Clothes Wizard Upsets Custom
Switches Usual January Selling Tactics Into the Pre-Christmas Season.
\$5 WORKS WONDERS
Omaha includes in its ranks of business men at least one who plans, thinks and acts independently and differently. Custom and habit of other years have not the slightest effect upon him, when strong merchandise movements are concerned.
"Beddeo" of The Beddeo Clothing Co., 1415-1417 Douglas St., or rather "Elmer," to his nearer acquaintances, is the man in question.
"Beddeo" is shifting seasons with a vengeance. "Why wait until January to reduce my clothes prices," says "Beddeo," "when folks need clothes to meet cold weather demands now, deeply appreciating a price dropping now, just BEFORE Christmas?"
And not only that, but Beddeo temporarily suspends regular terms and makes it easier than ever for clothing and dress buyers to purchase garments as Christmas Gifts to themselves, friends and loved ones—Beddeo for the time being revises his payment and comes out boldly with an offer to sell anything in the house upon a down payment of merely \$5.
One may well imagine what this "\$5 down" proposition means; for instance, it puts an elegant fur coat into possession of a woman who otherwise would have to postpone buying, or perhaps do without the coat entirely this season. Then, again, the man with Christmas Gifts to buy for a list as long as your arm is eased up considerably; he may buy his gifts with what money he has and use his Credit at Beddeo's on the clothes he also must have.
And even after the \$5 deposit has been paid Beddeo offers a delightfully Easy Payment plan on the balance of the price involved. The Credit idea has surely been brought down to a science at the Beddeo establishment.
Summing up matters entirely, The Beddeo Clothing Co. today offers any Man's, Woman's or Child's garments in its establishment at only \$5 Down—adding every cut price advantage usually delayed until January and then widely heralded.
"I want to make it a really Merry Christmas for my army of friends," says Beddeo, and the crowds of interested shoppers at his establishment seem to substantiate his desire.
The Beddeo Clothing Co. is situated at 1415-17 Douglas St., Omaha, and not only offers its service to Omahans but to out-of-town folks as well. Mail orders will be filled for any of the featured sale items with Credit inducements offered just as though the buyer were residing in Omaha.
"Merry Christmas—and January Price Cuts Now," says Beddeo.
