

### Three Auto Bandits Make Jail Delivery

Limon, Colo., Oct. 17.—Three au-

tomobile bandits, whom Sheriff Cor- der of Weld county was taking to Greeley, Colo., from Oakley, Kan., broke jail here early today and escaped. They were in the prison apparently asleep at 2 o'clock when the night marshal made his rounds, but

when the sheriff called to get them at 6 o'clock, he found the door of the new jail standing wide open. The men when arrested gave the names of Jackson, McDonald and Shaw. They were charged with stealing an automobile belonging to

a banker in La Salle, Colo. They were arrested at Oakley last week and the sheriff left to bring them back for trial. They arrived in Limon last night and were placed in jail. Instead of sleeping, the prisoners apparently had

turned up the tiling on the floors and wall of the new jail, had procured a metal bar and pried the lock of the barred door and escaped. The kiddies will like the Burgess bedtime stories in The Evening Bee.

### Coal Profiteers Are Rapped by Pinchot

New York, Oct. 17.—Some of the

coal operators who recently conferred with Governor Pinchot of Pennsylvania at Harrisburg declined his demand to stop selling coal to profiteering dealers. It was learned today in authoritative quarters. The governor, it was said, had asked operators to discontinue selling to these dealers because they charged more than the executive stated was necessary to meet increased wages.

McCrea, vice president of the Pennsylvania railroad, died at the Allegheny General hospital here at 12:15 this afternoon from pneumonia.

More than 1,500,000 wage earners are unemployed in England.
