Steel Viaduct for Stockyards Is Being Built

Work on New Exchange Will
Start After Completion
of Present \$300,000
Structure.

The contract has been let for \$300,000 worth of steel for the new viaduct connecting L street, through the Union Stockyards, with O street. Vice President Buckingham of the Stockyards company announced yesterday. The viaduct is to be in the neighborhood of 2,000 feet long and 72 feet wide. It will support a double track for the street railway company and still leave ample room for parking of automobiles, according to plans. Driving of piles for the foundation of the viaduct is nearing completion and work of steel construction is to be carried on throughout the winter. As soon as the viaduct is completed the construction of the new exchange building will be started. It should be ready for occupancy some time in 1925.

Wyoming Cattle Will Be Marketed All Winter

Cattle will be coming into market from Wyoming all winter provided they can be assembled and shipped, according to Bert Roberts, traveling agent of the Union Stockyards company, who has just returned from a trip in the west.

Rev. R. L. Wheeler to Give Armistice Day Address

Rev. R. L. Wheeler has been invited and has consented to give the annual Armistice day address at the R. L. Wheeler Memorial church Sunday morning at 11. "The Rebirth of the American Republic" will be his subject.

American Lutherans Relieve War Victims

The National Lutheran council has been the agency through which American Lutherans have donated nearly 2,500,000 pounds of used clothing for European war relief, according to a statement of council officers in New York.

Executive Director J. A. Morehead urges Lutherans to keep up the good work. Much of the donation is distributed in Germany, Poland, Austria, Czechoslovakia, Danzig, Hungary and Latvia and Russia.

Contributors are asked to address their packages in care of H. O. Warner's warehouse, 31 Perry street, New York city.

Sidney Amuses Itself With Home Chautauqua

Sidney, Neb., Nov. 9.—Sidney is putting on a winter chautauqua this week at the Methodist church, entirely by home talent. Music, vocal and instrumental, readings by both adults and juveniles, and band and orchestra numbers by local organizations, also speeches by the city's best orators, make a complete program. The chautauqua is meeting with hearty approval by all who hear the programs and it will undoubtedly become a regular annual affair.

Outstate Counties Will Send Delegates to Lincoln

Columbus, Neb., Nov. 9.—Platte, Boone and Nance counties will send a delegation of 26 boys, 15 of them from Columbus, representing the high school Y. M. C. A. clubs of the various towns, to the annual Nebraska Christian Conference held under Y. M. C. A. auspices in Lincoln, November 30 to December 3.

Jobless, Tries Suicide.

Sidney, Neb., Nov. 9.—Roy Clary, 39, attempted suicide in a rooming house in Sidney yesterday morning. He used an old razor. If infection does not set in he will probably recover. He is unmarried, but says his parents are dead and that he has relatives in both Missouri and Iowa. He was out of work and broke. Several stitches were necessary to close the wound, which was a very deep one.

Drops Dead When Told Roof of House on Fire

Wahoo, Neb., Nov. 9.—John Zaugg of Yutan, one of the oldest and most highly respected citizens of Yutan, dropped dead Thursday afternoon. The roof of his residence in Yutan caught on fire and when he was informed of the fact he succumbed almost instantly.

Son, Mourned as Dead, Returns

Indian Shell-Shock Victim Is
Reunited With His
Parents.

By Associated Press.
Ponca City, Okl., Nov. 9.—Mourned as dead for years and unable to establish his identity because of a lapse of memory due to shell shock, Albert Frazier of Sioux Falls, S. D., an Indian veteran of the world war, was reunited with his parents here through the efforts of American Legion officials.

Frazier has been in the care of various legion posts of the state for more than two years, during which time a constant search for his family was made. He was known here only as Arthur Littlefield.

His father and mother, the Rev. and Mrs. Charles Frazier, arrived today after virtually completing identification through communications with the legion and immediately recognized him. The meeting seemed to clear his mind at once and he was quick to return their affectionate embrace.

A THREE DAYS'
COUGH IS YOUR
DANGER SIGNAL

Chronic coughs and persistent colds lead to serious lung trouble. You can stop them now with Creomulsion an emulsified creosote that is pleasant to take. Creomulsion is a new medical discovery with twofold action; it soothes and heals the inflamed membrane and kills the germ.

Of all known drugs creosote is recognized by the medical fraternity as the greatest healing agency for the treatment of chronic coughs and colds and other forms of throat and lung troubles. Creomulsion contains, in addition to creosote other healing elements which soothe and heal the inflamed membranes and stop the irritation and inflammation, while the creosote goes on to the stomach is absorbed into the blood, attacks the seat of the trouble and destroys the germs that lead to consumption.

His first question was about his young sister.

Frazier was reported by the War Department to have been killed in France and a body was sent to South Dakota which was buried by the parents as that of their son. A legion post in Sioux Falls is named in his honor.

The three left for home.

Beatrice Athlete Heads Class.
Special Dispatch to The Omaha Bee.
Beatrice, Neb., Nov. 9.—Gerald Worley, son of Mrs. M. B. Worley of this city, has been elected president of the freshman class at Lombard college, Galesburg, Ill., according to information received here by his mother. He is a graduate of the Beatrice high school and won honors in football, basketball and track.

The Joy Store of Omaha

We often think of our Shoppe as the joy store of the city.

It is here that grandparents come to purchase gifts for their new grandchildren; it is here that prospective grooms come to purchase engagement and wedding rings.

It is to this store that folks come who are looking for attractive presents for brides and for folks who are celebrating their wedding anniversaries or birthdays.

We are happy to be in a business which brings joy to so many.

We are hoping that some joyous occasion will bring YOU to our store shortly. And when you do come, be assured it will be a pleasure to us to serve you.

National Father and Son Week Nov. 11th to 18th

Sunday, November 11, will be the big dress-up day of 1923. Fathers and sons will do some serious thinking about practical things—the importance of good clothes will get serious consideration—because a wise father knows that good appearance means much to his son's success in life.

GOOD CLOTHES HEAD-
QUARTERS IS READY
TO SERVE YOU AS
NEVER BEFORE.

You Know Quality Is the Password to Value in Clothes

SO do we---that's why you get the limit of quality here. Whether you pay \$25.00 or \$50.00 for clothes here, you're sure of quality ---the most of it that human ingenuity can crowd into clothes.

THANKS to Nebraska's vast volume selling--- you pay less for quality here---get more of it. A policy of year 'round lower pricing brings the cost to you down to bedrock---big value always.

Don't spend a dollar for clothes until you know what's what---until you see Nebraska values and tremendous selections of

CORRECT APPAREL FOR MEN AND WOMEN

There is but ONE

Genuine

BONANZA COAL

All things that are good are imitated. BONANZA is no exception, and it has come to our attention during the last few weeks that other coal dealers are offering inferior grades of coal under the name of genuine BONANZA.

In justice to our patrons who have found BONANZA to be their "ideal" fuel, we issue the warning that there is but ONE genuine BONANZA Semi-Anthracite Coal and that is mined in our own mines, under our direct supervision.

Don't accept "substitutes" and "the same thing" as BONANZA at any price. There is but one BONANZA COAL and that is mined and sold exclusively by us.

Phone JACKSON 3012 and place your order for BONANZA today. It will give you everything you want in a GOOD coal. It burns 25% longer than soft coal; it gives more heat per ton than soft coal; it is absolutely clean—no smoke, no soot—and is low in ash.

And that is mined in our OWN mines
