CORNS?
 Safe relief in one minute

For quick, lasting relief from corns, there is nothing like Dr. Scholl's Zino pads. They stop the pain in one minute by removing the cause—friction and pressure. Zino pads are thin, safe, antiseptic, healing, waterproof and cannot produce infection or any bad after effects. No strong acid or caustic that "burns" out the corn. Three different sizes—one for corns, one for callouses, one for bunions. Fine for blisters and tender spots caused by new shoes.

Get a box today at your druggist's or shoe dealer's. Cost but a trifle.
