are a Harmless Substitute

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. These little olive-colored tablets are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomei.

The pleasant little tablets do the good that calomeil does, but have no had after effects. They don't injure the teath like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the fiver at the expense of the teeth? Calomel sometimes plays havoe with the gums. So do strong liquids. It is best not to take calomel. Let Dr. Edwards' Olive Tablets take its place.
