

Needy of Omaha Will Be Helped During Winter

Salvation Army, City Mission and Jewish Welfare Body to Aid City's Poor.

Omaha charities are preparing for a hard winter. The Salvation Army is building a new hotel on Thirteenth street, between Davenport and Dodge streets. The Omaha City mission, in charge of Miss Harriet E. Laney, is preparing to give shelter and to find employment for those in need during the winter.

The Salvation Army distributes clothing and groceries to the needy, and maintains a hotel where transients may find shelter in return for a little useful work. The new hotel will be an improvement, both in a sanitary way and in its capacity to accommodate the homeless.

At 1204 Pacific street the Omaha City mission makes its headquarters. This institution is especially interested in caring for women and children, although occasionally it also houses men. The mission provides shelter for women until they are able to find work.

"We are always able to place everyone who is physically or mentally capable," declared Miss Laney. The mission also cares for babies while their mothers are at work. The Jewish Welfare federation, under the supervision of Samuel Schaefer, is preparing to care for needy Jewish families in their own homes. At present the federation is caring for 17 such families.

Editor of Wolbach Paper to Enter Magazine Field

Wolbach, Neb., Oct. 26.—A deal has just been closed in which Roy R. Barnard, for the past two years' editor and publisher of the Wolbach Messenger, has disposed of the plant and business to Miner E. and Emil Harris, formerly of the Douglas Enterprise. The new owners will take charge October 29.

Mr. Barnard has accepted the position of advertising manager of Every Woman magazine, Los Angeles, Cal., and will leave for that city within the next few weeks.

Rain and Snow Are Benefit to Winter Wheat Crops

Sidney, Neb., Oct. 26.—A two-day rain, which turned into the first snow of the season, will be of great benefit to wheat that is in the ground. Next year's acreage of wheat in Cheyenne county will be much smaller than this year and last year. The big success of the corn crop in this section this year gives promise of a largely increased acreage of corn next year.

Clarinda's "City Beautiful" Contest

Clarinda, Ia., Oct. 26.—Not a jeweler's display, or national golf championship trophies, but the awards given by the Clarinda Commercial club in the "city beautiful" contest just closed. Birdseye views are becoming so common that every side street and alley must be beautified. More than 400 homes were listed, three ratings were made during the summer and cups awarded to those showing the greatest improvement; also \$5 each to those ranking second. Virgil McCreary won the city sweepstakes and an automobile.

John Doe Warrants for Barneston Bank Robbers

Beatrice, Neb., Oct. 26.—County Attorney Mattson stated that he would issue John Doe warrants charging four men with breaking and entering the Bank of Barneston, as requested by detectives working on the case. The robbery occurred a few weeks ago, and Sheriff Salling says he wants the warrants in case the bandits are caught.

Omaha Firm Buys Power Plant at Humphrey, Neb.

Humphrey, Neb., Oct. 26.—Purchase of the Humphrey Electric Light and Power company by the Continental Gas and Electric corporation of Omaha is announced here. The Continental will take possession shortly of the Humphrey company's property, which includes the distribution system, oil generator and steam generator.

The Continental will rebuild the distribution system, which is now 220-volt direct current, for standard 110-volt alternating current and will install a substation. Humphrey will then receive its current from the Norfolk-Fullerton high tension line of the Nebraska Gas and Electric company, which is a part of the Continental system.

The company has obtained a 25-year franchise and will later obtain contracts for the city's street lighting and water pumping.

The Continental's system now embraces nearly 175 towns and cities in Nebraska, Iowa, Missouri and Canada.

New School Bus

Barneston, Neb., Oct. 25.—Charles Weyer of Barneston drove a new auto bus from Marysville to be used to

Man Dragged by Rake in Runaway May Die

Thompson, Neb., Oct. 26.—Frank Young, an employe at the Rock Island-Burlington railway crossing tower here for the last 25 years, was so seriously injured that it is feared he will not recover. He was driving a field when the horses took fright and started to run. When the machine struck irregular ground, it threw Young off and he alighted ahead of the rake and was rolled and dragged for a considerable distance before the team could be stopped.

The child was crushed to death when run over by a truck heavily loaded with wheat and driven by her father. Mr. Hingstrom was hauling wheat to market and had just completed his load. Before starting the truck he looked on both sides to see that nothing was in the way, but in backing the wheel passed over her abdomen. She died almost instantly.
