Right — SOME SEPTUAGENARIAN! Meet Tom Onzo, seventy years of age, who is still so spry and supple that he can easily touch the top of his head with his foot. Nor is it necessary for him to keep in training. Note the cigarette that protrudes from his Santa Claus beard. Try this, old-timers, and see how many of you can make the grade. *Fotograms*

We offer it to you under written guarantee. Money back if it fails. New hair grown, falling hair stopped in 90 days.

Why Your Hair Lacks Life

There is an oil called Sebum that forms at the follicles of the hair. Its natural function is to supply the hair with oil to make it soft and wavy. But science now proves that it is the cause of 91% of all hair troubles.

Frequently it becomes infected. It clogs the scalp; clogs the follicles and plugs them. You can see it in your hair, either in the form of dandruff or an oily excretion at the hair roots.

Bacteria by the millions breed in it and often inflame the scalp. Then they begin to feed upon the hair. So-called falling hair starts. In a short time all the natural lustre and beauty of your hair are gone.

Remove the infected Sebum and there is a wonderful change. The hair takes on new life, new growth and new lustre.

The Van Ess treatment accomplishes that result. We know you will doubt it. So we guarantee each 90-day treatment.

New hair grown (in 90 days) and falling hair stopped. Your druggist gives you our guarantee to do these things. He signs it. If we fail, your money will be refunded by us without argument. Go to any druggist or department store today. Ask for Van Ess Liquid Scalp Massage. Written guarantee accompanies each 3-bottle treatment.

VAN ESS
Liquid Scalp Massage

Costs Nothing
Unless we grow hair. The Van Ess Liquid Scalp Massage is a written guarantee. The money is yours. All we require is a guarantee showing you have purchased a genuine Van Ess product. If it fails, we refund your money. Hence, you assume no risk making the test.

Note This New Way
Van Ess is not a cream, as you can see. It contains no oil and will not clog your hair. You rub it on with the rubber massage cap. The medicine then can penetrate your scalp and reach the hair roots. It is a liquid, and it is the only way to reach the hair roots.
