

## Huskers Shaping Up for Kansas

All Ready for Invading Team—Some of Injured Men Back.

Lincoln, Neb., Oct. 17.—When Kansas and Nebraska line up for their 30th battle on a football field Saturday, it will find Nebraska holding the weight advantage, while the Jayhawkers have an edge on experienced men.

In the tentative lineups of the two teams there are but two sophomores on the Kansas team—Collier and G. Smith—while Nebraska has five, Rhodes, Weir, Hutchinson, Myers and Locke.

Captain Vern Lewellen will probably have to watch his second game from the sidelines, as his infected knee is healing very slowly. Roland Locke, sophomore, who was in there to fill Captain Lewellen's place against Oklahoma, performed in excellent fashion.

Nebraska's line looked much better Saturday against Oklahoma than the week previous against Illinois. The secondary defense was not called upon to make a single tackle during the first half of the Sooner game.

The game is attracting one of the biggest crowds in the history of Cornhusker football. The new stadium will be dedicated preceding the game and this dedication is attracting many.

There will be 16,000 seats ready Saturday and John Sellack, business manager of athletics, believes there will be all occupied. The opening game attendance records were shattered last week when the home season was opened with Oklahoma.

Word from Kansas indicates that rain has cut into the practice periods but that all members of the squad are in good condition physically and having scrimmage injuries, will be on hand here Saturday.

## Maroons Out for Blood Next Game

Chicago, Ill., Oct. 18.—Coach Stagg anticipates a hard struggle with Northwestern Saturday at Stagg field in the opening tilt of the Maroon's conference schedule. The Maroon's contingent is now badly crippled from injuries and the veteran mentor has been trying hard to whip his green material into shape to fill the places left vacant by casualties.

Chicago will try to stop Captain McElwain, left half and power full-back, two of Coach Glenn Thistlewaite's stars. McElwain is regarded as especially dangerous as an open field runner. The line has been drilled to let the runner through so that the backs may tackle him. The team has been practicing a trick formation to be used in attacking the "Statue of Liberty" play, with which the Michigan Aggies gained ground effectively in the first Maroon practice game.

No new offensive plays have been given. Stagg has spent most of his time before in perfecting the plays that he already has given the team.

King, center, will not be in the Northwestern game on account of a sprained ankle. Quarterback Law hurt his foot so badly that he was not out for practice. Cunningham, likely candidate for both quarters and center, has dislocated his shoulder, and probably will not be able to play before the Illinois game, November 3. Dickson, end, who hurt his leg in the game with Colorado Aggies weeks ago, has taken a light workout daily, and may be able to play Saturday. However, Barnes, who has been distinguishing himself in snagging passes, probably will start in Dickson's position. Hibbin, tackle, injured his leg in practice. John Thomas probably will not play on account of his leg.

Stagg has been trying his men out in various positions. A thorough search is still going on for a competent field general to fill the vacancy left by Law and Cunningham, temporarily out of the game. Abbott, former star Oak Park tackle, offers most promise as quarterback. There are three possibilities as punter in Harry Thomas, McCarly, and Schla-back. Harry Thomas surprised everyone by averaging 60 yards in his kicking. Because the Maroon substitutes are considered weak there has been little material to draw from. In a regular game last Saturday afternoon, the freshmen held them down to a 16-0 score.

## Roughness Explained.

Grand Island, Neb., Oct. 18.—Kearney papers publish an account of a rough scrimmage during a recent game here between the Grand Island college and the Kearney Normal, in which one Kearney teacher was allegedly attacked by local fans. It is explained by devotees of the game here that Kearney brought a demonstration in the way of an "antelope," paraded by the Kearneyites, and, as not uncommon during such events, local fans good naturedly "got the antelope." Thereupon Kearneyites began knocking off the hats of the local rooters and one young man pounced upon a Kearneyite before knowing he was an elderly man, but, realizing his mistake, at once desisted, and no one was in the least injured or severely roughed up.

## Illini Have Final Practice.

Urbana, Ill., Oct. 18.—Illinois held its last scrimmage tonight before the opening game of its conference schedule at Iowa Saturday. The teams plowed through the freshmen normal, in which rain had turned to a mud flat, skidding helplessly on both defense and offense.

Twenty-nine men will make the Iowa trip. Coach Bob Zuppke is taking along every available end as the flank positions are none too strong at present and substitutions there may be expected frequently.

Coach Zuppke has agreed to speak at the pep meeting to be staged by the homecoming crowd at Iowa City Friday night.

## McCook Team Is Undefeated as Yet

McCook, Neb., Oct. 18.—With a fast backfield and a hard-hitting line, McCook football team has romped half way through a difficult schedule with no defeats and only one scoreless game. Followers of the sport claim the Holdrege-McCook game, which resulted in a 0 to 0 score, was one of the fastest and hardest fought high school battles ever played on any gridiron.

Although the team average is light, heavy opposing teams are unable to meet its aggressive style of play. The superior line plunging of McCook carries the ball through for good gains on every down. Only two or three men will be lost from this neat little aggregation by graduation this year and prospects for a winning team next season are bright.

The remaining schedule is: Oct. 19—McCook against Arapahoe at McCook. Oct. 26—McCook against Curtis at Curtis. Nov. 2—McCook against Farnam at McCook. Nov. 9—McCook against Friend at Friend. Nov. 16—McCook against Gothenburg at Gothenburg. Nov. 23—McCook against Alma at Alma. Thanksgiving—Open date.

## Bloomfield Meets Goddard in England

London, Oct. 18.—Jack Bloomfield and Frank Goddard tonight signed articles to meet in a 20-round match at Albert Hall November 21 for the British heavyweight championship title, made vacant by the retirement of Joe Beckett. Beckett retired after his sensational defeat at the Olympia on October 2, when he was knocked out by Georges Carpentier in the first round.

## Iowa Hard at Work.

Iowa City, Ia., Oct. 18.—The Iowa state football squad today contemplated the hard work of the week's preparation for meeting the Illinois team here Saturday before the Iowa homecoming crowd. A hard scrimmage, a long and fast signal drill, preceded by a drill in fundamentals, occupied the attention of the Hawkeye grid men tonight. Work on Thursday and Friday nights will be light. The second string used Illinois plays effectively against the varsity and Coach Howard Jones and his assistants drilled consistently in mapping out defense against the Illini attacks.

## Kansas Team Ready for Game

Lawrence, Kas., Oct. 18.—More than two dozen University of Kansas athletes will leave here tonight for Lincoln, Neb., where they will play Nebraska university Saturday in the 30th annual gridiron battle between these two institutions.

Kansas will enter the game in good shape. Coach Clark today expressed the belief that Kansas has a better chance of beating the Cornhuskers this season than in any year since 1916, the last time the Jayhawkers won. To date Kansas has taken nine of the annual battles, Nebraska has won 19 and one has been tied.

The Kansas team will take a light workout on the Nebraska field tomorrow.

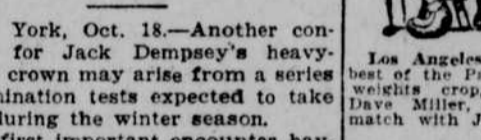

## Burgess Bedtime Stories

By THORNTON W. BURGESS

Those in cleverness best schooled May at times be badly fooled. —Mrs. Bob White.

## Reddy Is Fooled for a Few Moments.

When Mrs. Bob White and the wounded Bob White reached the hollow fence post Mrs. Bob White had found the young wounded Bob White felt that he couldn't take another step. Mrs. Bob White let him rest for a while. Then as the Black Sha-

"Go in that hollow fence post just as far as you can," said she.

He bounded forward, sure that he would be able to run down that wounded Bob White. From almost under his nose Mrs. Bob White again fluttered up and along just above the ground. She appeared as if she couldn't use one wing at all well. Reddy bounded after her. Several times he just missed catching her and then suddenly he understood. He looked a little sheepish as he stopped short. "That is Mrs. Bob White," said he to himself, "and she isn't wounded at all. She is trying to lead me away." Then he turned and ran swiftly back to pick up the trail with his wonderful nose.

The next story: "Reddy Has to Look Elsewhere for a Dinner."

## With the KNIGHTS of the GLOVES

Los Angeles, Oct. 18.—Marty Foley, best of the Pacific northwest lightweight weight champion, is training here under Dave Miller, of Seattle, in a match with James Delaney of St. Paul.

Seattle, Oct. 18.—Amateur boxing shows have become a fixture in Seattle for this season. It was declared by Austin and Bill, boxing promoters, after their successful show here Tuesday night. A second amateur smelter will be held October 28.

Oakland, Cal., Oct. 18.—Displaying superior ring generalship "Buck" Foley won the decision over "Lone Horse" Bob in a four-round bout here tonight. The men fought at catch weights. Jack Silver won the decision over Jack O'Hara, who substituted for Frankie McCann. They are lightweight. Tommy Collins, lightweight, won the decision over Eddie Dickins in a special event.

## Johnson-Renault May Battle

New York, Oct. 18.—Another contender for Jack Dempsey's heavyweight crown may arise from a series of elimination tests expected to take place during the winter season.

The first important encounter having a bearing on the heavyweight ring situation is likely to be between Floyd Johnson of Iowa and Jack Renault, the Canadian champion. Johnson has been improving steadily since his knockout at the hands of Jess Willard last May, while Renault has added several victims to his list.

The winner of a Johnson-Renault bout probably would be matched with the victor of the proposed contest between Georges Carpentier of France and Tom Gibbons of St. Paul. Carpentier has accepted terms offered him by Tex Rickard, but Gibbons has not yet come to a definite agreement with the promoter.

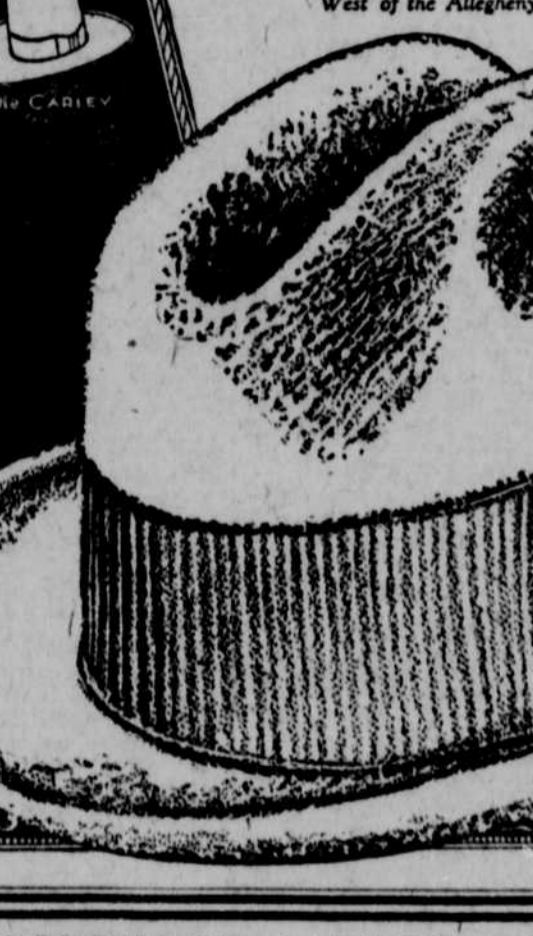

Dempsey already has a return match with Luis Angel Firpo on his 1924 program, and may also face Harry Willis, negro challenger, who has been on the champion's trail for more than a year.

## Tape Shows Little Difference Between Zev and Papyrus

A comparison of the measurements of Papyrus and Zev shows that there is no marked difference in their size, both being of the same height. Zev was last weighed at Saratoga in August, where he tipped the scales at 1,070 pounds, which is more than the average for a 3-year-old in training. Papyrus weighs 1,040 pounds. The English champion is the stouter through the heart, the extra girth indicating unusual heart and lung development.

The measurements of the 3-year-old champions of their respective countries are as follows:

	Papyrus	Zev
Height	15 hds., 3 in.	15 hds., 8 in.
Girth	23 in.	24 in.
