

HUSKER STUDENTS GOING TO AMES

Lincoln, Neb., Nov. 14.—The Cornhuskers were sent against the yearlings in scrimmage practice Tuesday evening although most of the regulars were kept out of the rough play. They still are somewhat stiff and sore from the Saturday game.

Dave Noble was out of uniform for the first time this season. He watched the Huskers perform from the stands. The swelling in his injured ankle is reduced but he is still unable to put much weight on it. It is very doubtful if he will be able to enter the Ames game.

He'll be ready for Syracuse, however, when the Orange comes west a week from Saturday in an attempt to add further laurels to an already long list.

Judging from the advance sale of tickets, there will be as large a crowd on hand for the Syracuse game as the record-breaking bunch which saw the Notre Dame game, according to John Selbeck, business manager of athletics.

The first string backfield Tuesday evening was composed of Captain Lewellen at quarterback, Ced Hartman at fullback; Rufe and Herb DeWitz at halfback.

The students are preparing to go at least 700 strong to Ames, on a special train which leaves here at 6 a. m. Saturday. One slogan reads "H Huskers can husk that tall corn."

Blue and White in Stiff Practice

Regulars Are Given Heavy Signal Workout — Coach Wynne Performs in Backfield.

Creighton university's husky gridiron warriors started their real work for the Creighton-South Dakota university game when the regulars and the freshman team met in a scrimmage last night in a heavy scrimmage. Coach Wynne, not satisfied with the way the backs were advancing the ball during the first few plays of the scrimmage, went in himself and scamped off-tackle for several long gains to the exultation of the railbirds.

The regulars went through a heavy signal workout, piloted by Herb Lichtenberger, whom Coach Wynne is grooming for second string quarterback. Tonight they will take on the freshmen.

Wynne worked for some time with the backfield on some new pass formations which he may spring on the Coyotes. Those who were not being used on the offensive on the new passes were put on the defensive to secure practice in this phase also. The linemen were sent through exhaustive tackle exercises, designed to correct the Hilltopper's weak tackling, which was again slightly noticeable in last Saturday's contest.

Belmont Stakes to Be Revised

American Turf Classic Will Vie With Epsom Derby and Grand Prix de Paris in Financial Value.

New York, Nov. 13.—Starting in 1926 the Belmont stakes, one of the oldest and most sought for prizes of the American turf, will rank in value with the Epsom derby and Grand Prix de Paris through the addition of \$15,000 to the \$50,000 stakes and the lengthening of the distance from a mile and three furlongs to a mile and a half, President August Belmont of the Westchester Racing association, announced today before departing for his nursery stud in Kentucky.

"Generous support," accorded by both breeders and owners, Mr. Belmont said, practically covered without material cost the \$50,000 guaranteed value of the 1923 race and the association consequently decided to make it an added money event. On the basis of past responses of owners and breeders, he added, the gross value in 1925 should be between \$45,000 and \$75,000.

The Belmont stakes for 2-year-olds was created in 1867. Entries for the 1926 race close November 28.

INTEREST IN BIG RACE INCREASES

Louisville, Ky., Nov. 14.—Interest in the Zev-In Memoriam match race to be run at Churchill Downs here Saturday, provided the condition of the track meets with the approval of Carl Weidemann, owner of In Memoriam, was increased materially today upon publication of dispatches from Baltimore that the Ranecaus stable's crack 3-year-old was to leave Pimlico for Louisville.

It was recalled today that winner of the Kentucky Derby matches speed and endurance with In Memoriam Saturday in an effort to recoup the prestige lost by defeat at the heels of Mr. Weidemann's great 3-year-old in the Latonia championship. It would be the first match race held at Churchill Downs since July 4, 1878, when Ten Broeck raced Mollie McCarthy into submission over a distance of four miles.

So far In Memoriam, which is quartered here, has only slow workouts with heavy boys up. Mr. Weidemann was here yesterday to watch his horse gallop a mile in 1:45.3-5, and reiterated his confidence in the ability of his entry to defeat Zev.

The race Saturday is for a mile and one-quarter, the Kentucky Derby distance. Each horse is to carry 126 pounds.

Penn Grid Players Called Home; Death in Family

Philadelphia, Nov. 13.—Ted Fairchild, end of the University of Pennsylvania football team, who was being groomed for a quarterback position in Saturday's game with Pennsylvania State college, today received word of the death of his father in Reno, Nevada.

Fairchild left for his home tonight to be gone at least 10 days. Pennsylvania's regular quarterback, Jack Dern, is incapacitated with an infection of the leg.

Barney Burch, owner of the Omaha Western league club, will return to Omaha next month. Barney has been spending the off-season at his winter home in San Antonio, Tex.

EXPECT LARGE CROWD AT CREIGHTON GAME SATURDAY

Judging from the number of tickets already sold for the Creighton-South Dakota university football game scheduled for Creighton field Saturday afternoon, one of the largest crowds that has ever witnessed a grid struggle in Omaha will be in the stands to see the game.

Coach Stub Allison is bringing a husky crew to Omaha this weekend to give Creighton battle. He is bent on having his eleven scratch off the defeat Creighton handed the Coyotes last season.

If the way Coach Chet Wynne worked with his men last night is any indication, Creighton's pigskin mentor is taking the coming game pretty seriously. Last night Wynne got into scrimmage himself and gave his proteges a sample of how to carry the leather against the opposition.

Would Punish Germany for Allowing Ex-Crown Prince to Return.

Dusseldorf, Nov. 14.—One person was killed and 29 were wounded during a clash last night between the police and a crowd of unemployed holding a demonstration. The demonstrations continued today, the crowds which paraded the streets all day yesterday protesting against the unemployment situation. The singing of the "Internationale" was a feature of the demonstration.

By Associated Press. Berlin, Nov. 14.—Political leaders were discussing today the apparent decision of the central government to withdraw all federal support from the Ruhr and Rhineland provinces, leaving these territories to their own devices or to the pleasure of France and Belgium.

The impression grew that cabinet ministers, state premiers and spokesmen of the occupied region in their secret conferences here yesterday had concluded upon the abandonment of federal jurisdiction over these areas as a means of saving the rest of the country. The fact that further support of the Ruhr and Rhineland populations would constitute an unbearable burden on the reich is believed to have influenced Germany's leaders in deciding to leave on the shoulders of France and Belgium all responsibility for the fate of the German people in occupied territory.

Apparently authentic reports were in circulation yesterday that the government would proclaim an autonomous Rhineland and considerable surprise was manifested last night when an official statement declared the government "would never sanction the proclamation of a Rhineland republic."

By Associated Press. Cologne, Nov. 14.—Leo Deckers, separatist leader, has been arrested at Verviers, just over the Belgian frontier, according to advices from Aix-La-Chapelle.

By Associated Press. London, Nov. 14.—France is bringing strong pressure to bear on Great Britain looking to joint action for the expulsion of the former crown prince from Germany.

For the moment the British government believes it useless to try to undo the accomplished fact but no decision regarding a final policy will be announced until the cabinet, which is meeting today, has carefully examined the whole subject in the light of Premier Poincare's latest overtures. Meanwhile the government has received no official intimation that the former kaiser intends to duplicate the sensational dash of his heir.

By Associated Press. Paris, Nov. 14.—The allied council of ambassadors failed to consider at its meeting today the question of what action should be taken in connection with the return of the crown prince to Germany and as to Germany's attitude regarding the resumption of allied military control. The session was devoted to routine work and it is understood the ambassadors avoided mentioning these two questions because the allies were not in accord as to the proper course of action.

Great Britain, which took the initiative in the sending of a coercive note to Germany regarding the return of Frederick William, now is said to be desirous of dropping the whole matter, while France, which at first, was indifferent but later came to favor action of some sort, is ready for such action.

Evidence Almost Gone When Jury Returns Verdict

It took virtually two entire bottles of evidence to convince a jury in federal court of the guilt of Nick Danovitch and his barkeeper, named Vickovitch, arrested on a liquor charge yesterday.

The jury was given the evidence when it retired. When it returned not enough liquor was left in the bottles for analysis.

Danovitch was sentenced to six months in the county jail and fined \$1,000, while Vickovitch was given a 90-day sentence.

Barrie Is Ill

London, Nov. 14.—Sir James Mathew Barrie is in a London nursing home suffering from what is characterized as "a slight indisposition." At his residence it was said that the condition of the eminent writer was by no means serious and that he was "just having a rest."

The announcement of the author's illness had been withheld from even his most intimate friends.

"Cows and Chickens for Me, Not Politics," Says Ex-Crown Prince

By International News Service. Gels, Prussian Silesia, Nov. 14.—"Cows and chickens are the things for me—not politics," said former Crown Prince Friedrich Wilhelm, in a talk with International News Service correspondent upon his estate. He characterized it as his "very last interview."

The ex-crown prince was happy to be back in his old home with his family. Wilhelm walked over his estates and chatted with servants. He found everything in good order, but suffering from the general wave of depression caused by Germany's economic and financial collapse.

"I am here as a private citizen, as I have repeatedly said before," continued Friedrich Wilhelm. "I am not interested in politics. I plan to lead a simple isolated life, devoting my whole attention to my family and my farm. It would be the biggest possible public service to me if the press would leave me alone. I cannot make an extended statement. It would only embarrass me."

The crown prince was as happy as a school boy, after a night's sound sleep beneath his own roof-top.

He arrived in a big open motor car, accompanied by Adjutant Muelder, his aide, and a political police official, who had met the party at the frontier, as well as a personal friend.

Wilhelm's daughters, who had been waiting impatiently for him for two days, ran out to meet him, hanging upon his arms and smiling up into his face. Wilhelm had difficulty in freeing his arms to embrace his wife.

As soon as the automobile drove through the castle gates, they banged shut, frustrating the reporters waiting outside.

Wilhelm's room was filled with flowers sent by friends and neighbors.
