

Huge Oil Pipe Line System Is Nearly Finished

\$35,000,000 Sinclair Company's Project Nears Completion—Runs From Wyoming Fields to Missouri.

Washington, Kan., Dec. 12.—Booth & Flynn of Kansas City, who have had over 100 laborers in this vicinity since the middle of the summer, ditching and laying the pipe line for the Sinclair Oil company through here, Tuesday withdrew most of their forces and shipped the men and machinery back to Kansas City, the work here on the pipe line being practically completed. The line runs from the oil fields near Casper, Wyo., to Freeman, Mo., and will transport crude oil to the refineries and markets through the 16-inch pipe line. The line was completed two weeks ago from Deshler to Washington, and only a few miles remains to finish on this division between Washington and Blaine, Kan., but other divisions of the line will not all be completed until early in the spring.

There is a pumping station about every 40 miles, the one north of here at Deshler being almost completed, and the one here is now 60 per cent complete. Work has started on the pumping plant at Blaine.

Each pumping plant represents an expenditure of about \$100,000 for site and buildings, besides the machinery. At the plant here two huge engines are now being installed which cost \$25,000 each, according to the superintendent in charge of the work. Six stucco residences already are built here to house the company's employees. Each is modern. The steam heating plant is about finished. A telephone line follows the entire route.

HEADACHES

NEBRIN is the safest headache remedy obtainable. It never depresses the heart, affects the stomach or forms a habit.

One or two NEBRIN tablets will relieve headache, toothache, earache, neuralgic or rheumatic pains in a few minutes.

NEBRIN is positively superior to preparations containing the dangerous, heart-depressing, habit-forming drug Acetanilide.

NEBRIN is also a safer and more effective remedy than Aspirin. Get a few NEBRIN tablets and notice their safe and reliable action.

Demand NEBRIN For the Sake of Your Health

At Drugstore 25c and 50c Box

of the pipe line and is all built through here. Authorities state that the total cost of the entire venture will reach approximately \$35,000,000.

Burlington to Add 2 New Trains

Additions to Wymore Division Will Improve Lincoln-St. Louis Service.

Wymore, Neb., Dec. 12.—The Wymore division of the Burlington railway is contemplating the carding of two new passenger trains to become effective January 15. The trains will improve the present service between Lincoln and St. Louis, running through Table Rock and Falls City. It is understood the southbound train will leave Lincoln about 4 o'clock in the afternoon, reaching St. Joseph about 8, and the northbound train will leave St. Joseph about daylight, arriving at Lincoln before noon. They will make local stops and it is possible that some of the stops on Nos. 41 and 42, the present trains over the same territory, will be cut out. Trains 20 and 21, now running between Wymore and Lincoln, via Table Rock, are expected to be discontinued when the new trains are put on, and an application has already been filed by the railway company to make these changes, and a hearing will be held before the state railway commission, December 19.

Bequests in Will Cut Charity Fund Deficit

The requirements of the Omaha community chest have been reduced by about \$30,000 through the bequests in the will of George A. Hoagland, according to John L. Kennedy, executive director of the state charity. The Associated Charities receive \$5,000 by the will; Omaha Social Settlement, Visiting Nurses' association, House of Hope, Old People's Home, members of the chest, receiving the same amount.

Specific bequests or contributions of any sort lessen the amount to be drawn from the chest budget. The sum of \$48,500 is to meet the 1923 deficit of member agencies. All will start 1924 with a clean book. The allotments for the agencies were made as nearly as possible on the 1922 expenditures.

Funds will be paid out as the agencies need them from month to month, when the amounts will be made public. Total amount in the treasury is now \$398,450.

CALLAWAY—Almost an inch of snow fell here this morning, and stayed on the ground only a short time. The temperature has dropped to 15 degrees above zero.

Rising City Fire Loss Is \$75,000

Early Morning Blaze Sweeps Through Business District—Other Towns Give Aid.

Rising City, Neb., Dec. 12.—Fire of an unknown origin destroyed over half of the business district here and caused a total loss of about \$75,000. Little of the property was covered by insurance.

The fire was discovered at 3:30 a. m., when one of the villagers was awakened. At that time three buildings were burning and the flames had become uncontrollable. Relief calls were sent to nearby towns. David City responded with a chemical cart and a corps of 23 men, and a hose cart came from Shelby.

The Rising City bank, owned by S. and B. Richtenbach; the opera house, owned by George Burgess; the L. L. Thompson general merchandise store, the E. S. Marker grocery and meat store, O. A. Wickert's grocery and dry goods store and Weber's barber shop were destroyed.

AUBURN—Mrs. W. H. Kellogg, wife of Judge W. H. Kellogg, prominent political leader, former county attorney, and district judge, died at her home, Tuesday, December 11, after a short illness. She leaves three sons, five daughters and her husband. Funeral arrangements are pending.

Operator Saves Phone Building From Blaze

Beaver City, Neb., Dec. 12.—Fire broke out in the basement of the Beaver City telephone exchange at 7 o'clock in the morning from an overheated furnace pipe. By the quick action and presence of mind of Miss Gwendolyn Jeffers, telephone operator, the building was saved.

She gave the fire alarm and individual calls for help. The fire in a few minutes more would have reached the local cables and trunk lines of the Bell Telephone company. The damage to the building was small and covered by insurance.

Sonneland to Head County Medical Body

Norfolk, Neb., Dec. 12.—Dr. A. M. Sonneland was elected president of the Madison and Stanton Counties Medical association at the annual meeting here. Dr. J. D. McCarthy of Elgin was elected vice president.

Workmen Find Grave

Beatrice, Neb., Dec. 12.—Workmen, in excavating for a building at 504 South Tenth street, found a grave not far from the house. On the marble slab which the workmen unearthed with their spades were the figures, 1859-1902. A Beatrice pioneer, in referring to the matter, stated that in an early day a small graveyard

Every Minute Counts in the fight against constipation!

Once let constipation get a grip on you, and your system is wide open to 95% of human ailments. Statistics show that to be the proportion of illness that has constipation for a starting point. Pills and cathartics are as dangerous to the system as constipation!

Your physician will recommend Kellogg's Bran, because it is nature's own relief from constipation. It is scientifically prepared to relieve suffering humanity from constipation and it will do what no other food can do. It will give every sufferer permanent relief if it is eaten regularly—at least two tablespoonfuls daily; as much with each meal in chronic cases!

Kellogg's Bran is wonderful in its natural, positive action. It sweeps and cleanses and purifies the bowels.

tract; it scours out the dangerous toxic poisons; it puts you back on schedule time without irritation or discomfort!

Don't delay eating Kellogg's Bran each day in some form! Try it as a cereal sprinkled over your favorite hot or cold cereal or cook it with hot cereals. In the latter case, add two tablespoonfuls for each person and mix with the regular cereal and cook as usual.

Kellogg's Bran is simply delicious made into muffins, popovers, raisin bread, matzo balls, pancakes, etc. Recipes are on every package! For health's sake get some Kellogg's Bran immediately. All grocers.

First-class hotels and clubs serve Kellogg's Bran in individual packages. Ask for it at your restaurant.
