

Platte County Refuses Taxes

More Than \$5,000 Offered by Banks on One-Fourth Basis Turned Down.

Columbus, Neb., Dec. 6.—During

ASPIRIN

Say "Bayer" - Genuine!

Genuine "Bayer Tablets of Aspirin" have been proved safe by millions and prescribed by physicians over twenty-three years for Colds and gripe misery. Handy boxes of twelve tablets cost only few cents at any drug store. Each package contains proven directions for Colds and tells how to prepare an Aspirin gargle for sore throat and tonsillitis.

The last 10 days the Platte county treasurer has refused to accept more than \$5,000 tendered as tax payments, although the greater part of it has been offered in gold coin. County Treasurer William Boothe's refusal is due to the fact that it is offered by the banks of Platte county, seeking to pay their personal taxes on the basis of one-fourth of the amounts checked up against them on the records. Acting on instructions received from the state board of equalization, the county treasurer greeted them with the information that it was "all or none." He said he would accept payments on the basis of 100 per cent, but that until the court orders it will accept one-fourth and receipt in full. The Union Pacific railroad has paid its taxes here in full. The Burlington and the North western have only tendered payment for 75 per cent, since the two roads last year instituted suits to have their valuations reduced, alleging they were too high in comparison with other property. The case is still pending in the courts.

Express Rates Benefit State

Nebraska Will Save Thousands Through Readjustments by Commission.

Lincoln, Dec. 6.—As a result of the readjustment of express rates ordered by the Interstate Commerce commission, the state of Nebraska will benefit to the extent of many thousands of dollars, Railway Commissioner Brown declared here today.

Although the new rates and classifications will not be uniform in this territory, Mr. Brown said, the decrease will be considerable.

In the east, rates will be increased, Mr. Brown said. Heretofore that territory has had a big advantage over the west.

Chairman Taylor of the Nebraska commission was chairman of a committee representing the different state bodies, which made a showing before the Interstate Commerce commission in favor of a more equitable adjustment of rates.

The outcome is regarded by the state officials as being in the main a recognition of their contentions.

Pocket Editions of Comedians at Theater

Two pocket editions of the principals in the show are back stage at the Gayety theater this week. Shannon and Leeming, juniors, sit back stony in their goatees very interested in all the things that go on about them as their respective fathers, Harry Shannon and Artie Leeming, go through their performance in "Hippity Hop."

John Thomas Shannon, who is 19 months old, isn't such a small edition as Arthur Leeming, 5 months. John Thomas weighs 23 pounds, for he has been on his father's dairy farm at Sturgeon Bay, Wis., before starting on his tour three weeks ago. He mimics everyone and is learning many things from the actors about him.

Arthur Leeming is a tiny baby, whose mother is also appearing in the show. The dressing room is his home.

A real Christmas party is planned for the babies. The company will be in Detroit during the holidays, where Santa Claus is expected to call overboard with gifts for the pets of the entire cast.

"Irish Eyes of Love," "Laddie Buck O' Mine" and "A Broth of a Boy" are three songs that have done much to the underdog way of Chauncey Olcott in the realm of stage favorites. All these ringing belauds occur in Mr. Olcott's most popular play, "The Heart of Paddy Whack," and this enjoyable presentation has been selected for the distinguished actor-singer's first tour under the management of the Selwyns appearing at the Brandeis tonight and tomorrow, matinee and night.

For this occasion, the management has assembled the original cast of "Paddy Whack," including such well remembered Olcott players as Willis Frederic, Kalman Blau, Charles E. Yarn, Richard Quiller, Helen Gurney, Ella Rock, Nina Saville, James Jeff and Francis Connors. An augmented orchestra is carried by Mr. Ol-
