Experts Can Clean Fur Trimmed Coats

Dresher With Nine Cleaners of Country Spend \$15,000 Yearly to Test Methods.

Last year's winter coat with fur trimming of the most delicate texture can be successfully and thoroughly cleaned at Dresher Brothers.

Just to prove that correct scientific cleaning is beneficial to furs, Dresher Brothers had an experiment performed by scientists in a laboratory at the University of Pittsburgh.

Every process, every appliance, every method used in Dresher Brothers' plant is scientifically tested to give each customer thorough work.

Dresher Brothers, with nine other leading cleaners of the country, spend \$15,000 every year to maintain a laboratory of scientific research at the University of Pittsburgh.

Dreshers are not only dyers and cleaners, but hatters, tailors, furriers, rug cleaning experts, and maintain a cold storage plant for furs, rugs and clothing.

Call AT 0345, or MA 0050 and a driver-salesman, thoroughly trained in cleaning methods, will be at your service.
