

Women to Meet.

Five hundred delegates representing

23 states are expected to attend the 55th annual convention of the Women's Board of Missions of the Interior

to be held at the First Congregational church October 20 to November 1. There will be a number of mis-

sionaries home on furlough who will make reports of the work being done in various countries.

Man Kills 3, Then Self.
Crocket, Tex., Oct. 10.—Jim Henry

Mass, 40, negro, killed three negroes and then himself early today. He visited the home of a negro preacher,

where he slew him and another negro and then went to a second home, where a bullet ended the life of a

third negro. He returned to his home and killed himself.

"We Thank You"

In an old and all but forgotten play one character is made to say: "It is a great many years since I learned that people rarely say 'thank you' when they have strong reason to do so." Well, we have often said "Thank you" to our army of customers and, busy as we are, we say it again and again in connection with our Progress Sale, now going on with unabated buying. Pleased as we are with the large crowds we are even more delighted with the fact that there are expressions of approval on every hand for the Quality, Prices and Service that are conspicuous in this big selling event. Watch our advertisements from day to day and be assured that we will leave no stone unturned to show, in a substantial, practical way, our genuine appreciation of the patronage that has made The Brandeis Store so successful.
