

Patients Talk While Being Operated Upon

pictures of patients conversing with nurses and surgeons while major operations were in progress were shown by Dr. Robert E. Farr of Minneapolis, who spoke on the use of local anesthesia. Dr. Farr said he had found radio concerts and talking machines of value in entertaining patients where operations were carried on with local anesthesia. No portion of the body need be exempted from such treatment, he declared.

Dr. Byron E. Davis of the University of Nebraska told the physicians that experiments of the last year had not advanced the search for the cause of cancer. "We only know it is a cell that has lost its normal relations and has become an outlaw," he said. Dr. Davis declared the man who has physical limitations and "lives within them as he lives within his bank account will live longer than

will the man who thinks he has no ailments.

WORK WHILE YOU SLEEP

A Stubborn Cough Loosens Right Up

This home-made remedy is a wonder for quick results. Easily and cheaply made.

Here is a home-made syrup which millions of people have found to be the most dependable means of breaking up stubborn coughs. It is cheap and simple, but very prompt in action. Under its healing, soothing influence, chest soreness goes, phlegm loosens, breathing becomes easier, tickling in throat stops and you get a good night's restful sleep. The usual throat and chest colds are conquered by it in 24 hours or less. Nothing better for bronchitis, hoarseness, croup, throat tickle, bronchial asthma or winter coughs.

To make this splendid cough syrup, pour 2 1/2 ounces of Pinex into a pint bottle and fill the bottle with plain granulated sugar syrup and shake thoroughly. If you prefer use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, you get a full pint—a family supply—of much better cough syrup than you could buy ready-made for three times the money. Keeps perfectly and children love its pleasant taste. Pinex is a special and highly concentrated compound of genuine Norway pine extract, known the world over for its prompt healing effect upon the membranes.

To avoid disappointment ask your druggist for "2 1/2 ounces of Pinex" with full directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., Ft. Wayne, Ind.

PIMPPLY? WELL, DON'T BE

People Notice It. Drive Them Off with Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.

Cleanse the blood, bowels and liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel; there is no sickness or pain after taking them.

Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cured with a "dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face.

Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color.

Dr. Edwards' Olive Tablets are among patients afflicted with liver and bowel complaints and Olive Tablets are the immensely effective result. Take one or two tablets for a week. See how much better you feel and look. 15c and 30c.
