. Once the Jayhawk pecked at the center of the line and once 11 Creighton warriors threw every ounce of strength in their bodies against the center of the line. Creighton turned the enemy back. Again Kansas centered its attack at the center of the visitor's line and for the second time these same Creighton athletes dug their cleated shoes into the soft earth and held Kansas.

Plunge Through the Line.

With one down to go and a touchdown staring them in the face, Kansas substituted Halfback Burt for Hodges. A cheer went up from the stands as this Jayhawker galloped out to take his position in the backfield. He was called upon to carry the ball and carry it he did, right through the right side of the Creighton line for the first and only touchdown of the game. Black failed at the kick after touchdown.

Following Burt's plunge for a touchdown, Kearney was sent in to relieve the hero of the Kansas-Creighton game. Burt, it is said, is suffering from two broken ribs that he received in scrimmage practice early this week and it was only due to his continuous begging to get into the game that the Jayhawker coach permitted him to take his place on the fight. His broken ribs received further injury when he hit the Creighton line.

Creighton deserves credit for its showing and Creighton got credit. There was not one person who witnessed today's game who has not a good word for the Blue and White gridsters only to lose the game in the

New Stars May Be Made in Big Series

A young man by the name of John Watson of Homer, La., will be one of the main hurdles which Babe Ruth and his mates must take next week. The October series has a way of lugging new names to sudden glory and Watson has a good chance of being Fate's next pick. The Giant pitcher has nerve and the stuff, which is about 97 per cent of it. When it came to a pinch he nicked the Reds and Pirates in five important engagements, proving himself to be one of those useful types who can crowd on extra juice in an emergency.

It is yet too early to suggest that the Giant pitching staff will be motheaten, although Bush, Shawkey, Hoyt, Pennock and Jones present a stronger front.

Jockey Killed in Fall.

New York, Oct. 6.—Ted Rice, widely known jockey, riding at the Belmont Park track, died this afternoon from injuries sustained when he was thrown by his mount, McKee, of the Charles A. Stoneham string.

Rice's horse swerved, crashing into the low track fence and hurling Rice from the saddle. The animal fell on the jockey. Rice was taken to a hospital at Jamaica, but died before medical attention could be administered.

Games Called Off.

Washington, Pa., Oct. 6.—The scheduled football game between Washington and Jefferson and Washington and Lee was declared forfeited to Washington and Jefferson by a score of 1 to 0 this afternoon when Washington and Lee refused to play against Charles West, negro half back on the Washington and Jefferson team. West's athletic standing was not challenged.
