

BEVERLY HILLS TURKEY DAY RACE MARRED BY ACCIDENTS

Los Angeles, Nov. 30.—Track and grandstand at the Beverly Hills speedway were deserted today. The big bowl's racing career was ended after a final Thanksgiving contest marred by accidents bringing death to two persons and injury to several others.

Harry Hartz, one of 16 drivers who yesterday awaited the starter's flag, was to appear at the sheriff's office today to make a detailed statement concerning the accident in which his car struck and killed George S. Wade, Kansas City sportsman, and Russell Hughes, news photographer, and seriously injured Jimmy Lee, mechanic of Indianapolis.

According to Hartz and Starter Fred Wagner, the fatalities, which occurred while the cars were being lined up for the race were the result of a misunderstanding. Hartz said he made a tour of the track under instructions from Wagner and did not realize that he would not have a clear course ahead until almost upon the cars clustered at the starting line. To avoid hitting them he swerved through the narrow lane still free of cars and apparently open to him, but in his heading course the car moved down three men.

One was the photographer who had snapped his picture just a moment before another. Wade, owner of the car to be driven by Harlan Pengler, had just called out to the youthful driver: "Give it to 'em Harlan; show 'em what it can do." They were Wade's last words; and the snapshot of Hartz was Hughes' last picture. Hartz dropped out, heart broken, but the others lined up again and the race started.

Omaha Hard on Boxers. MAHA is getting a reputation for being a Jonah place for many boxers.

The recent Brennan-Miske bout and the boxing commission's action on holding up Brennan's end of the purse has caused considerable comment from the flustered scribes of the east. An idea of what the eastern writers of things fistic think of Omaha as a boxing center can be squeezed out of the following which was published in the Brooklyn Eagle: Omaha seems to be a Jonah place for many boxers. There is probably no city in the country where purses have been held up, on boxers so much as in Omaha. Whether it is due to lack of knowledge of the game or otherwise is not quite clear, but it does not seem logical that boxers, knowing the conditions there, would try to "put over deals" on the fans and promoters.

The latest to get into trouble in the Nebraska metropolis is Bill Brennan, the veteran heavyweight, who was stopped by Billy Miske of St. Paul in four rounds. Brennan's end of the purse was held up and the promoters announced that it would be turned over to some charity because Bill was not in proper condition.

If he was not in condition then the boxing commission is to blame for permitting him to box, for he was examined before the contest by the commission doctor and pronounced O. K.

Billy Wells, the English boxer; Dave Shade, Frankie Schiele and others have had similar trouble in Omaha, and Matty McCue, the Racine (Wis.) lightweight, is still waiting to get his money for his fight with Morrie Schlaifer two or three years ago.

Matty was about knocked coco in the first round by Schlaifer, who was much bigger and heavier than the Racine lad, and because the commission stopped the contest the promoters decided McCue was not entitled to his coin.

It is a cinch that Leo P. Flynn, manager of Brennan, will make a battle of it before he gives in to the ruling of the commission. We take it from this that Leo P. Flynn is going to give the Nebraska State Boxing commission a fight before he loses his share of Brennan's \$2,500 for the latter's bout with Miske.

The fact that Leo P. Shea, referee, counted Brennan out and awarded the bout to Miske probably has set Flynn to thinking that perhaps he can collect.

Wills Will Not Fight Firpo. New York, Nov. 30.—Paddy Mullins, manager of Harry Wills, said he knew nothing of a match between Louis Firpo, Argentine heavyweight and Harry Wills, American negro heavyweight, which Firpo in a dispatch from Buenos Aires, was quoted as saying had been arranged to take place in the United States next May.

Mullins denied there was any truth in the report that negotiations for such a fight had been approved by Wills.

New York, Nov. 30.—Tex Rickard could not be reached last night but his secretary authorized the statement that negotiations for a match between Firpo and Wills in the United States had not been closed.

Jayhawks Held to Tie by Missouri

By Associated Press. Lawrence, Kan., Nov. 30.—Kansas closed the season undefeated and with an unbroken goal line by holding Missouri to a 3 to 3 tie in the 32d annual Thanksgiving clash between the two universities.

The game was a moral victory for the Missourians, however, as they clearly outplayed their opponents. The Jayhawks, moreover, had been the favorite to win on the basis of comparative scores in early season games. Both teams made their scores on place kicks. Kansas scored three points in the five minutes of play when Krueger, quarterback, took the ball to the Missouri nine-yard line on a 16-yard run and Captain Black, left half, dropped back to the 20-yard line for a place kick, which went over. The Tiger evaded the score in the third period when Walsh, right end, kicked a goal from placement on the 33-yard line.

Fans Hiss Genaro Victory. New York, Nov. 30.—Eight fans here today were engaged in a bitter dispute over the victory awarded Frank Genaro, American flyweight champion, in his bout with Carl Tremaine, Cleveland bantam, last night. Many of the 8,000 fans who witnessed the contest hissed the decision.

Some ringside writers gave Tremaine seven rounds, Genaro four, and called one even. The little Italian was at a disadvantage in height, reach and weight. Both boxers put up a game fight.

Favors Game With Gobs. Seattle, Wash., Nov. 30.—The University of Washington would look with favor upon an invitation to play the United States Naval academy at Pasadena, Cal., New Year's day, instead of Syracuse university at Los Angeles Christmas day. It was said today by M. Meinest, Washington's graduate manager. The "midshipmen" will play at Pasadena New Year's day. The opposing team has not been selected.

Wills Will Not Fight Firpo. New York, Nov. 30.—Paddy Mullins, manager of Harry Wills, said he knew nothing of a match between Louis Firpo, Argentine heavyweight and Harry Wills, American negro heavyweight, which Firpo in a dispatch from Buenos Aires, was quoted as saying had been arranged to take place in the United States next May.

Fans Tunnel Under Concrete Walls to Grid Game Free

Philadelphia, Nov. 30.—The small boy who slips under the circus tent has nothing on Philadelphia football fans who tunnel under the concrete walls of Frankford in order to see the gridiron battles free.

University of Pennsylvania athletic authorities said today that several tunnels, ranging in length from five to 20 feet, had been dug under the outer walls of the stadium during the season. The last one was discovered just before the Cornell game yesterday and it is believed a score or more of the 56,000 persons who saw the contest entered by the tunnel route.

Skeezix Breaks Tanforan Record

San Francisco, Nov. 30.—Skeezix, the George Drumbell entry, swept up the stretch to a three lengths victory yesterday in the Spreckles handicap of a mile and a quarter at Tanforan track, near here. The time was 2:03.45, breaking the track record established in 1901. Jockey James Smith rode the winner.

Victoire, from the R. L. Baker stables, placed second, beating out Sacramento, owned by R. O. Egan, by two lengths. A \$2,000 purse added was offered in the race and silver cups were presented by A. B. Spreckles to the owner and jockey of the winning horse.

Adonis, Billy Nesselhaus' sprinter, ran third in the sixth race at the opening of the winter race season at Tanjuana yesterday. Hildur won the race. John S. Reardon, another Nesselhaus thoroughbred, was an also-ran in the fifth race.

"With the KNIGHTS of the GLOVES"

Jeff Smith, the globe-trotting flyweight, who is universally recognized as the leading contender for the world's championship held by Harry Greb, is busy training for an ambitious winter campaign being lined up for him. In the last start two weeks ago Smith accomplished the remarkable feat of knocking out rugged Young Fisher in Portland, Me.

Eddie Burns, sensational welterweight champion of the United States army, will swing into action again next Monday night when he meets Barney Adair in a scheduled 12-round bout at the Flower City Athletic club in Rochester.

Jack Zivic, crack Pittsburgh lightweight, who holds victories over Charlie White, Pete Hartley, Shamuse O'Brien, Jackie Johnny, Harry Joe, and other top liners, is hard at work arranging himself into condition for an ambitious schedule of bouts being arranged for him. Zivic is anxious to fight his way into a championship match with Benny Leonard and with this end in view he is prepared to take on Pal Moran.

Johnny Leonard, Alton's fast-moving junior lightweight and persistent challenger of Jack Bernstein, will have a 12-round bout with a scheduled 12-round battle at the Collar City Athletic club in Troy next Monday evening.

Paddy Ryan, promising Pittsburgh lightweight, who has been coming along at a fast pace, added another victory to his record when he decisively defeated Joe Burton in Troy last Monday evening.

Bobby Garcia, of Camp Holabird, Md., the hard-hitting featherweight champion of the United States army, is going great guns these days. In his last two starts, Garcia stopped Frankie Rice in Baltimore and outpointed Curley Walker in Pittsburgh.

Pete Zivic, the flashy Pittsburgh bantam, will step up against Larry Grogan in a twelve-round shindig at the Arena A. C. in Hartford next Monday night. Zivic easily defeated Brickly Ryan in Pittsburgh a few nights ago.

Terry M'Hugh, the clever little Alton bantam, and one of the leading contenders for Joe Lynch's bantam title, has resumed training after being out of service for three months with a broken right hand.

Bisher, Ariz., Nov. 30.—James Sarcu, a Los Angeles pugilist, was held in jail here on a charge of reckless driving followed by deputy sheriffs who investigated a collision between a car driven by Sarcu and a smaller car driven by Charles Hanson, a rancher.

New Bedford, Mass.—Al Shubert of this city was given the judges' decision over Johnny Dundee, featherweight champion of the world in their ten round match. The title was not at stake.

Philadelphia, Nov. 30.—Panche Villa, world's 12-weight champion, will defend his title in a 10-round decision bout here with Pat Walker of this city on December 16. Articles of agreement were signed last night. The fight will be under the new state boxing law allowing decisions by a good margin, and two rounds were even.

Holiday Rum Kills 2 in N. Y.

New York, Nov. 30.—"Holiday hooch" took a toll of two lives today, while seven other celebrators of Thanksgiving imbibed as freely as to cause their helpless forms to be taken to Bellevue hospital. One is expected to die.

\$40,000 in Gems Stolen. Tulsa, Okla., Nov. 30.—Diamonds said to be valued at \$40,000 were stolen last night by thieves who entered a hotel room here occupied by Charles Mednikow, representative of a wholesale diamond company of Memphis, Tenn. He told police that stones in another case valued at \$75,000 and mounted gems in a trunk valued at \$150,000 were overlooked.

Cherry Tree won the \$2,000 added Turkey Day handicap at New Orleans. It was the feature race of the opening day's program over a distance of a mile.
