After a thorough survey of the coat market our buyer singled out and purchased several very fine groups of coats and we have assembled them all for one great event and marked them at this low price which is far below anything you would expect to pay for coats of this splendid quality and up-to-date style. The timeliness of this sale is another point in considering the values--the whole winter is before you, so that you will get one hundred per cent service while the style is at its best.

The styles embrace every late feature including the tube models, flare bottom, tiers, panels, wide sleeve and wide cuffs, narrow shoulders, braid trimming, embroidery, big buttons in all their new effects. Linings are of fine quality satin, crepes or novelty silks; every coat is perfectly tailored and perfectly finished and bears the mark of high quality in every line. The season's new colors include the popular woody shades of brown as well as tan, taupe, navy and black.

There are just 500 of these coats. Only 500 women can buy these bargains. If you would be one of the fortunate be here early.

There is a style for every figure and a color to suit every taste in this great group. Be sure and take advantage of this opportunity.
