# Young Covell to Go

Coquille, Qre., Dec. 15.-Altor Covell, 16, was today convicted of murder in the first degree with the recommendation of life imprisonment for the killing of his stepmother, Mrs. Ebba Covell of Bandon, Ore. The jury was out 45 minutes. Evidence brought out in his trial was to the effect that he had committed the murder at the instigation of his uncle, Arthur Covell, crippled astrologist, who already has been sentenced to death. Mrs Covell was strangled to death in the kitchen of her home with an ammonia soaked rag Septem-

## Woman Who Befriended Hermit Left Estate

Shenandoah, Ia., Dec. 15 .- The befriending of an old bachelor, Herman Taubert, resulted in the aged recluse giving his fortune to Mrs. M. A. Trotter. The will was made orally in the presence of witnesses.

Taubert's estate is valued at be tween \$5,000 and \$6,000. He has no heirs in this country. Under the statutes of Iowa the will is good only The extent of \$300, and the attorneys have started suit to get this amount for Mrs. Trotter. It is thought to be the first case of this kind ever tried in Page county. The remainder of the estate will go to Mr. Taubert's relatives, who are supposed to reside in Saxony, Germany.

## Opportunity for High Class Sales Executive

The Williamson Heater Company of Cincinnati, an old reliable and ionally known manufacturer of heating apparatus, is marketing a Gas, Gasoline or Electric Cabinet Clothes Dryer, known as SNOW WHITE, saleable to new homes, professional builders, architects and the housewife. Judged by merchandising experts to hold the greatest national possibilities of

It dries, sterilizes and bleaches clothes in 10 minutes. Its installation makes the housewife independent of weather conditions. It eliminates the drudgery of carrying the clothes outside. It permits washing and ironing to be done the same morning. In smoky communities it is indispensable. Every woman appreciates its advantages. It appeals to the professional builder, as it enhances the salability of his building. It appeals to the apartment owner in eliminating the back-yard problem. To the man ewning or erecting a high-grade home it sells itself. The price is less than any other laundry equipment. Every residence and apartment in this city should have one.

Other cities operating successfully. We have definite, proved method of sales procedure. Large publicity campaign now under way. Full page advertisements in Saturday Evening Post which commenced November 10, Very attractive literature compiled. Unusual factory co-operation. Height of season will soon be here. This is not a job, but a business opportunity, a chance to get out of the rut. The initial requirements for further procedure are: First. sufficient capital to establish show room; second, successful sales experience; third, an unimpeachable personal record: fourth, vision to realize the potential possibilities. To such a person we can offer a mighty interesting proposition; a real money-making opportunity.

Tell us fully of your qualifications along the above lines and of your ability to put this over in a big way. Address the Dryer Division of The Williamson Heater Co., Cincinnati, O.

# I First Compounded This Newer Form of Iron For My Own Neighbors

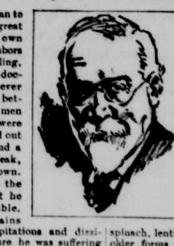

Their Praise of This Remarkable Remedy Has Spread So Rapidly That Now Over 4,000,000 People Use It Annually

Years ago I began to wonder at the great number of my own friends and neighbors whowere always ailing, complaining and doctoring, without ever seeming to get any better. Both working men and their wives were frequently all tired out in the evening, and a great many were weak, nervous and run-down. One had pains in the back and thought he had kidney trouble.

toms of a great number

of diseases when the real and true cause of all your trouble is a lack of iron in the blood. In the old dayspeople often took metallic iron, which some physicians claim is not absorbed at all. In compounding this newer form of iron which call Nuxated Iron, I employed a special form of iron, which is like the iron in your blood and like the iron in

suffer from the symp-

Another had pains around heart, palpitations and dizziness, and was sure he was suffering from heart disease. Still others had severe headaches, floating spots before the eyes, tender spots along the spine and a great variety of alarming symptoms.

For years I made a special study of this condition, consulting a great number of physicians and chemists. An immense number of investigations by physicians all over the country showed that three people out of every four you meet lack 100% iron in their blood. Lack of iron in the blood is the greatest of all devitalizing weaknesses. It is the iron in your blood that enables you to get the neurishment out of your food. Without iron, nothing you eat does you any good. Your heart, lungs and kidneys and all your vital organs get their nourishment from the blood stream, and when the blood lacks iron and is thin, pale and water, ros may around heart, palpitations and diszi- spinsch, lentils and apples. Unlike the
