With Orchard & Wilhelm you can have your color preference for every room—rose for the living room, brown for the dining room, yellow for the sun room.

### Don't! Give Your Wife a Washboard for Christmas

In an excess of real heartfelt generosity and Christmas feeling, a man known to us, bought his wife a beautiful, new washboard—it was a peach, but he found that in course of time it was hard on the clothes. Now his wife, a thoughtful, though delicate, little woman, heard of a new and exceedingly efficient washing machine that positively washed the daintiest of fabrics without injury and at a propitious moment presented the matter in a very business-like manner to her husband, who being a little hard headed as well as soft hearted, saw the error of the washboard Christmas gift and right away, quick, gave his wife a

Lincoln Electric Washer and didn't wait for Christmas, either.

### Lincoln Electric Washer

The Lincoln washes with the scientific air and water pressure method. It is complete with an all-copper, 15-gallon tub, aluminum wringer that never needs oiling, and one that has soft overize rollers, a gas heater that sterilizes clothes and keeps the water hot.

The only washer sold with a "Money Back" Guarantee.
