Foundations Being Laid for Second Hydroelectric Droject Near Beatrice. Wymore, Neb., Nov. 10Black Brothers Milling company, who have int completed a \$100,000 hydroelec fit plant on the Blue river at Blue Springs, figst north of here, to fur- nish electric current for their mills at Blue Springs and Beatrice, and to sell to outside interests, have started the building of another similar plant on the Blue two miles east of Beatrice. Excavation and foundation work is now in progress. At the plant at Blue Springs, where through underneath the plant and hito the "tail race" had just been completed before the unusual high water of five weeks ago, the flood waters drifted the race full of a fine bed of sand and gravel. This has to be dredged out and hauled away spain. Since there is no sand at the site of the new plant east of Beatrice, arge gang of men are now at work taking the gravel deposits from the bed of the race at Blue Springs and shipping it by rail in coal cars from Blue Springs to Beatrice, where it	No. 4 yellow: 1 car, \$30 (special bill- ing). Check Artist Puts Over Bad Paper in County Special Dispatch to The Omaha Bee.

Tecumseh, Neb., Nov. 10 .- A check artist has gotten in his work in Teumseh again this week. A man giving the name of R. C. Peterson, claiming to live at Boulder, Colo., gave what he represented to be certified checks on the First National bank of Boulder. At "Tuck's Toggery," a clothing store, he bought goods

amounting to more than \$8 and gave \$15 check, taking the change. At P. H. King's battery station he bought an inner tube and other merchandise, gave another \$15 check and took the change. The checks were returned to Tecumseh hanks as being forgeries. Peterson has disappeared.
