easily defeating the Glants, 8 to 1. The entire Yankee club stepped out and "did their stuff" piling up 14 hits and eight runs. Not satisfied with this accomplishment, Bullet Joe Bush permitted but three hits, and all of them to Irish Meusel. Joe Dugan played in his usual sensational style, a possible five chances. He is easily our star of the series. McGraw remarked to an inquisitive spectator who asked what he thought of today's game, "too much Dugan."

The leader of the Giants rushed a quartet of pitchers into the battle. It was too late. The dam was broken and the damage done. We could not be stopped, we will

not be stopped, regardless of who they may pitch tomorrow. It will, of course, be Nehf, there is no other chance. Huggins explained that either Pennock or I would fling in order to clinch. My own opinion is that he will choose Pennock not because of ries unduly. his (Huggins') lack of confidence in me in the last three years. Any selection will be a good one, and will give us a reserve of Jones and Pennock or Jones and Hoyt.

Both Meusels Get Three Hits. A striking coincidence of today's game is that the two brothers, Irish and Bob, each had three hits out of four times at bat. At the start of the game both had the same average,

An excusable misplay by Stengel aided us to compile four runs in the second. With two men on base Duand went for a home run. It was a as if he were somewhat amused. lucky break for us.

The series has been a huge success, credited to the fighting blood of the Yankees who could not see thing. With one out in the eighth, themselves being licked a third time Schang got the Yanks' first hit since by the same club. The hustle and the second inning off the left-hander. fight they employed these last two Scott got another hit. Then Nehf days has been a surprise to our walked two men, forcing in a run. staunchest defenders, who had us pictured an easy-going and docile organization. The spirit in the club- run with a base on balls. Then came house is unbounded and confidence the striking out of Ruth and Meusel's exudes from every pore. Poor Artie hit. Nehf does not know what he must face tomorrow. It was a particularly sweet victory for Joe Bush to He had been beaten three uers and was due for a break.

tally. The goal kicked on this score was the only one made during the entire game. The fourth touchdown that he knows nothing about modern training and that in the way of development he has a long, hard siege ahead before he is ready to meet a champion.

If Firpo is willing to go after better conditioning and keener knowledge of his game over the one useful route—hard work under competent instruction—he will have a chance.

The goal kicked on this score was the only one made during the entire game. The fourth touchdown came when Heath intercepted a forward pass and carried it down the field.

Atlantic, usually a strong team, falled to get started. Their playing was not up to standard and none of the men seemed to have their heart in the game.

If Firpo is willing to go after better conditioning and keener knowledge of his game over the one useful route—hard work under competent instruction—he will have a chance.

The Carroll team is to play the follow, for the playing was not up to standard and none of the strongest teams they have yet.

Oct. 15—Eddy O'Dowd vs. Charley O'Co. 16—Paddy O'Dowd vs. Charley O'Dowd vs. O'Dowd vs. Charley O'D

But if Firpo is to spend the next few months in making moving pictures and taking bows this chance will be about as broad as the point of a needle. Firpo at 28, hasn't an endless caravan of years in

which to get ready. His time is limited, and if he is to meet Dempsey next summer he can't affoird to waste many hours.

It was impossible at Atlantic City to make him see that he was traing incorrectly and getting nowhere, but perhaps by now he has learned part of the lessen.

Assets and Liabilities.

ourageous. He can hit heavily with his right hand. He is an instinctive fighter, with more than normal speed for one

of his bulk. These are his assets. His liabilities are just as numerous. He needs the use of a left hand, both

pon attack and defense. He knows nothing of protection at short range. He is fairly easy to bring down, a fault partly due to his lack of balance. He can work for and get greater speed. And so far he has been unwilling to

* Facing Hard Work.
