This Store Is Brimful of Christmas Gifts

Perfect in Finish, Latest in Style, Complete in Assortment, Best in Quality, and All at Lowest in City Prices; Do Your Shopping Tuesday

Store Hours Until Christmas
10 A. M. to 9 P. M.

Last year the Christmas hours were from 9 a. m. to 9 p. m. For the benefit of those shoppers who cannot conveniently shop during the day time it is necessary to keep the store open until 9 p. m. We recognize, however, the heavy burdens placed upon our employees by the large holiday buying. We decided, therefore, to extend the morning opening to 10 o'clock, thus giving our employees a longer period of rest. The results will be helpful to shoppers, also in the improved service.

The systematic efforts of our management to keep stocks ever well supplied and of large variety makes it possible for us to offer at this late date nearly complete stocks in every department. Every hour now finds the shoppers increasing in number and this week the demand will be unusually large. For this reason we advise immediate selection of goods by those desiring to avail themselves of the choice bargains found on our counters this season. Never have our stocks been more varied or desirable than they are this year. This is so generally recognized that the shopper feels when he enters The Brandeis Store he approaches the best markets in the world.
