County's Smoke Screen Must Go

Hopkins Declares Court House Not Immune From Ordinance.

E. W. Pitt, city smoke inspector, called on Charles Unitt, county commissioner, Friday, to request that the smoke nuisance at the court house be abated.

Commissioners Heard From. "If those people in the city hall think the smoke that pours into their windows comes from the court house, tell them to stand on a chair and look over the court house to various business establishments and office buildings. They are the source of the smoke nuisance," declared Charles Unitt, county commissioner, Saturday.
