Col. Forbes

Tells Body Probing Veterans Bureau President's Doctor Ordered Rum Shipped to Ohio.

Lays Trouble to Politics

By Universal Service

Washington, Nov. 13 .- Col. Charles R. Forbes, former director, today made a sweeping denial of accusa gation of the veterans' bureau.

Forbes charged Brig. Gen. Charles E. Sawyer, personal physician to the late President Harding and Presiden Coolidge, with being responsible for the major part of his troubles. Forbes charged that "Sawyer a

one time made a requisition to send hotels by senators, congressmen and into Ohio 20 barrels of whisky" from he Perryville (Md.) supply depot. He said that Elias H. Mortimer had been described to him at the Depart ment of Justice as "the social and professional bootlegger of Washing Sawyer and Mortimer are among Forbes' chief accusers in the

list of witnesses heard to date. Politics Is Blamed.

Political influence had been exerted oth inside and outside th ebureau o interfere with his administration of the bureau, Forbes asserted. This influence, he declared, came from senators and representatives in con gress as well as through other chan

Forbes defended the purchase of the Livermore (Cal.) and Excelsion Springs (Mo) hospital sites, that have been the subject of vigorous attack and other hospital transactions that have been brought into question.

The sale of supplies at Perryville Md., claimed to be worth \$3,000,000 to a Boston salvage concern for 20 cents on the dollar, likewise was de fended as a good business deal in the face of the information he had at the

Denies Writing Mellon.

In his defense of the Livermore deal, Forbes denied ever having written or having knowledge of a letter to Secretary of the Treasury Mellon strongly urging the purchase of the Livermore site at \$150,000. Likewise he denied ever having seen the sec

retary's reply thereon It was brought out that the orie. nal letter could not be located in the Treasury department files. However, what purported to be a copy of it and of the secretary's reply were produced from the treasury. A caroon copy of such a letter was read into the record from the veterans' bureau files when the Livermore deal was under investigation a fortnight ago.

Forbes defended his contract with Matthew O'Brien, San Francisco architect, who received \$97,000 for pre paring plans that were never used for hospital at Livermore. He declared Brien came to him with endorse-Safe; Rob Store at Alma cntire house delegation from California, O'Brien's plans, he said, were entire house delegation from Cali- filed by the defense, to support their rejected after he had left the bureau. will be a holiday in the trial proceed-

Touchy on Dead Man

When the late Charles F. Cram ame had been brought into the disussion of the Livermore deal, Forbes said:

"Mr. Cramer is dead. The man is thing to question me about him." Charles Cordanier, 84, one of the had he ever seen Lucian B. Johnson. Souder. former owner of the property, until he came to Washington to testify in this hearing. The bureau bought this

property for \$105,000. Forbes said he appointed Maj. William Wolff Smith as Cramer's successor in the face of political pressure, indicating Smith filed political

Wood Aims to Subdue Moro Strife

Governor-General Back From Isle of Unrest, Plans to Use Peaceful Methods.

Warns of U. S. Power

By Associated Press. Manila, Nov. 13 .- While there is no disorder at present among the More tribes the situation requires carefu handling, Governor-General Leonard Wood declared upon his return here today after a three weeks' trip of inspection to the island of Mindanao whee he investigated reported unres mong the natives.

Governor-General Wood summoned Dato (Chief) Santiago, one of the lead ers in the Lake Linao district, to come aboard his yacht at one port at which he stopped, but the chief, becoming alarmed at the rough sea. turned back and departed for his nome among the island hills. The executive instructed the con

stabulary officers who accompanied him on his trip to bring in the chief and his followers from the hills, without bloodshed, if possible, The governor expressed that the Moro situation would be settled peacefully. He announced that

he had appointed a commission, con-

sisting of three members of his staff,

who have long experience in the Phil-

ippines, to proceed to Mindano and investigate the Moro grievances in Governor General Wood also announced that he would make a courtesy visit to the Java straits soon,

at the request of the State depart. The greatest unrest now is merely ocal and is confined chiefly to Moros n the vicinity of Lake Lanao, where the tribesmen are demanding larger

representation in the governmental ac tivities, he declared. The Moros, who are Mohammedans, bject to being governed by Christian Filipinos and are demanding the ap-pointment of additional Moro officials,

the governor general declared.

At a conference which he held with Moro chieftains who assembled from all parts of the territory, Govern-Gen eral Wood informed them that American sovereignty still is supreme in the Philippines and that if the United tates ever decides to relinquish control the Moros will be officially no tified before any change is made. One of the demands of the tribes nen, which is causing unrest, is for Moro teachers instead of Christian

Filipino in the school for girls, the executive said. Man Who Shot Brother
