

# Midland's New Athletic Field Is Fittingly Initiated With Win Yesterday

## Fremonters Win From Wayne Squad

Fast Plays by Midland Men Result in Score of 12 to 0.

Fremont, Neb., Oct. 17.—With four regulars on the bench, Midland defeated Wayne normal by a 12 to 0 score in a battle played mostly in Wayne's territory. Horn, Midland quarterback, made Midland's first touchdown of the season with a 15-yard run. A pass from Horn to Cunningham, end, for a distance of 20 yards, scored Midland's second touchdown.

Wayne threatened but once, during the third period, when the Midland line seemed to give way to a series of line plunges that carried the ball to Midland's nine-yard line. The Midland defense strengthened at this point and the Wayne men lost the ball on a blocked placement kick.

Midland started the game minus three regulars, Thedy and Brunning, kept out on account of injuries; E. Juschel, Midland tackle, suffered a wrenched ankle, as did Art Chambers, star halfback, early in the game. To save his men for the game with York Friday, Coach Spear sent in substitutes, who failed to show as well as expected.

Horn and Adams featured for the Midlanders, while Nellis was outstanding on Coach Dale's squad.

Lineup:  
Midland: ... Wayne: ...

## Midland Captain

Horn, pilot of the Midland team, was the first man to make a touchdown for his college this season when he slipped through the Wayne defense yesterday and ran 15 yards for the score. The Wayne game was played on the Fremonters' new athletic field. It was the first game on this gridiron and the grounds were fittingly dedicated with a win. The final score was 12 to 0 in favor of Midland.

## Illini Game May Break Iowa Luck

Iowa City, Ia., Oct. 17.—The University of Iowa's winning streak, which started back in 1920 and continued through all of its games in 1921, 1922 and so far this year, will be put to a real test, in the view of football followers, when the Hawkeyes play Illinois in the home-coming game here Saturday.

Iowa coaches have been drilling the Hawkeye players all week on the plays they are to use in Saturday's game and indicate that they are confident of the club's ability to win.

While Iowa won from Purdue by only a 7 to 0 score last Saturday, some football fans express the opinion that Coach Howard Jones held the Hawkeye players in with a view of exposing none of the plays he hopes to use against Illinois.

## Gleason Hands in Resignation

Chicago, Oct. 17.—William (Kid) Gleason, manager of the Chicago White Sox today handed his resignation as pilot of the club to Owner Charles A. Comiskey, and it was accepted. Gleason told Mr. Comiskey that he was discouraged with the showing of the club this year and wanted to get out.

Gleason has been a member of the White Sox for 11 years, and President Comiskey told him he was very sorry to see him leave the club, as he believed he would make a better showing in 1924 with the new players which have been obtained. Gleason, however, insisted that nothing could make him change his mind.

Gleason said he had no plans for the 1924 season, although several clubs are understood to be ready to sign the veteran leader.

Undefeated Teams to Meet.  
Gothenburg, Neb., Oct. 17.—Gothenburg High and Broken Bow High school teams meet at Broken Bow Friday for one of the important games of the week. Neither Broken Bow nor Gothenburg having been defeated this year. Last year it was the Gothenburg team that took the championship aspirations out of Broken Bow, and the McAndies team is bent upon doing the same this year. Gothenburg has the following games to its credit so far this year: Cozard 9, Gothenburg 34; Farnam 6, Gothenburg 51; North Platte 0, Gothenburg 45; Cambridge 6, Gothenburg 9.

## Big Ten Camps Hold Interest

CHICAGO, Oct. 17.—Interest among followers of Big Ten football this week centers on practice activities at the camps of Michigan, opponent Saturday of Ohio State and Illinois, which will meet Iowa in the games being the first big battles of the western campaign.

The Michigan-Buckeye game may develop into an aerial fight, as forward passing and plays built around the pass are being featured in the workouts of both teams.

The offensive equipment of the Iowa Hawkeyes is being enlarged in practices while Coach Zuppke, Illinois mentor, is sorting over material to replace several vacancies in his squad.

Signal drills have so far been the principal preparation Wisconsin has made this week for its first conference clash on Saturday with Indiana. Neighborhood differences will be settled by Northwestern and Chicago, the former anxious to recoup its losses and the latter hopeful of advancing its conference standing.

Minnesota and Purdue, who take the field against the nonconference North Dakota and Wabash teams, respectively, are trying new combinations and devoting their time to light workouts.

## Conference Games on in South Dakota

The coming week-end will see all of the teams in the North Central conference except North Dakota and Morningside engaged in a conference football struggle, and all of the South Dakota conference teams except Eastern Normal and Spearfish Normal, also meeting conference opponents.

The University of South Dakota will entertain Nebraska Wesleyan at Vermillion, in the second conference game of the season for the Coyotes. Little is known of the Nebraskans, except that they finished at the tail end of the conference last year, but Coach Allison is taking no chances, and is preparing his men for a hard struggle.

Creighton will meet South Dakota State on the latter's home field, the feature of the Hobo day celebration for the agricultural college. Creighton has always been a hard nut for the South Dakotans to crack, and West and his men have been working hard that they may take the scalp of the Omaha men Saturday.

North Dakota will go outside of the conference to play Minnesota, and Morningside meets Kalamazoo College at Kalamazoo, Mich. The North Dakota Aggies will play at Des Moines University in the other conference struggle.

In the South Dakota College conference, the main battles will be between Dakota Wesleyan of Mitchell and Northern Normal and Industrial School at Aberdeen, and the Sully-Barnes at the School of Mines at Rapid City. Both Dakota Wesleyan and Northern Normal have been touted as likely championship material and the outcome of Saturday's game may have a deciding result for conference honors. Columbus is another championship contender, and a defeat by the School of Mines would, in all probability, put them out of the running. The School of Mines defeated Columbus last year, but prospects for the Miners are not so bright this year, and Columbus is "doped" to be victorious.

In the other conference games, Yankton will meet Huron, and Sioux Falls College plays Augustana. In the series of high school games over the state, the Brookings-Sioux Falls game, Huron-Mitchell contest, Watertown-Madison and Lead-Rapid City struggles are expected to have the greatest bearing on the final honors in high school circles.

## Kennel Club to Hold Dog Show in Omaha

The aristocracy of dogdom will come into its own at the first annual dog show to be conducted by the Nebraska Kennel club at the Municipal auditorium November 16 and 17. Setters and bulldogs will lodge alongside poodles and chow chows and bark their confidence to take home the numerous cups and medals which will be offered to winners.

The Nebraska Kennel club is incorporated as an educational and charitable institution. Officers are: A. H. Kelam of Omaha, president; N. Dietz of Omaha, vice president for city of Omaha; P. C. Rasmussen of Council Bluffs, vice president for the city of Council Bluffs; John Monnich of Fremont, vice president for Nebraska outside of Douglas county; and Dr. J. F. Walter of McGregor, Ia., vice president for Iowa outside of Council Bluffs. L. C. Fauble, 638 Securities building, is secretary and treasurer. Headquarters of the association is in Omaha.

Entries will be received until November 16. All contests will be decided under the rules of the American Kennel club.

## Will Not Change Giant Staff

New York, Oct. 17.—Although John McGraw declined today to discuss his plans for next season, it was intimated in baseball circles that he intends to make sweeping changes in his pitching staff. He is said to have one deal in prospect at the moment, the acquisition of "Lefty" Grove, speed ball pitcher of the Baltimore Orioles.

Postpone Kansas City Races  
Kansas City, Mo., Oct. 17.—Because of the long rainy spell at Kansas City, officials of the Speedway association have announced that the national championship 250-mile classic scheduled for October 18, has been postponed until Sunday, October 21.

## Zev and Papyrus

The two chief figures in Saturday's race at Belmont Park. The race will be over a course of one and one-half miles for a purse of \$100,000 and international honors for 3-year-old colts.

## Donoghue, British Jockey, Rides Papyrus in Workout

By International News Service.  
New York, Oct. 17.—With the short, familiar underpinning of Steve Donoghue, premier jockey of England, gripping his neck for the first time since he came to America Papyrus breezed six furlongs at Belmont park today in preparation of the international match race with Zev on Saturday.

The workout was just an exercise gallop, most of the attention being directed at Donoghue, making his first appearance on an American track.

The onlookers saw a tiny fellow—4 feet 11½ inches—but with powerful arms and shoulders, just the type to make the most of a driving finish. His hands are small, but strong, his eyes brown and twinkling and his skin tanned by constant life in the open.

Donoghue's seat in the saddle was easy but firm and he handled Papyrus with the air of one who enjoys a privilege.

"From what I could learn of the colt this morning, Papyrus is ready to run at any time," Donoghue said after the workout. "He may be bothered a bit by the dirt track, but otherwise conditions are equal. I think Papyrus will prove himself a great horse on Saturday."

Meantime the American representative, Zev, had run an unimpressive trial at a mile and a quarter, negotiating the distance in 2:09 with L. Fator up. At the end the Sinclear colt was blowing badly and seemed tired.

Accompanied by Little Chief, he opened up with a sensational burst of speed, running the first five furlongs in 59.35 and went onto the mile in 1:29.35. From that point, however, Zev began to wilt and moving very sluggishly ran the final quarter in the slow time of 32.25.

As a result of this effort odds on the race dropped today from 9 to 5 down to 5 to 3, with Zev a rapidly retreating favorite.

## BILLY MISKE AND BRENNAN MATCHED FOR TEN-ROUND GO HERE EARLY NEXT MONTH

ROM far off San Francisco, where Jake Isaacson, the matchmaker for Douglas County of the American Legion is attending the annual American Legion convention, comes the word that he has signed Billy Miske of St. Paul and Bill Brennan of New York for a 10-round bout to be staged in the Omaha Auditorium Wednesday, November 7.

Miske and Brennan are well known heavyweight fighters. Fight fans are familiar with the ring activities of these knuckle bruisers, especially Brennan, the old war horse of the roped arena, who announced his retirement from the squared circle after his defeat at the hands of Luis Angel Firpo.

The signing of Miske and Brennan is the first step Promoter Isaacson has taken in the direction of giving Omaha another good fight show. The Legion will lineup a good card of semi-windup and preliminary fights to "carry" the big scrap.

Billy Miske appeared in an Omaha ring several months ago. His opponent was Harry Foley of Hot Springs, Ark. What Miske did to Foley is history. It happened in the very first round.

Brennan is known as the war horse of the ring. He has served as a trial boxer for almost all of the heavyweight contenders for the last seven years. The New Yorker has fought on all including Dempsey. His last stand was against the Wild Bull of the Pampas in Madison Square Garden. Firpo knocked Brennan out and what's more, put Bill in the hospital. Following this fight Brennan announced his retirement from the ring, but the call of the gloves and the clang of the song has called Brennan and he has answered.

It will be the fourth time these two heavyweights have met. The first time Miske won the decision at the end of 15 rounds. That was in 1919. Later in the same year they fought eight rounds to no decision. In 1921 they fought 10 rounds to no decision. Miske's record is well known. Among his list of knockouts appears the name of one Jack Renault. This happened last year in New York and the big Chuck in the 13th round. And the fight was held on Friday, too.

## Best of English Jockeys Arrives in United States for Big Race

New York, Oct. 17.—Early birds, not the variety that get up to gobble sleepless worms, but those who sit along the rails at dawn and "clock" thoroughbreds in their workouts, generally aren't sentimentally inclined, but today they were keenly anticipating a reunion between horse and man.

Steve Donoghue, best of English jockeys, stepped ashore late yesterday from the Olympic on his international errand. He's to have the mount on Papyrus, champion English 3-year-old, when the derby winner faces the barrier Saturday at Belmont park with Zev, his American rival, in the \$100,000 gallop of a mile and a half.

The "clockers," however, weren't as much interested in the affectionate recognition that human and beast would display when they saw each other again—they parted last in England—as they were in the time that would be shown and the capers that would be cut when Donoghue took the horse through a workout.

## Yanks and Giants Meet Socially Now

New York, Oct. 17.—Col. Jacob Rupert, owner of the Yankees, gave a party to the club; Manager McGraw of the Giants gave one for the Giants, and Babe Ruth gave one for the players on both teams, and their wives.

Checks for each player's share of the world series will be ready tomorrow or the next day; then they will leave for their homes in various parts of the country. The Giants receive only \$400 less than they got for winning last year.

On Thursday night Babe Ruth will leave for an exhibition baseball tour that will continue to November 10, and he will get \$1,500 a game. Then he will begin a golf tournament that will take him to California. Four-somes will be arranged everywhere he goes and he will rake in \$1,500 a week including all expenses for himself, his wife, Baby Dorothy and a maid.

At the party today Ruth said: "Bob Meusel, I want to thank you a thousand times for that single that won the game for the world series in the eighth inning yesterday. I would have been a sick man if you had not made that hit. I never wanted a homer more in my life. I guess I tried too hard and struck out. The Giants are a good bunch of fellows. I'd like to have McGraw spend a week or two with me up on the farm."

It was noted that after the game and since Miller Huggins, now receiving plaudits on every hand where once he got severe criticism, was as retiring as ever. He did not strut around; he went home and to the Yankees' offices to clear up business matters.

## Thinks Papyrus Has a Chance

New York, Oct. 17.—"Whatever the outcome, we'll make a good race of it. And may the best horse win."

Steve Donoghue, American-born premier jockey of England, here to ride Papyrus, English derby winner, at Belmont Park Saturday in the \$100,000 international stakes against Zev, America's king pin three-year-old today, declined to venture predictions as to the outcome.

"Over in England, they think Papyrus has very little chance," he continued. "What do I think? Well, I wouldn't have come all the way over if I didn't believe we had a chance to win."

## Crawford Team on Road to Title

Crawford, Neb., Oct. 17.—Crawford added one more victory to his string and continued in the race for the state championship when it defeated Sioux county high school last Saturday afternoon by a score of 66 to 6. Second string men were used freely. The game showed that the Crawford warriors are increasing rapidly in efficiency and are becoming a machine that will be formidable in any lineup in the state. Lathrop and Worthington at halfback positions are fast and shifty and Captain Carl Anderson at fullback showed great ability at both defensive and offensive work. Pittman, at end, though small, is a constant worry to the opponent's backfield with his speed and tackling ability.

On next Wednesday Crawford meets Scottbluff at Scottbluff in a special arranged game. On Friday they play Gordon on their home field.

## Former Western League Umpire Dies

Des Moines, Ia., Oct. 17.—Roland R. Wolf, former Western League and Boston American baseball player, died at his home here last night. He had been in ill health for several months.

Wolf lost his eyesight several years ago and since then invented and patented a combination nest and chicken brooder which he made and sold from his home to support himself and family.

## Have Your Heavy Jackets Cleaned and Altered

There is considerable change in the style of ladies' coats this fall. Many old garments can be made to conform to the new styles by careful alteration. We are doing it in many cases.

Bring your coat in and talk it over with us and let us advise what can be done.

If no alteration is desired, let us clean or dye it and put it in first-class condition.

Our prices are very reasonable and our work is guaranteed in every respect.

Don't wait for cold weather—do it now.

## Huskers Win Lion's Share of Games From Kansas Farmers

INCOLN, NEB., Oct. 17.—When Kansas and Nebraska line up on the new stadium field here next Saturday for their annual gridiron battle it will be the 30th time teams representing these two schools have faced each other.

The first Kansas-Nebraska game was played in 1892 and the only two years they have not met since then were in 1904 and 1905.

Of the 29 games played, Nebraska has won 19 while the Jayhawkers have taken nine. One, the game of 1920, was a tie.

Kansas hasn't been scored on yet this season, while Nebraska lost its season's opener at Illinois decisively, coming back last Saturday with a 24-0 victory over Bennie Owen's Sooners to regain some of the lost prestige.

Judging by the opening day crowd Saturday's game should shatter all records. The Oklahoma game attracted the biggest first day attendance in the history of Cornhusker football.

The dedication of the memorial stadium will precede the Kansas game and the occasion has been made homecoming for all the old grads.

The early practices this week would indicate that the Husker coaches are taking no chances with Kansas. They did not give the Huskers much of a rest Monday night, working out their stiffened and sore spots with a long signal drill.

Scores of all Nebraska-Kansas games:  
1892—Nebraska 10, Kansas 12.  
1893—Nebraska 0, Kansas 18.

1920—Tie.  
1921—Nebraska 20, Kansas 26.  
1922—Nebraska 28, Kansas 6.

## Kid Gleason to Resign as Manager of Chicago American League Club

CHICAGO, Oct. 17.—William (Kid) Gleason, manager of the Chicago Americans, today will announce his resignation.

"The talk" also includes the possibility of Gleason going to the Detroit or St. Louis Americans. Gleason once was offered the managerhip of the Detroit club and Ty Cobb, the present manager, is said to "have enough" of handling the reins.

Since 1919, when the formidable White Sox machine was wrecked in the world series scandal, Gleason has tried hard to build up another winning combination.

In some quarters it is believed that Comiskey will refuse to accept the Kid's resignation, although in others it is said that the Old Roman believes that, despite its reverses the team would have been fighting for the pennant.

## Notre Dame Favorite to Win From Princeton Eleven Saturday

New York, Oct. 17.—If the prevalent opinion here is borne out by the returns, Notre Dame will beat Princeton by at least three touchdowns when the teams meet at Palmer stadium on Saturday. The middle-western outfit is declared by those who watched it dispose of the Army to be a typical Rockne team—fast, aggressive and smart.

Princeton is supposed to be as short as a young bride in the matter of developments. Therefore, odds of 2 to 1 on Notre Dame are being given the vacant stars in the various college clubs just off Broadway.

In brief, the west, always an early bird in the matter of development, is figured to know too much of the proceedings. This attitude has come to be accepted as the only logical course and will so remain as long as big eastern teams point for one or two games in the late fall and those of the midwest point toward none but are ready for all.

Lack of local interest in the odds is further influenced by the fact that Notre Dame has been pleased to maintain an almost perfect record through its many invasions of this territory.

Since that day when Doria and Rockne came on with the first Hoosier ensemble to forward pass the Army delirious, Notre Dame teams have been uniformly successful against West Point, Rutgers, and other eastern opponents. The lone exception occurred in Notre Dame's first, and to date only attempt to dally with a member of the "Big Three." That was in 1914. With one of the best machines the west had produced in years, almost the same team, in fact, that routed the Army, 35 to 13, the season before, Notre Dame ventured into New Haven to play Yale and live to regret it. To the amazement of every one, a rather ordinary Yale eleven beat the Hoosiers 15 to 0.

It was the same Yale eleven that lost to Washington and Jefferson, 13 to 7, the following Saturday, turned around and disposed of Colgate, Brown and Princeton, and then lost to Harvard by no less than six to nothing.

Somewhat chastened, Notre Dame retired to the great, open spaces and never again attempted to confound the Big Three, although many of its teams could have done so.

The present Rockne eleven seems more than due. West Point, with a veteran team, plus Hewitt, former Pitt star, was reckoned the best team in the east; Princeton is believed to be well below that status. The answer would appear to be obvious.

## Scrambled Sports

Puryear in Ring Togs Again.  
EARL PURYEAR, bantamweight fighter, has again donned the ring togs and will attempt to stage his relayed comeback.

Friday night in Sioux City, Puryear tackles Newsboy Brown in a 16-round main-event bout of the Disabled American Veterans show. Newsboy Brown fought Connie Curry in an Omaha ring last week. He didn't exert himself against Curry, but is liable to muss Puryear up considerably if he decides to fight.

Puryear at one time was rated among the leading contenders for the bantamweight crown. That was some time ago. Father Time has tapped Earl on the shoulder and now he isn't as fast as in former years. Some also doubt whether Puryear can take punishment that is likely to come his way when he meets Brown.

Another interesting bout on the Sioux City program is the Glen Milligan and Al Van Ryan 10-round scrap. They are waterweights. Milligan fought Mike Rozgall here last week and easily outpointed the South Omaha.

Omaha fans saw enough of Milligan to like his style, and would, no doubt like to see him in action here again. He is fast on his feet, a clean fighter and evidently took a pretty good wallop in either mitt. His right cross is pretty.

In Van Ryan, Milligan meets a tough, rugged welter. The St. Paul lad isn't as clever as Milligan, but when it comes to taking punishment he is a fairly good human sponge.

Should Help St. Joseph.  
THE St. Joseph Western league franchise has changed hands. It came as quite a surprise, too.

Before the transfer was made, the Saints drew their pay checks on President Belden of the Minneapolis club of the American association. The Minneapolis club owner used the Saints as sort of a farm where promising Miller could gain further experience at the expense of St. Joseph fans and other Western league followers of baseball.

The fact that the St. Joseph club was being used as a farm for the Minneapolis team didn't go very good with Saint fans. In 1922 and 1923 the Saints started out good, especially in 1923. They glided along at a pretty good rate. Up in first division, with good chances of going into first place. What happened? The Minneapolis club suffered a slump. President Belden recalled the stars of the St. Joseph team in order to strengthen his team. The Saints then fell down in the percentage column.
